#### NINETY-EIGHTH COUNCIL

##### COUNCIL

ROBT. GARLAND .....President

ROBERT CLARK.....City Clerk

EDW. W. LINDSAY.....Ass't City Clerk

Pittsburgh, Pa.,

Monday, January 1, 1934.

On Monday, January 1, 1934, at 10 o'clock, A. M., the members-elect of the Council of the City of Pittsburgh, together with those holding over, convened in the Council Chamber of said City, in accordance with the provisions of the Act of Assembly, approved May 31, 1911.

The Council was called to order by Robert Clark, City Clerk, who acted as Chairman Pro tem, of the meeting.

The Chair presented

No. 1.

Commonwealth of Pennsylvania, }  
County of Allegheny, } ss:

I, John Vogt, Prothonotary of the Court of Common Pleas in and for the County and State aforesaid, do hereby certify that at an election held on the Seventh day of November, A. D. 1933, William A. Magee, John M. Huston, Thomas J. Gallagher, John J. Kane and Walter R. Demmler, were duly elected

to the office of Council of the City of Pittsburgh, County and State aforesaid.

WITNESS my hand and the seal of said Court, the 26th day of December, 1933.

(SEAL)

JOHN VOGT, .  
Prothonotary.

Which was read, received and filed.

And the following members-elect, Messrs. William A. Magee, John M. Huston, Thomas J. Gallagher, John J. Kane and Walter R. Demmler arose in their places and took the oath of office, which was administered to them by the City Clerk, Robert Clark.

And the roll being called, the following members responded to their names:

Messrs:

Anderson	Huston
Demmler	Kane
Gallagher	Magee
Garland	McArdle
	Soost

And a quorum being in attendance, Council proceeded to the election of a President.

Mr. Kane arose and said:

Mr. Chairman: I desire to place in nomination for President of City Council, the name of Mr. John M. Huston and ask support for my nominee on the following grounds:

First—Mr. Huston, by reason of a successful business career, a life-long interest in civic and political affairs and a wide acquaintance and contact with citizens in all walks of life in Pittsburgh, is peculiarly well-qualified to fill the responsible position of president of this body.

Second—Mr. Huston is entitled to the support of every councilman who received a majority vote on the Demo-

cratic ticket because more Democrats voted for Mr. Huston than for any other councilmanic candidate.

Third—Because at the election of November 7, the people of the City of Pittsburgh registered in unmistakable terms their desire to place the control and direction of their government for the next four years in the hands of the Democratic party. The results at that election made clear the intent of the people that the Democratic party should not only be responsible for the executive departments of the local government, but the legislative department as well.

Five councilmanic candidates, a majority in the Council, were selected by the votes of the citizens who favored the program and platform advanced by the Democratic party in the general election campaign, and in representative government the public officials should be governed by the wishes of the majority.

And just so that no member of this Council, elected by reason of having received a majority of votes on the Democratic ticket, may justify a vote against Mr. Huston for president of this body on the ground that the Democratic party has no program to offer to this council for its consideration, I am going to restate the program which was placed before the voters of this community during the recent campaign and which we now place before this council as the legislative program of the Democratic members of this body. This program I advance as one of the most important reasons why the presidency of this council should be given to a Democrat.

First—We believe that prior consideration should be given to solving the acute financial problems prevailing in the city's business. That we have been fully alive to the gravity of the situation is evidenced by the fact that proposals initiated by us are now being considered by local banking institutions to underwrite a delinquent tax bond issue in such an amount as would place the city's finances in excellent condition.

Second—We demand immediate action against the local utility corporations that have exploited the citizens of this community for the benefit of financial

profiteers. We propose at the earliest possible moment to introduce legislation which will set the legal machinery of the city of Pittsburgh in action against these corporations. We shall ask an adequate appropriation to finance the presentation of rate cases against these corporations.

Third—We are committed to a destruction of the garbage monopoly of this community.

Fourth—We are pledged to take the police and fire bureaus out of politics and to the elimination of the underworld racketeer.

Fifth—We have promised an efficient administration and in keeping with this promise we favor the abolition of all unnecessary bureaus, positions and sinecures so that the tax rate may be reduced at the earliest possible moment.

Sixth—In spite of the fact that a Republican legislature has again killed the limited dividend housing bills, we favor using the authority and influence of the city to eliminate the slums and replace them with modern dwellings.

Seventh—We favor doing everything possible to make Pittsburgh a desirable city for manufacturers and commercial establishments and equally desirable for those looking for a place to rear a family.

That, in brief constitutes the high spots of the Democratic councilmanic program.

In keeping with the expressed desires of the people of Pittsburgh as registered at the November 7th election, we ask that we be given full responsibility for carrying on this program. If we are denied the right to organize this council, those responsible for frustrating the wishes of the voters will have to accept the consequences of their acts.

I ask the support of every member of this council, who received a majority of his votes on the Democratic ticket, for John M. Huston for president of this Council, to the end that the promises and pledges made by the Democratic party in the recent campaign may be more readily and completely fulfilled.

Mr. Demmler arose and said:

Mr. Chairman:—I second the nomina-

tion of Mr. Huston as President of Council on the platform submitted by Mr. Kane.

Mr. McArdle arose and said:

Mr. Chairman:—I desire to place in nomination for President of the Council for the ensuing term, the name of a gentleman who has served in this body almost from its inception in 1911. He came into this body on the fifth day of September, 1911, by virtue of an election on the part of the members of Council and the Mayor at that time to fill a vacancy. From that time until this, he has retained his membership in this body by the will of the people of Pittsburgh expressed when he was a candidate for re-election.

During a greater part of the time he has been a member of this body—he has served as Chairman of the Finance Committee—one of the more important committees that conduct the business of the Council. During all of that time it may be said to his credit that he has been always in attendance at the meetings as well as prompt in his attendance, giving the best that he has to the solution of the city's various and varied problems. Out of that experience it seems to me that he has developed qualities aside from his own natural qualities that he brought into Council with him to peculiarly fit him to do the work that falls upon the shoulders of a President. In making this reference, I have in mind the fact that no great power rests on the President of this Body. He presides at our meetings and lends his aid in the promotion, in an ordinary fashion, of the business that comes before it. The things that Council will do, will rest entirely in the hands of the majority of the members, or with that number of the members that the law determines shall pass judgment upon the various things with which it deals. I am concerned about the selection of a man who has had the experience and has proven his fitness out of the years of study and understanding that has come to him to do this job well. I look for him to serve, or attempt to serve, only the interests of the people and the will of the body over which he presides. The Council under his official direction will always be in control of its own affairs. I shall expect

him to deal as any other President of Council should—fair and square with every member of this body, trying to do the things in that fashion which the law prescribes and which honesty and fairness and decency to the rights and privileges of the membership of the body dictates.

With the will and the interest of the people foremost before this group as a legislative body, believing that he brings the highest kind of qualifications to render the kind of service that this body has a right to expect of its president by virtue of his long years of service, I have a great deal of pleasure in presenting the name of Robert Garland as the nominee for the Presidency of this body.

Mr. Anderson arose and said:

I feel it a duty to second the nomination of Mr. Garland for the presidency of this body, as he has been in Council with me for 14 years. I noticed particularly the qualifications that are necessary to preside over this body. I wish to assure the new members of Council, it is with no feeling that the members are voting for a division of any character. I feel it is the duty of the Council to help the incoming mayor. There is only one reason that I have in opposing the nomination of Mr. Huston and that is, that I feel Mr. Garland's experience as a member of Council leads me to believe that he is the best man for this position. During my tenure in office, I have met many men, but none of those were better qualified than Mr. Garland to preside at our meetings, especially the budget sessions. He has done a good job in the past; is honest and fair in all his rulings, and no member of Council need fear his rulings. I think it is my duty, knowing the man as I do, to second his nomination and vote for him.

Mr. Magee arose and said:

Mr. President:—I also arise to second the nomination of Robert Garland. It is now about 36 years since I first entered the government of the City of Pittsburgh. I became a member of the Common Council of this city in 1898. I have had prior experience and dealt with all of the questions that were before the voters, the people of this city,

at the election last year. I declared in favor of all the purposes enumerated and recited by the gentleman who nominated Mr. Huston for Chairman of this body. I am not only in favor of those policies, now, but I have been in favor of them all my life. In 1911 I introduced a bill in the Legislature to tax the real estate of the utility corporations in cities of the second class. I brought complaints against the utility corporations before the Public Service Commission. I favored the housing legislation at the last two sessions of the General Assembly. I am in favor of a long term incineration contract. I certainly am in favor of balancing the budget by the reduction of city expenditures.

A program we are told is being offered to the city through the election of Mr. Huston as Chairman. Only one inexperienced in legislation would call the recital of hopes and expectations a political program. What Mr. Kane read was a mere recital of objectives without mention of any practical means for their realization. He does not propose any plan to balance the budget, now unbalanced to the extent of more than \$2,000,000. Is it to be balanced by finding more revenues? If so, what are they? Is it to be balanced by reducing expenditures? If so, how is efficiency to be maintained at lower cost to the City? What are the "unnecessary bureaus" which are to be abolished? What does it avail to express a demand in the City Council for the removal of tax exemptions on corporate property when the power does not lie in the Council, but only in the Legislature? Where is the appropriation to come from to finance rate cases against utility companies? How is "the garbage monopoly" to be destroyed?

Ever since the November election I have been publicly and privately pleading with the Democratic leaders to produce a program for the government of the City. To my mind a program consists of definite practical steps proposed for the accomplishment of the aims and objectives which constitute the policy of a political party. It is two months since the people voted the Democratic Party into control of the city. In that time I have heard not a word as to how the new Democratic

city officials intend to meet their responsibilities in any of the policies which they espoused before the November election. I cannot give my vote to the Democratic candidate for Chairman in these circumstances. If they had feasible and practical plans to attain the ends which are recited by Mr. Kane, I would feel like putting the crown of leadership upon one of their number. I would be glad to associate myself with them under leadership of their own choice if they had a comprehensive plan for the solution of the puzzles which confront this Council. I would do this notwithstanding the relative unexperience of the Democratic members. Because they show no definite plan for the government of the city, no feasible means for tackling the admitted obstacles to efficient government and lastly because they do not have among their number anyone with that knowledge of the details of the city government which Mr. Garland has, I intend to give my vote to him.

I wish to say to you my fellow councilmen and fellow-citizens that if an answer had been given me at any time between the election and now, in response to my demand for a plan of ways and means, I would now be voting for Mr. Huston.

Mr. Anderson moved

That the nominations close on the names of Mr. Huston and Mr. Garland.

Which motion prevailed.

And the result of the voting was as follows:—

For Robert Garland:—

Messrs.

Anderson	Magee
Garland	McArdle
	Soost

For John Huston:—

Messrs.

Demmler	Huston
Gallagher	Kane

And Mr. Robert Garland received five votes.

And Mr. John M. Huston received four votes.

And Mr. Robert Garland having received a majority of the votes of Coun-

cil, was declared duly elected President for the ensuing term.

The Chair (Mr. Clark) appointed Messrs. McArdle and Anderson a committee to escort the President-elect to the Chair.

And the Committee having performed the duty assigned it, presented Mr. Garland, who took and subscribed to the oath of office, which was administered by Robert Clark, City Clerk.

The Chair said:

Members of the Ninety-eighth Council—Ladies and Gentlemen:

I consider it a real honor to be elected as the presiding officer of this body, and I want to assure the members of Council and the people here present, that I shall endeavor to perform my duties impartially, and that each and every member of Council will receive the most courteous treatment from me at all times.

I am hoping that everything will go along harmoniously, and that whatever we accomplish will be for the best interests of the City at large.

We are living in peculiar times when all municipalities are beset with problems that have never confronted them heretofore. I feel sure that Council will handle these problems as best it can.

I do not look upon this Council as a Republican or Democratic body. Party lines may be drawn in State or National politics, but in the government of the City of Pittsburgh, partisanship should be thrown out of the window, and this, I believe, was the expression of the people whose representatives we are, at the November election. What we are here for is to transact the affairs of the City in a businesslike manner.

I take this opportunity, however, to welcome my new colleagues, and to assure them that so far as I am concerned, I will do my utmost to carry along with them in good fellowship, having an eye only to doing something constructive in the way of accomplishment for the general welfare of the community.

I noticed that one of our newspapers referred to this new Council as a Heterogeneous Council. Let us hope that through co-operation on the part

of all, it will become a Homogeneous body.

I take it that the new Councilmen at this time will want to thank their friends who have supported them in their candidacy, and that the hold-overs in Council may want to say a few words of greeting to this new colleagues.

I would like, at this time, without saying anything further, if the new councilmen want to say a few words, to express their appreciation for having been elected a member of Council. Please do not get into any political arguments. We will get lots of that later. This is not the time and place for it. There are representative citizens—all citizens of Pittsburgh—all voters of Pittsburgh—so let's have some order. We will do our scrapping in Council later. Let's try to be dignified. There will be, I think, an agreement on many things. We will fix this budget before a couple of weeks, and we will take up that matter of delinquent taxes, and when these both matters are taken care of, I am sure they will meet with the approval of a majority of the people of Pittsburgh. We are not unlike any other city in this country—they are all faced with practically the same problems as we are here in Pittsburgh. These matters will be argued and debated later by Council.

I will call upon Mr. Demmler.

Mr. Demmler arose and said:

Mr. President:—I would merely state that I thank those who gave me their support, and ask them to continue their support by their consultation and advice. I will serve the city as I promised before, to the best of my ability.

The Chair said:

Mr. Gallagher.

Mr. Gallagher arose and said:

Mr. President and Fellow-members of Council, Ladies and Friends:—I want to take this opportunity of thanking my friends who supported me, and I want to assure the citizens of Pittsburgh that I will carry on here as a member of Council just as I did in Harrisburg. I will look out for the interest of the people of Pittsburgh as far as my ability will permit me to do so.

I want to assure the people that I am not tied down to any political boss and that I am not tied down to any certain faction. My pledge was to the people of Pittsburgh, and I intend to try to keep it and carry it out.

The Chair said:

Mr. Huston.

Mr. Huston arose and said:

Mr. President, Members of Council and Friends:—I, like my predecessors, am going to pledge the best that is in me to the City of Pittsburgh.

In our campaign we pledged the people of Pittsburgh a new deal. We have been frustrated in our first move, but we are going through with the aid of those citizens of this city who backed us in our recent election; we are going to do what Mr. Kane said this morning. Any member of Council who stands in the way will be on the spot just as that man was this morning.

The Chair said:

Mr. Kane.

Mr. Kane arose and said:

Mr. Chairman, Members of Council, Ladies and Gentlemen:—Complying with the wishes of the Chairman, I will attempt to be dignified. I want to thank you, the citizens of Pittsburgh, for the vote you gave me, and I want to assure you that everything in that declaration of principles will be carried out as far as it is humanly possible to do.

I pledge again a continued fight against the racketeers. I am not concerned so much about the little racketeer in the numbers game as I am about the racketeer in the upper numbers game.

I have been a resident of this city all my life, and I know they have infested the halls of its city government, and I pledge myself, regardless of the consequences, to continue the fight against them in the City Hall as I started in the Legislature last January a year ago.

The Chair said:

Mr. Magee.

The Chair said:

Ladies and Gentlemen:—If there is another outbreak, we will have to clear

the chamber. We want you to be dignified and orderly. If any person has anything to say to this Council, let him come into Council later and he will be given every freedom. Let's be fair.

Mr. Magee arose and said:

Mr. President:—Nothing pleases me better than to see the expression of public opinion. The public is aroused now to a degree seldom seen. Improvement in the quality of city government is in sight.

When the public is interested in public affairs, you are bound to see greater attention given to the details of the public business. The operations of the city are numerous. It is like a great household. There are so many services that are performed for the people and there are so many more that are desired and demanded, but which cannot be executed because of the expense. It is the task of this Council to cut the suit according to the cloth. The public must be frankly told that many things demanded by various sections of the community and by various groups and interests are simply impossible because of the lack of financial ability on the part of the city. Then there are many limitations upon the powers of the municipality. Taxation is now very much to the fore. The powers of the City in regard to taxation are derived wholly from the Legislature. The physical, financial and legal limitations upon Pittsburgh very much narrow the scope of the relief which the new city government will be able to effectuate. All this should be frankly recognized by the new city officers from the moment they take their oath of office, as we have done today.

All this sounds very unwelcome to ears attuned to another note. I am on the same side of the question as Mr. Kane is, so far as the attainment of the objectives outlined in the Democratic platform which he read this morning. With all due respect to him, I claim to be somewhat ahead of him in the analysis of the problems which he presented today. A councilman can make a motion, follow it by a speech, thump the table, express a great deal of emotion, but he cannot in that off-hand manner reduce the tax rate or the street car fare, or compel the payment

of city taxes, or provide a municipal incineration plant, or eradicate slums.

I want to say to you again, and I ask you to remember that I am on the same side as he is so far as objectives go. I am willing to aid him in finding the ways to effectuate the purposes which he recites. My vote will be with his vote when the means of accomplishment are found.

The Chair said:

Mr. Anderson.

Mr. Anderson arose and said:

Mr. President:—I wish to welcome the new members of Council; and allow me to assure them that if there is anything that I can do to help them or advise them in regard to any matters that come before the Council, I will be glad to do so.

I have known most of these new members for a number of years and always had a friendly relationship with them. I think I know the ideas of Mr. Kane as well as any other member. I am saying this in a friendly manner. I have never been conceited enough to think that I knew more than any other member.

Mr. President, I feel in welcoming the new members, I should say a word about the passing of the old members of Council with whom I sat here for the last 14 years—Mayor Herron and the retiring members of Council. There is no man or woman in the City of Pittsburgh who has taken any interest in public affairs that wouldn't subscribe to what I am going to say. During all these fourteen years I have been in Council I have argued with the members of Council; I have differed with them, but it was always an honest difference and in all that time I have never had what you would call a quarrel with any member of the Council who has retired. I hope the same thing will be true of the new Council. We can have honest differences of opinion and still be friends and do those things which will be for the best interests of the City of Pittsburgh.

Again, I say I welcome the new members of Council and wish them a Happy New Year and all the success that goes with it.

The Chair said:

Mr. McArdle.

Mr. McArdle arose and said:

Mr. President:—I might satisfy myself by expressing the hope that the personal relationships and the official relationships of all the members of this body during the life of it, will be pleasant; that all of our efforts will be directed towards the development and consummation of constructive programs in the public interest.

I know personally for a long time at least three of the new members of Council. I know the other gentleman by what appears to be a very well deserved reputation, and I have the highest hopes that all of us can work in genuine accord for the advancement of the public interest. Let that profit who it may.

The Chair said:

Mr. Soost.

Mr. Soost arose and said:

Mr. President:—As the presiding officer of this body, I wish you and all the members all the success in the world.

The Chair at this time announced the appointment of Messrs. Anderson, Huston and McArdle as a Committee on Rules.

The Chair also announced the appointment of the following committee chairmen:—

Finance, Mr. McArdle;

Public Works, Mr. Kane;

Service and Surveys, Mr. Demmler;

Filtration and Water, Mr. Huston;

Parks and Libraries, Mr. Magee;

Public Safety, Mr. Soost;

Public Welfare, Mr. Gallagher;

Health and Sanitation, Mr. Anderson.

The Chair stated

That he would appoint to fill the vacancies on the Carnegie Institute Board of Trustees, Messrs. Gallagher, Kane, Magee and McArdle. And as members of the sub-committee on the Allegheny Carnegie Free Library, Messrs. Demmler, Magee and Soost.

Under the law, the Mayor-elect will be sworn in in the Council Chamber at 12 M.

Mr. McArdle moved

That Council recess until 11:45 o'clock, A. M.

Which motion prevailed.  
And Council recessed.

And the hour of 11:45 o'clock, A. M., having arrived, and the hour of the recess having expired, Council reconvened, and there were present:—

Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

The Chair appointed Messrs. Huston, Anderson and Kane as a committee to escort the Mayor-elect to the Council Chamber to subscribe to the oath of office.

And the Committee having retired, returned to the Council Chamber with Mayor-elect McNair, who was presented to Council by Mr. Huston.

The Chair presented

No. 2.

Commonwealth of Pennsylvania, } ss:  
County of Allegheny, }

I, John Vogt, Prothonotary of the Courts of Common Pleas in and for the County and State aforesaid, Do hereby certify that at an election held on the 7th day of November, A. D., 1933, William N. McNair having received 103,119 votes, was duly elected to the office of Mayor of the City of Pittsburgh, County and State aforesaid.

Witness my hand and the seal of said Court, the 26th day of December, 1933.

JOHN VOGT,  
Prothonotary.

Which was read, received and filed.

And Mayor McNair took and subscribed to the oath of office, which was administered to him by President Garland.

The Chair also presented

No. 3. Bond of Indemnity in the sum of \$25,000.00 with William N. McNair, Mayor of the City of Pittsburgh, as principal, and Royal Indemnity Company, a corporation of the State of New York, as Surety, conditioned for the faithful performance and discharge of all the duties of

Mayor of the City of Pittsburgh, dated December 28th, 1933.

Which was read.

Mr. Huston moved

That the bond be accepted and approved, subject to the approval of the Law Department.

Which motion prevailed.

The Chair said:

Ladies and Gentlemen:—It is with a great deal of pleasure and honor for me to present to you now the Mayor of the City of Pittsburgh. He is a very old friend of mine, of many years standing; also a neighbor. We vote in the same district—the 10th of the Eleventh ward.

I want to say to the Mayor that I promise now my support, as I know all the other members of Council will, in anything that will redound to the welfare of this community.

Without any further talk on my part, I would like his Honor, my friend, William N. McNair, to say a few words to this audience.

And Mayor McNair said:

Mr. President, Members of Council, Ladies and Gentlemen:

So much has been said publicly with reference to the finances of our City that I am loathe to again repeat the same statements; but this I find necessary because of the importance of our financial situation and the inability of our citizens to assume any greater tax burden than they now have. In order that my remarks may not be too technical, I will refer to the several facts which I have in mind in terms of round figures.

I find that aside from the money necessary for permanent improvements our City's current expenses for 1929 were \$25,200,000; in 1930 \$27,500,000; 1931 \$27,700,000; 1932 \$22,600,000, and for 1933 they will run about \$21,000,000.

With current collections for 1933 of less than \$20,000,000 we find a current cash deficit of over \$1,000,000 on 1933 alone. In addition to this previous deficits have not been taken care of, with the result that at this moment our current unpaid obligations will amount to almost \$3,000,000, all of which must be taken care of from the

collection of taxes or the reduction of expenses from now on. In other words, we start today with unpaid current obligations of almost \$3,000,000 together with the task of balancing our 1934 budget, which from its present status indicates a further deficit of about \$2,500,000. The budget requests for 1934 as presented by Mayor Herron call for \$21,445,000, while the collections for 1934 are estimated at about \$19,000,000. The drastic reduction in these revenues is not all due to the present economic conditions, because the assessed valuation of our taxable properties are today about \$100,000,000 less than they were for 1933; and this means about \$1,000,000 in lost revenues to the City.

We are also starting today with about \$15,000,000 of delinquent taxes and water rents upon our books; and of these figures about \$9,000,000 represent an abnormal increase due to the prevailing economic conditions and many other factors. While it will be possible to make certain collections during the coming year from these delinquent taxpayers, I feel that our problem in the administration of our City's affairs is more vital in the manner in which we control our expenditures for the services that our tax-payers demand and should have. I fully appreciate the vast importance of our police and fire protection, the service rendered by our Health and Welfare Departments, the many and necessary improvements made through our departments of Public Works, the importance of good and healthful water, and the providing of adequate park and recreational activities to our people; but we are at this moment confronted with a very serious problem of meeting a \$3,000,000 deficit of previous years and the balancing of a \$2,500,000 deficit in our 1934 budget. I have had the good fortune of being advised by my budget observer, Mrs. R. Templeton Smith and Mr. Conick and I can now see that many economies can be affected in the administration of our affairs without materially affecting the services heretofore rendered to our people; and I fully expect to avail myself of the advice and studies of my budget observer and with the full co-operation of the various Heads of the City Departments and the City Council, I hope to bring about a cur-

rent financial position so that we can enter succeeding years with a cash surplus.

Gentlemen:—

I send you the name of Dr. Ray P. Moyer, 1021 Portland street, Pittsburgh, Pa., as head of the Department of Public Health of the City of Pittsburgh, and request the confirmation of the same.

WM. N. McNAIR,  
Mayor.

January 1, 1934.

Which was read, received and filed.

Mr. Huston moved

That the appointment of Dr. Ray P. Moyer as Director of the Department of Public Health be approved and confirmed.

Mr. Magee arose and said:

Mr. Chairman:—I oppose the confirma-

tion of Dr. Moyer for the Director of Health on the ground that he is not technically qualified to deal with the affairs of that department. The Department of Health is devised for the purpose of concerning the public health, and the problem of conservation of the public health is a problem of preventive medicine. It is not a problem of constructive treatment of individuals, and Dr. Moyer, who is a capable physician, of good reputation, and would therefore have my support for some other public employment, cannot receive my support for the office that in my judgment he is not competent to fill.

Mayor McNair:

May I ask the member of Council, a question, Mr. Chairman?

Chairman Garland:

Yes, sir.

Mayor McNair:

Have you in mind an individual who has all those qualifications?

Mr. Magee:

I have in mind a number of individuals.

Mayor McNair:

One is enough.

Mr. Magee:

I would suggest John M. Rice.

Mayor McNair:

Where does he live?

Mr. Magee:

In the Eleventh Ward. He is a sanitary engineer.

Mayor McNair:

I want a doctor for this position. This is the Department of Health. I don't accept your suggestion. I want a doctor; is that all you have to say.

Mr. Magee:

I was speaking to the Chairman.

The Chair:

The gentleman is expressing an opinion on his vote.

Mr. McNair:

I submit Dr. Moyer's name for your approval or disapproval.

And the question recurring on the motion to approve and confirm the ap-

pointment of Dr. Ray P. Moyer as Director of the Department of Public Health.

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

And a majority of the votes of council being in the affirmative, the motion prevailed.

Hon. Wm. N. McNair said:

Is Leslie M. Johnston in the hall? (There was no response.)

Mayor McNair said:

I would ask a recess until tomorrow for further consideration of my appointments.

The Chair said:

There are no further communications from the Mayor, gentlemen. What is your pleasure as to the next meeting.

Mr. Anderson arose and said:

Mr. President:—If you are going to adjourn this meeting, you would have to take a recess.

The Chair said:

A motion to recess is in order, gentlemen. What is your pleasure?

Mr. McNair said:

Have the Clerk call Mr. Johnston out in the corridor?

(This was done, and there was no response.)

The Chair said:

If there are no objections on the part of Council, we will recess this meeting until 2:00 o'clock, P. M., on Tuesday, January 2, 1934.

Mr. McArdle said:

Mr. President:—In order to keep the record clear, I move that Council now recess until 2:00 o'clock, P. M., tomorrow afternoon.

Which motion prevailed.

And Council recessed.

Gentlemen:

I send you the name of Southard Hay, 5227 Westminister place, Pittsburgh, Pa., as head of the Department of Public Welfare of the City of Pittsburgh, and request the confirmation of the same.

WM. N. McNair,  
Mayor.

January 1, 1934.

Which was read, received and filed.

Mr. Gallagher presented

No. 12. Whereas, Hon. Wm. N. McNair, Mayor of the City of Pittsburgh, has certified to Council the nomination of Southard Hay as Director of the Department of Public Welfare for the ensuing term, which requires the approval of a majority of the members of Council; Now, therefore, be it

Resolved, By the Council of the City of Pittsburgh in regular session met, that the appointment of said Southard Hay as Director of the Department of Public Welfare of said City of Pittsburgh for the ensuing term, be and the same is hereby approved and confirmed.

Which was read.

Mr. Gallagher moved

The adoption of the resolution

Mr. Magee arose and said:

Mr. President: I have the honor of being acquainted with Mr. Hay, and I esteem him very highly as a citizen, as a man and as a business man, but I cannot vote for his confirmation for the office of the Director of the Department of Public Welfare for the same reasons as I gave yesterday in opposing the nomination of the nominee for the office of the Director of the Department of Public Health—that Mr. Hay lacks the technical qualifications that are necessary for the operation of this department.

The Department of Public Welfare has such a vast number and variety of public services to perform, and that for the kind of people who are weak, who are dependent, who are unaware of their rights, and of the procedure for obtaining the relief of the various sorts they need, that the officer who is put in charge of that function of the City

Government, should be one who is especially trained and experienced in the performance of those duties.

And I regret very much to say that my friend, Mr. Hay, notwithstanding that his character is good, his reputation is high, and his business experience has been broad, nevertheless it has not been in that field either by training or by experience, and therefore I am unable to cast my vote for him.

And the question recurring on the adoption of the resolution.

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	McArdle

Noes:—Mr. Magee.

Ayes 8. Noes 1.

And a majority of the votes of council being in the affirmative, the motion prevailed.

The Chair also presented

No. 13.

To the City Council of the City of Pittsburgh.

Gentlemen:

I send you the name of Leslie M. Johnston, 5050 Warwick terrace, Pittsburgh, Pa., as Director of the Department of Public Works of the City of Pittsburgh and request the confirmation of the same.

WM. N. McNair,  
Mayor.

January 1, 1934.

Which was read, received and filed.

Mr. Huston moved

That this appointment be laid over for further consultation with the Mayor.

Which motion was seconded by Mr. Kane.

Hon. Wm. N. McNair said:

Mr. President: I think that I have a right to vote on my recommendations. The duty of the Mayor is to recommend these names, and it is the duty of the Council to confirm or not confirm them.

Out of courtesy to me, I ask that these be voted upon immediately.

The Chair said:

Mr. Mayor, you do not mean to say that you have a right to vote on your recommendation. That is an error.

The Mayor said:

What I meant to say was, that I desire Council to take a vote on this appointment.

The Chair said:

The question before Council is, that this appointment be laid over for further consultation with the Mayor.

Mr. McArdle arose and said:

Mr. President: In order that the thing might proceed orderly, it comes before us on a resolution to endorse or confirm the appointment, and I would like to offer such a resolution, and while any delay that the Council might care to provide for, that can be done on a motion to delay further consideration of the resolution.

The Chair said:

The motion made by Mr. Huston is to delay consideration and action on this appointment for the present.

Mr. McArdle arose and said:

Mr. President: There is nothing before the body until it is presented in the fashion of a resolution for confirmation.

The Chair said:

The communication from the Mayor is before us, and we will take a vote on the motion to lay the appointment over for the present.

Mr. Kane arose and said:

Mr. President: Speaking on the motion to defer action, I would like to have a majority of Council vote for this motion for the purpose of discussing this appointment further with the Mayor. We have endeavored since 1:00 o'clock to confer with the Mayor for the purpose of discussing the appointment of Mr. Johnston, and through no fault of Mr. Johnston or the members of Council, we were unable to meet with the Mayor. In order to proceed properly we should defer action on this appointment.

The Chair said:

What do you mean by "members of Council"?

Mr. Kane said:

I mean the members of the Democratic bloc.

The Chair said:

That is different.

Mr. Anderson arose and said:

Mr. President: This is a pleasure that has not been afforded me in the last 14 years, and I don't know of anything that has happened in this Council that would afford me more pleasure than to vote for a man like Mr. Johnston. If you delay confirming him today, let me assure you that I will vote for him any time that his name is presented.

Mr. Magee arose and said:

Mr. President: I would like to know how much delay is asked for? I would feel free to vote for a reasonable amount of delay.

Hon. Wm. N. McNair said:

Mr. President. I cannot see how I can confer with anybody except the members of Council.

The Chair said:

You believe in a united Council.

Mr. Anderson arose and said:

Mr. President: I am, therefore, ready to vote now.

Mr. Magee arose and said:

If the motion is amended to read, that the delay shall be for a reasonable time, and the maker of the motion will state the time, I will vote for the motion.

Mr. Huston arose and said:

Mr. President: Will a recess until 2:00 o'clock tomorrow afternoon be agreeable to the gentleman?

Mr. Magee arose and said:

That is a reasonable time.

Mr. Huston arose and said:

Mr. President: I move to amend the motion that Council recess until 2:00 o'clock on Wednesday, January 3, 1934, to take further action on the Mayor's appointment.

Hon. Wm. N. McNair said:

Mr. President: I desire to state that there will be no conference.

Mr. Gallagher arose and said:

Mr. President: I have no objection to the recommendation of the Mayor, but I do like to know when I am voting to confirm somebody who the man is that was selected. I was not consulted when these names were selected, and I think I have a right to be present at a conference with the Mayor.

Mr. Anderson arose and said:

Mr. President: Allow me at this time to say that I don't know that I have ever spoken to Mr. Johnston about his appointment. I am here as a member of Council to help the Mayor. I realize and appreciate the position that the Mayor is in. I am ready to do all I can to help him.

As far as the conference is concerned, and as far as the different members of Council are concerned, I was not consulted about appointments.

I know this gentleman and know he is making a sacrifice to take a position of this kind.

No question was raised in regard to other appointments. I don't know why we would call a conference on Mr. Johnston.

I don't know what the thought of the Mayor is in regard to the other nominations to be sent to Council, but I will say this very honestly that the Mayor and the people of the City of Pittsburgh should be congratulated in securing the services of a man like Mr. Johnston. I know that the different recommendations that have been made to this Council in the past have not always met with the approval of the people of the City of Pittsburgh. The most outstanding character that I know of in public life—a man who has taken an interest in public affairs—is the gentleman whose name the Mayor has submitted to Council for confirmation as Director of the Department of Public Works. I don't know a reason at all why you should think of delaying the confirmation of a man, who not only the Council knows, but every man and woman in the City of Pittsburgh knows; who has taken such an interest in public affairs and in our government, and who has always worked for better government.

I have no other thought about it. I have not spoken in months to the gentleman who has been nominated. I

have not spoken to the Mayor; I don't know whether he knows me.

I am going to vote for the man whose name is submitted here. I am going along with the recommendation of the Mayor. There is not going to be a political or social division in Council as far as I am concerned. We are here to help the people of Pittsburgh. I think the man who has been nominated for this position is going to do that, and I think the Council would make a grave mistake in refusing to confirm his appointment. I am not going to vote for the delay; I am going to vote against the motion that the gentleman made. I am ready to vote on any appointments that the Mayor sends in.

Mr. Kane arose and said:

Mr. President: My friend, Mr. Anderson, says that he knows what Council knows about this. He may know what the Council knows, but he doesn't know what I know on anything. When he arises on the floor of this body, let him speak for himself. I am here for the interests of the people of Pittsburgh just as much as is Mr. Anderson or any other member of this Council. And I am compelled to make a statement that I hesitated to make, because I object to the manner in which some of these selections were made.

There is nothing personal between Mr. Johnston and me. Mr. Anderson may know Mr. Johnston. The members of this Council may know Mr. Johnston. I met Mr. Johnston on two occasions, and I want to talk this matter over further as to how this appointment was made. I hesitate to say anything that might cast any reflection on the character of Mr. Johnston, but I certainly do not approve of the manner in which the selection was made, and the conference was held because I came into this body as a representative of the plain people. And I am not going to be satisfied with conferences held in the Duquesne Club and the sanctuaries of the rich.

I do not question the ability of Mr. Johnston, but I question the politics that is back of his appointment and the attempt to place the nomination before us.

We are not fighting the confirmation

of Mr. Johnston, but another appointment which, if made, would be an attempt by one rich man to take over the control of affairs, replacing another rich man that the people defeated on November 7th.

And for that reason, in order to make it better for Mr. Johnston, I as asking this Council to give us a chance to talk this matter over in executive session with the entire Council, or the Democratic group in the Council; and for that reason I ask delay on this confirmation.

Mr. Anderson arose and said:

Mr. President: The gentleman referred to me. I have this to say. It is a question of personal privilege that I arise.

In regard to the other names that have been submitted to the Council, I do not know why you would oppose a man like Mr. Johnston. I do not know whether the Democratic group in Council—and I wish to apologize for that—as far as I am concerned, there are no groups here. I say that individually. Perhaps I did some of the things that the Democrats are doing at this time. Perhaps I am voting for Democrats today. I do not question the confirmation of the Mayor's appointments whether they are Democrats or Republicans. I think the Mayor has selected men who were going to serve the people of Pittsburgh.

If we are going to have a conference with the Mayor about this thing, certainly we should all be consulted. If it is just the Democrat group that wants this or that, we may as well retire.

I say this in all honesty that I am not going over to the Mayor's office and rap on his door and insist upon the things that I want. I have been in this Council for many years and we have an ex-Mayor here, and for years I was never in his office, and for eight years I was not allowed in Mayor Kline's office.

It does not make any difference what you do, if you work for the interests of the people.

If you want delay here, there should be a good reason. Whether the rich man or the poor man gets service, we are all the same.

Mr. Kane said:

Rich or poor?

Mr. Anderson continued:

Positively, we are all the same. Some are more fortunate in life than others. We are very fortunate to have rich men in Pittsburgh to provide for the poor men. Surely they don't expect men like Johnny Kane and me to supply food and homes for the poor. They must take it from those who have it.

I believe in saying to the people who are gathered here today, some of whom perhaps only come once in four years, not to abuse any individual because, if he were dead, we all should wish him well. Flowers to the living. We should help people who want to do right.

This position as a councilman does not mean anything. When we leave here, we are out. It is the same thing in any walk of life.

Therefore, I cannot see why any further delay should take place in confirming the appointment of Mr. Johnston.

Mr. Kane arose and said:

Mr. President: Again I have to arise to answer Mr. Anderson. I get a great deal of amusement out of men going before the people and saying there is no politics in City Council. I heard the statement made yesterday that we were here and that we were neither Republicans nor Democrats. I can picture the week before election what the men said who now say there are no politics in City Council. They were going up and down the City of Pittsburgh and saying to you that unless the Republican Party controlled Pittsburgh, you were going to have chaos in Pittsburgh.

Insofar as this legislative body is concerned, there was no Democrat in it; we never had representative government. Democratic taxpayers, who are compelled to pay for the cost of government and who believe in their policies and principles, are not getting consideration because they do not belong to the majority party. I voted the Democratic ticket as a matter of principle, and I say the Democrats were with me when there was only 5,000 in Pittsburgh. They paid their taxes and were compelled to pay them, and they never had representation in this body.

Let the men get this in their mind: You cannot fool the people. On November 7th, they were awakened to

that fact. The people gave a mandate to the Democratic Party.

We know in Harrisburg that the people were alive to the fact of what happened in Pennsylvania. The reactionary forces are still alive, but the Democratic party is still following the dictates of their leaders. Fossil ideas of 25 or 30 years ago must go. Let me suggest that the men in public life must give an answer to the people of Pittsburgh. As a member of the Democratic Party and as a representative of the people, we are going to attempt, regardless of the ridicule of opposing factions, to carry out the principles for which our party stands.

For that purpose I am agreeing to the motion to ask for delay, because we desire as Democratic members of this group to get together for the purpose of working out a satisfactory arrangement to put the machinery of the government in a smooth, working condition for the interest of the people who have elected us.

And the question recurring on the motion to lay over the appointment of Leslie M. Johnston as Director of the Department of Public Works until Wednesday at 2 P. M.

The ayes and noes were ordered taken, and being taken, were:

Ayes:—Messrs.

Demmler	Kane
Gallagher	Magee
Huston	Soost

Noes:—Messrs.

Anderson	McArdle
	Garland, (Pres't)

When the name of Mr. Soost was called, he arose and said:

Mr. President: I would like to say a word at this time. I intend to vote for Mr. Johnston's confirmation, but I am voting on this motion in deference to my Democratic colleagues.

Ayes 6. Noes 3.

And a majority of the votes being in the affirmative, the motion prevailed.

Mr. Huston moved

That Council recess until Wednesday, January 3rd, 1934, at 2 o'clock, P. M.

Mr. Anderson arose and said:

Mr. President: I would like to ask the Mayor, through the Chair, if he

would be willing to fill out his program at that time?

Hon. Wm. N. McNair said:

Mr. President: I am ready now. I have just made a proposal to Mr. Kane and if he agrees, we can go ahead.

Mr. Kane arose and said:

Mr. President: He made a proposal to me, which I did not agree to.

Mr. McArdle arose and said:

Mr. President: Wouldn't it be well that we should ask and notify the Mayor that we will meet in recessed session tomorrow afternoon to consider such communications, after the disposition of the one that is now before us, with the expectation of adjourning the Council for the rest of this week?

I am saying that for this reason. This procedure has been rather out of the ordinary. I would take it that the ordinary procedure would have been to have these communications placed in the hands of the President or Clerk of Council and disposed of as business originating in Council in the ordinary fashion. I want, if possible, to provide against a continuation of the reception of papers in the manner in which they were received today and the receiving for purposes that are entirely out of the purview of this Council acting in its official capacity.

Mr. McArdle moved

That Council recess until Wednesday, January 3, 1934, at 2 o'clock, P. M.

Mr. Soost arose and said:

If that is the motion of Mr. McArdle, I second it.

Mr. Magee arose and said:

Mr. President: In support of Mr. McArdle's motion, I would like to say it would be advisable if the government were organized as speedily as possible. We are spending money at the rate of the budget of last year. The Council should get down to business and reconsider the budget of the last Council. This should be done as speedily as possible so that the new Directors will know what appropriations are at their disposal.

And the question recurring on the motion to recess until Wednesday, January 3rd, 1934, at 2 o'clock, P. M.

The motion prevailed.

And Council recessed.

#### UNFINISHED BUSINESS

The Chair took up

Bill No. 13. Communication from the Mayor appointing Leslie M. Johnston as Director of the Department of Public Works.

In Council, January 2nd, 1934, Read, received and filed, and approval of appointment laid over until January 3rd, 1934, at 2 o'clock, P. M.

Which was read.

Mr. Huston presented

No. 14. WHEREAS, Hon. Wm. N. McNair, Mayor of the City of Pitts-

burgh, has certified to Council the nomination of Leslie M. Johnston as Director of the Department of Public Works for the ensuing term, which requires the approval of a majority of the members of Council; Now, therefore, be it

RESOLVED, By the Council of the City of Pittsburgh in regular session met, That the appointment of said Leslie M. Johnston as Director of the Department of Public Works of said City of Pittsburgh for the ensuing term, be and the same is hereby approved and confirmed.

Which was read.

Mr. Huston moved

The adoption of the resolution.

Mr. Kane arose and said:

Mr. President: Yesterday when we asked that action be deferred on the confirmation of Mr. Johnston, we did it for the purpose of discussing with the Mayor and Mr. Johnston certain matters that would satisfy at least the Democratic members as to how he would conduct the Department of Public Works—not with the idea, as it was attempted to put forward yesterday, for the purpose of discussing patronage.

The Democratic Party and the Democratic members of Council came before the people asking for their support at the last election, and we are here today to state, for the record, that we are more interested in seeing that these various departments are conducted in the interest and services of the taxpayers than we are in discussing patronage.

We were unable to meet with the Mayor, and we were unable to meet with Mr. Johnston, but in order to get the machinery of the government in operation as speedily as possible, we withdraw any objections we had.

And the question recurring on the adoption of the resolution.

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson

Demmler

Gallagher

Huston

Kane

Magee

McArdle

Soost

Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of council being in the affirmative, the motion prevailed.

Mr. McArdle moved

That Council adjourn to meet at the call of the Chair.

Which motion prevailed.

And Council adjourned.

#### PRESENTATIONS

Mr. Anderson presented  
No. 15.

Pittsburgh, Pa.,

January 6, 1934.

President and Members of Council  
of the City of Pittsburgh.

Gentlemen:

Your special Committee on Rules respectfully reports that it recommends the adoption of the rules of the preceding Council to be the rules of this Council.

Yours respectfully,

P. J. McARDLE,

JOHN M. HUSTON,

CHARLES ANDERSON,

Chairman.

Which was read.

Mr. Anderson moved the adoption of the report.

Which motion prevailed.

Also

No. 16. Remonstrance of citizens of the Borough of Rosslyn Farms, Collier Township, against the disposal and incineration of garbage and rubbish collected from that section of the City of Pittsburgh known as the North Side.

Also

No. 17. Report of the Department of Public Health showing the amount of rubbish and garbage removed during the third week of December, 1933.

Also

No. 18. Report of the Department of Public Health showing the

amount of rubbish and garbage removed during the fourth week of December, 1933.

Also

No. 19. Report of the Department of Public Health showing the amount of rubbish and garbage removed during the month of December, 1933.

Which were severally read and referred to the Committee on Health and Sanitation.

Mr. Demmler presented

No. 20. Resolution declaring the 1934 Budget reopened and returned to the Finance Committee of the new council for further reconsideration of any or all items contained in said Budget.

Which was read.

Mr. Demmler moved

That the resolution be referred to the Committee on Finance.

Which motion prevailed.

Mr. Magee arose and said:

Mr. President:—The resolution just read and presented is not in proper form. What must be done, is to reconsider the appropriation ordinance.

The Chair said:

Unless you want to take it up in the Finance Committee tomorrow and amend it in the proper manner.

Mr. Magee said:

I suggest that it be amended before it is introduced, so that nobody can question its legality when it is finally adopted.

The Chair said:

It can be amended by merely inserting the words "appropriation and salary ordinances." Will the author of the resolution make such a motion?

Mr. Demmler arose and said:

Mr. President:—That is agreeable to me.

The Chair said:

If there are no objections, the Clerk will do that.

Mr. Magee said:

You are amending the appropriation ordinance.

Mr. McArdle arose and said:

Mr. President:—There, of course, will be no reconsideration of the bill as passed; it is beyond the point of reconsideration. The subject-matter is entirely in the hands of the Council, and to add what Mr. Magee and the mover of the motion desire, is to get a bill before us both for salaries and appropriations which would be amendments to the existing bill, skeleton in form and to be amended by action of the Finance Committee.

The Chair said:

Gentlemen:—That will be the proper procedure. If the gentleman will allow me to suggest, that will be done by the clerk framing such a skeleton bill, so that it can be taken up in the Finance Committee during the week. If there are no objections, the Clerk will prepare the necessary ordinances for introduction in Council today.

Mr. Demmler also presented

No. 21. An Ordinance vacating a strip of ground one foot in width along the southerly side of Drexel road between Cliffview road and St. Albans street, in the 27th ward of the City of Pittsburgh.

Also

No. 22. An Ordinance designating names for the unnamed streets, thoroughfares, and alleys, laid out in various plans of lots, and partition plan, in the Twenty-sixth ward of the City of Pittsburgh (formerly a portion of Reserve Township).

Also

Which were severally read and referred to the Committee on Public Service and Surveys.

Mr. Gallagher presented

No. 25. An Ordinance providing for the letting of a contract or contracts for Burials and Ambulance Hire for the year 1934, for the Department of Public Welfare, City of Pittsburgh, and charging same to Code Account 1308, Quarantine Relief and Burials.

Which was read and referred to the Committee on Public Welfare.

Also

No. 26. Resolution directing the City Solicitor to file and prosecute a complaint before the Public Service Commission of Pennsylvania in the matter of the service rendered and the rates charged in the City of Pittsburgh for motor-bus transportation.

Also

No. 27. Resolution directing the City Solicitor to file and prosecute a complaint before the Public Service Commission of Pennsylvania in the matter of the service rendered and the rates charged in the City of Pittsburgh for taxi-cab transportation.

Which were read and referred to the Committee on Finance.

Mr. Huston presented

No. 28. Resolution directing the City Solicitor, City Treasurer and City Controller to discuss with possible bidders a proposed bond issue in the amount of                Dollars, said bonds to be issued against the outstanding delinquent taxes due the City of Pittsburgh; and providing that if, as a result of such conferences, the City Solicitor, City Treasurer and City Controller are of the opinion that such a proposed issue of delinquent tax bonds is advisable and practical, that they make recommendations as to maturity, interest rate and terms and conditions of sale of said proposed bond issue.

Also

No. 29. Resolution directing the Director of the Department of Public Health to select and option suitable sites and prepare plans for the construction by the City of Pittsburgh of a sufficient number of plants as will adequately dispose of all the city's garbage and rubbish, said plans to be transmitted to this Council on or before May 1, 1934.

Which were read and referred to the Committee on Finance.

Mr. Kane presented

No. 30. An Ordinance supplementing an Ordinance entitled, "An Ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses and regulating and limiting the height and bulk of buildings hereafter erected or altered, and regulating and determining the area of yards, courts and other open spaces in connection with buildings hereafter erected or altered, and establishing the boundaries of districts for the said purposes; conferring certain powers upon the Superintendent of the Bureau of Building Inspection; providing for a Board of Appeals; and imposing penalties," approved August 9, 1923, by extending the Zone Map so as to include that portion of the Twenty-sixth Ward, formerly Reserve Township, as shown on the attached map.

Also

No. 31. Petition for the grading, paving and curbing of Adon street, from Kelvin street to Chartiers avenue, as recommended under Scheme "A" by the Department of Public Works.

Also

No. 32. An Ordinance authorizing and directing the grading to certain widths, paving and curbing of Adon street, from Kelvin street to Chartiers avenue, including, as may be necessary, the grading of approaches on streets affected thereby and sinking of exploratory test holes; letting a contract or contracts therefor, and providing that the costs, damages and expenses of the same be assessed against and collected from property specially benefited thereby, and providing, further, for the payment of the City's share thereof.

Also

No. 33. Petition for filling in of a deep hole in the roadway at the corner of Webster avenue and Francis street.

Also

No. 34. An Ordinance amending an Ordinance entitled, "An Ordinance regulating and restricting the location of trades and industries and the

location of buildings designed for specified uses and regulating and limiting the height and bulk of buildings hereafter erected or altered, and regulating and determining the area of yards, courts and other open spaces in connection with buildings hereafter erected or altered, and establishing the boundaries of districts for the said purposes; conferring certain powers upon the Superintendent of the Bureau of Building Inspection; providing for a Board of Appeals; and imposing penalties," approved August 9, 1923, and supplements thereto, by changing the Zone Map, Twenty-ninth Ward, formerly Carrick Borough, so as to change from an "A" Residence Use District to a Commercial Use District, all that certain property at the northwesterly corner of Brownsville road and Meyers avenue West, having a frontage of 103.00 feet on Meyers avenue West and 150.00 feet on Brownsville road, extending along Brownsville Road from Meyers avenue West to the property of St. Adelberth's Cemetery.

Which were severally read and referred to the Committee on Public Works.

Also

No. 35. Resolution requesting the President of Council to name a committee of five members to call upon the President of the Public Works Emergency Housing Corporation at Washington, D. C., in an endeavor to have that organization undertake a program of slum elimination and modern housing in the City of Pittsburgh.

Which was read and referred to the Committee on Finance.

Mr. Magee arose and said:

Mr. President:—In connection with this bill, with which I agree, I would like to inform the members of Council, if they don't know it, that the head of the Housing Corporation, Mr. Robert D. Kohn, will be in Pittsburgh on Friday of this week, and my suggestion would be not to take action on this until Council or some committee could confer with him.

The Chair said:

About going to Washington?

Mr. Magee said:

A conference with him as to what aid can be given the City of Pittsburgh

and how Pittsburgh might proceed to get some of the funds that are available under the Housing Corporation. There are \$300,000,000 allotted to that corporation, and Mr. Kohn is the head of it, and will be here on Friday, and I think it would be advisable to confer with him. The measure is too general.

The Chair said:

The resolution is to go to the Committee for discussion tomorrow, and at that time we can decide upon what action to take.

Mr. Kane arose and said:

Mr. President:—I was going to make the same kind of a statement just made by Mr. Magee. I learned just prior to coming into Council that Mr. Kohn will be in Pittsburgh on Friday. It will be satisfactory if a committee, or the entire Council, would confer with Mr. Kohn on the subject-matter of the resolution.

The Chair said:

I think we can get him in conference. If you don't mind, we will allow this to go over until tomorrow when action can be decided upon.

Mr. Kane said:

With the understanding, Mr. President, that we will meet with Mr. Kohn on Friday.

The Chair said:

Will you arrange the meeting with Mr. Kohn?

Mr. Kane said:

Yes, sir.

Mr. Kane also presented

No. 36.

WHEREAS, Due to overcapitalization and resulting unreasonably high fixed charges, poor service rendered and high fare schedules, the Pittsburgh Railways Company is now insolvent; and,

WHEREAS, No improvement in the service or reduction of fare can be expected so long as such unjustified capitalization and high interest rates are maintained; Therefore, be it

RESOLVED, That the President of the Pittsburgh Railways Company be and is hereby requested to report to this Council within thirty days hereof:—

(A) What, if any, plans are being considered by the Pittsburgh Railways Company relative to a reduction of the fixed interest and other overhead charges to such a figure as will permit the efficient, satisfactory and successful operation of the local street car system.

(B) What, if any, plans for the improvement of the service and reduction of fare are being considered and when such plans will be put into effect.

Which was read and referred to the Committee on Public Service and Surveys.

Mr. McArdle presented

No. 37. An Ordinance authorizing the issuing of a warrant in favor of the Tri-State Printing Co., in the sum of \$272.90 for overtime work in printing files of the Salary and Appropriation Ordinance for the use of Council.

Also

Also

No. 40. An Ordinance authorizing the execution of an Agreement with the Monongahela Connecting Railroad Company for a license for a forty-eight inch (48") diameter sewer across the right-of-way of said Railroad Company on the line of South Twenty-fourth Street Extended, to the Monongahela River in the Sixteenth Ward of the City of Pittsburgh, Pennsylvania.

Also

No. 41. An Ordinance authorizing the execution of an Agreement with the Pittsburgh & Lake Erie Railroad

Company for a license for a forty-eight inch (48") diameter sewer across the right-of-way of said Railroad Company on the line of South Twenty-fourth Street Extended, to the Monongahela River in the Sixteenth Ward of the City of Pittsburgh, Pennsylvania.

Also

No. 42. An Ordinance authorizing the issuing of warrants in favor of H. H. Milroy, Burkley Produce Co., Iron City Produce Co. Inc., I. Robbins & Son, I. W. Scott Co., Joseph Woodwell Co., and Ralph W. Hamilton, for furnishing materials and supplies for Christmas tree erected in the rotunda of the City-County Building, and charging same to Code Account No. 42, Contingent Fund.

Also

No. 43. Resolution authorizing the issuing of a warrant in favor of Eleanore Wagner and Walter J. Wagner, her husband, 4645 Sylvan avenue, City, in the sum of \$125.00, in full settlement of their claim against the City of Pittsburgh for personal injuries sustained by Mrs. Wagner on June 10, 1933, on the Nansen street steps, City, and charging same to Code Account No. 42, Contingent Fund.

Also

No. 44. Resolution authorizing the Collector of Delinquent Taxes to accept \$50.00 in full payment of water rents for the year 1927 charged against Edward Reith as owner of property on Ruthven street, between Herron and Jewell streets, Pittsburgh, and to issue a certificate requesting the Prothonotary to enter upon the record full satisfaction of the lien filed at No. 694 January Term, 1931, Delinquent Tax Docket, against Edward Reith, owner and Paul and Joseph Kovacich, registered owner, and charging the costs to the City of Pittsburgh.

Also

No. 45. Resolution authorizing the issuing of a warrant in favor of the Home of the Good Shepherd, Troy Hill, City, in the sum of \$24,307.20, covering the period from January 1, 1924, to October 1, 1932, segregated by years, for the girls' board at 80c per day, due from the City of Pittsburgh; also a warrant in the sum of \$13,481.60,

covering Board for the girls from Allegheny County outside of the City of Pittsburgh who were committed to the Home of the Good Shepherd through the Morals Court, and charging the same to Code Account No.

Also

No. 46. Resolution authorizing and directing the City Controller to transfer \$2,427.54 from Code Account 1553, Special Engineering Expenses, to Code Account 1554, Unemployment Contingencies, and authorizing the issuing of warrants drawn on said funds for the payment of said contingencies.

Also

No. 47. An Ordinance amending and supplementing an Ordinance entitled, "An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh and the rate of compensation thereof," approved December 31, 1932, and the several amendments thereof and supplements thereto.

Also

No. 48. An Ordinance amending an Ordinance entitled, "An Ordinance making appropriations to pay the expenses of conducting public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year beginning January 1st, 1934," approved December 30, 1933.

Which were severally read and referred to the Committee on Finance.

Mr. Soost presented

No. 49. An Ordinance prohibiting the crying of goods, wares or merchandise, including newspapers, on the streets, lanes, ways or highways in the residential sections of the City after 10:00 P. M. and before 8:00 A. M. on weekdays and/or after 10:00 P. M. and before 10:00 A. M. on Sundays.

Also

No. 50. An Ordinance providing for the letting of a contract or contracts for inspecting, adjusting, repairing and replacing all defective parts and inspecting, adjusting and maintaining all parts of the Police Radio Station known as WPDU, located in No. 9 Police Station, Virginia avenue and Shiloh street, and the 40 Receiving Sets now installed in automobiles and motor-

cycles of the Bureau of Police and other associated equipment that may be installed for the year ending December 31, 1934.

Also

No. 51. An Ordinance providing for the letting of a contract for Laundry Service and furnishing of all necessary linens for the Department of Public Safety and its several Bureaus and Divisions for the year ending December 31, 1934.

Also

No. 52. An Ordinance providing for the letting of a contract for furnishing Telephone Service to the City of Pittsburgh and the maintenance of the Telephone Typewriter System in service in various offices and police stations of the Bureau of Police, for the year ending December 31, 1934.

Which were severally read and referred to the Committee on Public Safety.

Also

No. 53. An Ordinance amending an Ordinance entitled, "An Ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses and regulating and limiting the height and bulk of buildings hereafter erected or altered, and regulating and determining the area of yards, courts and other open spaces in connection with buildings hereafter erected or altered, and establishing the boundaries of districts for the said purposes; conferring certain powers upon the Superintendent of the Bureau of Building Inspection; providing for a Board of Appeals; and imposing penalties," approved August 9, 1923, by changing the Zone Map, Sheet Z-N10-E30, so as to change from an "A" Residence Use District to a Commercial Use District, all that certain property bounded by Meadow street, Victor way, a line parallel with and 100 feet east of Meadow street and Lowell street.

Which was read and referred to the Committee on Public Works.

The Chair presented

#### CITY OF PITTSBURGH

Department of Law

January 2, 1934.

To the Honorable,

The Council of the City of Pittsburgh.

Gentlemen:

Pursuant to the terms and provisions of an Ordinance entitled:

"An Ordinance fixing the salaries of the Director of the Department of Public Safety, of the Director of the Department of Public Works, and of the City Solicitor, at Eight Thousand Dollars (\$8,000.00) per annum each, on and after the first Monday of January, 1914."

approved December 2, 1913, I send you herewith Assignment of Docket Fees to the City of Pittsburgh, duly executed. Also be advised that I have this day transmitted to His Honor, the Mayor, the City Controller and Prothonotary of Allegheny County executed copies of said Assignment.

Respectfully yours,

CORNELIUS D. SCULLY,  
City Solicitor.

#### ASSIGNMENT OF DOCKET FEES TO THE CITY OF PITTSBURG BY THE CITY SOLICITOR

WHEREAS, An Ordinance entitled, "An Ordinance fixing the salaries of the Director of the Department of Public Safety, of the Director of the Department of Public Works, and of the City Solicitor, at Eight Thousand Dollars (\$8,000.00) per annum each, on and after the first Monday of January, 1914, was approved December 2, 1913; and,

WHEREAS, The undersigned has qualified and been appointed City Solicitor of the City of Pittsburgh: now, therefore, in accordance with the provisions

of said Ordinance, I hereby agree to and do assign to the City of Pittsburgh all Docket Fees, or compensation other than the said salary which may come to me, or be received by me as City Solicitor of the City of Pittsburgh, and particularly all Docket Fees which may accrue subsequent to January 1, 1934, in any case in which the City of Pittsburgh is a party and which by virtue of any Act of Assembly, or otherwise, would belong to me as Attorney or as Solicitor for the City of Pittsburgh.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this second day of January, A. D. 1934.

CORNELIUS D. SCULLY (Seal)

Witness:

S. K. BENNETT.

Which was read, received and filed, and ordered printed in full in the record.

And on motion of Mr. Soost,

Council adjourned.

#### DEPARTMENT OF ASSESSORS

Pittsburgh, Pa.,

January 22, 1934.

Finance Committee,  
City Council.

Gentlemen:

In response to the request of the Committee on Finance under date of

January 18th, 1934, I respectfully submit the following report of assessed valuations on land and buildings upon which the billing of taxes was based:

Land valuations ----- \$ 566,584,170  
Building valuation ---- 614,224,490

Total ----- \$1,180,808,660

May I state in this connection that these totals as reported do not take into consideration any exonerations that have been granted or that may hereafter be granted by the Board of Assessors acting as a Board of Revision on appeals now under consideration, which number approximately 4400 cases with the probability of the action of the Board of Revision being followed by court cases. It is impossible at this time to give any accurate estimate of the amount that will necessarily be deducted as a result of action on these appeals.

Respectfully yours,

P. R. WILLIAMS,

Chief Assessor.

Members of City Council.

Gentlemen:

I have the honor to inform you that I have appointed, subject to your approval, Mr. William E. Schoyer, 5529 Dunmoyle street, as a member of the Traction Conference Board, vice, W. Edgar Reed, 5101 Fifth avenue, removed, and ask for your prompt confirmation of this appointment.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Which was read.

Mr. Magee moved

That the communication be referred to the Committee on Public Service and Surveys, in order to ascertain whether the appointment complied with the provisions of the contract providing for the appointment of the Traction Conference Board.

Which motion prevailed.

No. 185.

Pittsburgh, Pa.,

January 22nd, 1934.

The Honorable, The Council,

City of Pittsburgh.

Dear Sirs:—

I submit herewith a report on the fiscal affairs of the City of Pittsburgh prepared under my direction. The data herein compiled is the result of careful study and thorough investigation. The suggestions which are made and the recommendations contained herein should receive serious consideration of the Members of Council.

I am indebted to Mrs. R. Templeton Smith, a competent observer of City affairs, and to Mr. M. C. Conick of Main and Company, a certified public accountant, of extensive experience in municipal government, for their volunteer assistance to me in the preparation of this report.

There is little doubt, if any, as to the seriousness of the economic condition through which we are now passing, and the terrific burdens that have been placed upon the tax payers of our City. The citizens of this Municipality expect us to run the City as economically as is possible without seriously hampering the services to which they

are entitled. For this reason our Budget for 1934 must balance, and we must find the necessary funds during this year to meet the deficit of some \$2,-600,000 which we inherited from the former administration.

If it is the intention of Council to enact laws that will create further revenue to the City, I do not believe that this added income should be used for the purpose of balancing the Budget and if received it should be used for the purpose of relieving to that extent the present tax burdens upon real estate and buildings.

I notice from my study of the Budget that appropriations for wages of skilled workers is requested at the prevailing current union wage scale, some of which are as high as \$12.50 per day. I request that you give serious consideration to this wage scale and suggest that a uniform rate per day of \$7.00 be established for all skilled workers employed by the City during this year, whose present rate is in excess of this amount.

I further suggest that you give consideration to a flat reduction of 5% of the salaries of all persons employed by the City on a salary basis.

I have been giving serious thought to the mounting costs of the Bureau of Fire and to the political entanglements of its personnel. As you know all employees in this Bureau are on a salary basis. From my study of fire protection here and in other cities, I am firmly in accord with the principle of the employment of volunteer firemen. While I do not favor the same in our congested business areas, I believe it to be practical and worthy of your consideration for adoption in the outlying districts where the fire problems are not so great and particularly since that system was successfully employed by those districts before they were annexed to our City. I believe other districts adjacent to our City would desire annexation if the volunteer firemen were permitted to continue to function as heretofore.

The complete rejection by the voters of the methods of governing this City employed by prior administrations as evidenced by the last election places a grave responsibility on us. We must be prepared to fulfill our pledges to

the citizens who elected us and convincingly show that the new administration can, by proper economy and honest, efficient effort, provide the citizens of Pittsburgh with a government which they have long demanded and which they deserve. Only through the sincere efforts of the Mayor, his department heads, and City Council working harmoniously can this be accomplished.

Very truly yours,

WM. N. McNAIR,

Mayor.

Which were read and referred to the Committee on Finance.

No. 187.

To the City Council of the City of Pittsburgh.

Gentlemen:—

I send you the name of James F. Malone, 3215 Iowa street, Pittsburgh, Pa., as Director of the Department of Public Safety of the City of Pittsburgh and request the confirmation of the same.

WM. N. McNAIR,

Mayor.

January 1, 1934.

Which was read, received and filed.

Mr. Anderson moved

That the appointment of James F. Malone as Director of the Department of Public Safety be approved and confirmed.

Mr. Anderson said:

Mr. President:—I feel that it is not alone a pleasure to vote for Mr. Malone; but I feel that, after careful consideration, the Mayor has submitted the name of Mr. Malone, feeling that he can perform the duties of the Director of the Department of Public Safety in a manner that will be satisfactory to the Mayor and also be a credit to the City of Pittsburgh.

I think the Mayor should be congratulated on his selection.

Mr. Malone has been in public life for many, many years. He has had experience that few men have. There is no question about the ability of the gentleman. I have seen him perform as a Director of another department. I have seen him act as a member of Council and also as the President of this Council.

A realize fully the importance of this position—the Director of the Department of Public Safety. The importance of the position is second to none in the city; for the most essential part of any government is the protection of life and property; and surely the Council should not hesitate in voting on the name of the man that the Mayor has submitted. There is no question in my mind about the honesty and sincerity in the Mayor nominating Mr. Malone for this position. I know fewer men that have had the experience, or that have more ability to fill this position than Mr. Malone; and I think the Council would make a grave mistake in not voting to confirm his appointment. Therefore, Mr. President, I am voting AYE on the motion.

Mr. Kane arose and said:

Mr. President:—I had no desire to make any remarks on this motion; but I believe it is important that I state my position on the motion before Council.

I only want to say to the members of Council that I have endeavored to uphold the hands of the Mayor on all occasions. I not only worked for his election; I worked for the Mayor when there were very few people in the political life of Pittsburgh thought he had any chance of being elected Mayor. I was a friend of the Mayor before any of his new friends gave him any consideration. And I am hopeful that the Mayor will have a successful administration.

As far as Mr. Malone is concerned, I want to state that I have known Mr. Malone for many years and we have been friendly. We have discussed this question many times, and Mr. Malone knows my opposition to this move to confirm him.

In casting my vote against this motion, I want it understood that I am not voting against the Mayor's recommendation; but I am voting against a

condition that brought Mr. Malone's name in as a candidate for the office of Director of the Department of Public Safety. I believe that I was elected by the people of Pittsburgh, with the help of many people, and I appreciate sincerely that help; and I want to say that I will not be led into a position where any individual can tell me the things I have to do.

Members of the Democratic group in this Council were called into a conference in the month of December and were told that we had to support Mr. Malone, or we would be destroyed politically by being deprived of patronage and be driven out of the political life of Pittsburgh; and since that time messengers have come to us continually.

In conclusion, I want to reiterate that I am not voting against Mr. Malone personally, but against the people who attempt to influence my vote in Council.

There is no man or woman who can tell me what I have to do. There is no man alive who can browbeat me into action. I represent the taxpayers of Pittsburgh, particularly the small taxpayers, and the downtrodden.

If there is any man or set of men powerful enough to drive me out of Council or out of politics, my vote NO is a challenge for them to do it.

Mr. Huston arose and said:

Mr. President:—I am in full accord with every word Mr. Kane has uttered.

Mr. Gallagher arose and said:

Mr. President:—I just want to say that I substantiate everything that Mr. Kane has said, and I am going to vote NO on the Mayor's appointment, but not against the individual, Mr. Malone nor against the desire of the Mayor to put Mr. Malone at the head of the Safety Department, but just for the reason Mr. Kane has stated that we must do things against our will. When people tell me that I have got to do something, I accept the challenge just the same as Mr. Kane.

Mr. Soost arose and said:

Mr. President:—I didn't intend to make any remarks at all. I have known Mr. Malone for 25 years, and always considered Jim Malone a man of in-

tegrity and good character; but he is a man who has always been active in politics. He is a former Ward Chairman of the Fifth Ward and also a former Republican City Chairman; and that is my main reason for not voting for the confirmation of his appointment; but not against him personally.

You often hear it said, "Why not take the police and firemen out of politics?" If Jim Malone is made Safety Director, the police and fire departments will be deeper in politics than ever before.

And the question recurring on the motion to approve and confirm the appointment of James F. Malone as Director of the Department of Public Safety.

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson	McArdle
Magee	Garland, (Pres't)

Noes:—Messrs.

Demmler	Huston
Gallagher	Kane
	Soost

Ayes 4. Nones 5.

And a majority of the votes of Council not being in the affirmative, the motion did not prevail.

CITY OF PITTSBURGH

Office of the Mayor

January 22, 1934.

To the President and Members of City Council.

Gentlemen:—

I have the honor to inform you that I have this day appointed, subject to your approval, Ralph E. Smith, 120 West Point avenue, 27th Ward, to the position of Director of the Department of Public Safety, at a salary of \$8,000.00 per annum.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read, received and filed.

Mr. Huston presented

No. 189. WHEREAS, Hon. Wm.

N. McNair, Mayor of the City of Pittsburgh, has certified the nomination of Ralph E. Smith as Public Safety Director for the ensuing term, which requires the approval of a majority of the members of Council; Now, therefore, be it

RESOLVED, By the Council of the City of Pittsburgh in regular session met, that the appointment of said Ralph E. Smith of said City of Pittsburgh for the ensuing term be and the same is hereby approved and confirmed.

Which was read.

Mr. Huston moved

The adoption of the resolution. Upon which motion, the ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

#### UNFINISHED BUSINESS

Bill No. 52. An Ordinance entitled, "An Ordinance providing for the letting of a contract for furnishing Telephone Service to the City of Pittsburgh and the maintenance of the Telephone Typewriter System in service in various offices and police stations of the Bureau of Police, for the year ending December 31, 1934.

In Council, January 15, 1934, Bill read and laid on the table for one week.

Mr. Magee arose and said:

Mr. President:—I expected that we would have been started on the budget by this time, and as this involves a sum in excess of \$50,000.00, and as the budget sessions have hardly started, I would move that the bill be recommended in order that it may be considered in budget session.

Which motion prevailed.

#### REPORTS OF COMMITTEES

Mr. McArdle presented

No. 190. Report of the Com-

mittee on Finance for January 16, 1934, transmitting sundry ordinances and resolutions to council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 74. An Ordinance entitled, "An Ordinance appropriating and setting aside to the Department of City Planning from the proceeds of the sale of bonds authorized by Ordinance No. 284, approved December 5, 1933; authorizing and directing an increase in the indebtedness of the City of Pittsburgh in the sum of One million four hundred thousand (\$1,400,000.00) dollars, and providing for the issue and sale of bonds of said City in aforesaid amount, said bonds being known and designated as 'Public Work Relief Bonds, 1933, Series C,' Code Account No. 118 for the payment of the cost of supplies, miscellaneous services, materials, rentals, equipment, labor and supervision including engineering expenses; the labor to be provided from among the unemployed, for the improvement and repair of streets and thoroughfares, the improvement of public properties of the City of Pittsburgh, and to carry out engineering, planning and research projects of the City of Pittsburgh, in the amounts herein below set forth."

Which was read.

Mr. McArdle stated

That he believed the curtailment of the civil works program would affect these ordinances, and believed they should be held over until more definite word is received from the Civil Works Administration.

Mr. McArdle moved

That the bill be laid over for the present.

Which motion prevailed.

Also

Bill No. 78. An Ordinance entitled, "An Ordinance appropriating the sum of Seven hundred forty-nine thousand (\$749,000.00) dollars from the proceeds of the sale of bonds authorized by Ordinance No. 284, approved December 5th, 1933, entitled, 'An Ordinance authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of One million four hundred thousand (\$1,400,000.00) dollars, and providing for the issue and

sale of bonds of said City in said amount to provide funds for the following purposes, viz: Providing supplies, materials, equipment, labor and supervision (including engineering expenses) for the improvement of streets, parks, playgrounds, wharves, sewers, water lines, bridges and other public properties of the City of Pittsburgh; the labor to be provided from among the unemployed, and providing for the redemption of said bonds and the payment of interest thereon; said bonds being known as designated as 'Public Work Relief Bonds, 1933, Series C,' Code Account No. 118, for the payment of the cost of supplies, miscellaneous services, materials, rentals, equipment, labor and supervision including engineering expenses, the labor to be provided from among the unemployed, for the improvement and repair of streets and thoroughfares, parks and playgrounds, sewers and water works, mine sealing and buildings and structures of the City of Pittsburgh, in the amounts hereinbelow set forth, for the Department of Public Works."

An Ordinance entitled, "An Ordinance granting permission to the Commonwealth of Pennsylvania, Department of Highways, to improve or maintain a section of road in South Fayette Township, Allegheny County, Pennsylvania, known as T. R. 330 L. R. 02051, at the Pittsburgh City Home and Hospitals at Mayview, Pa., and authorizing the execution of a deed of release and quitclaim to the said Commonwealth of Pennsylvania, Department of Highways, in relation thereto."

In Finance Committee, Jan. 16, 1934, Bill read and ordered returned to council with an affirmative recommendation, subject to report and approval of Law Department.

Which was read.

And on motion of Mr. McArdle, laid over pending report of the Law Department.

Also, with an affirmative recommendation,

Bill No. 83. An Ordinance entitled, "An Ordinance authorizing the issuance of a warrant in favor of the H. H. Robertson Company for the payment of the costs of extra work incurred in the Repairs to Mission Pumping Station Building Skylights and appurtenances in the amount of One hundred sixty-two dollars (\$162.00), chargeable against and payable from appropriation before made for said repairs.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the bill passed finally.

Also

Bill No. 98. An Ordinance entitled, "An Ordinance amending an ordinance entitled, 'An Ordinance authorizing and empowering the Mayor and the Director of the Department of Pub-

lic Works to enter into a lease with the Pittsburgh Piping and Equipment Company for a portion of the public land along the Allegheny river, in the Ninth Ward of the City of Pittsburgh, fixing the terms and compensation of said lease, and authorizing and empowering the same officers to join with the Pittsburgh Piping and Equipment Company in the cancellation of an existing lease for a part of the same premises, dated June 1, 1924, when the lease hereby authorized becomes effective,' approved December 28, 1933, and recorded in Ordinance Book, Volume 45, page 476, by changing the rental from \$2,000.00 per annum to \$1,500.00 per annum."

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

#### MOTIONS AND RESOLUTIONS

The Chair presented

No. 194. Communication from Geo. S. Davison, President of Flood Commission of Pittsburgh, relative to Federal appropriation for construction of a system of reservoirs in the Monongahela and Allegheny valleys for control of floods.

Which was read and referred to the Committee on Finance.

Mr. McArdle presented

No. 195.

WHEREAS, The City of Pittsburgh has made application to the Civil Works Administration of the Federal Government through its official representative in the City of Pittsburgh for the allotment of labor for the carrying on of various projects proposed by the City; and

WHEREAS, Many of these projects have been approved by the local representative of the Civil Works Administration; and

WHEREAS, A great deal of preliminary study and work has been done by the City of Pittsburgh at great cost in the preparation of the necessary data for the submission of these projects and their supervision and control when undertaken; and

WHEREAS, It comes to the notice of the City of Pittsburgh that many of the projects that have already been approved may not be carried out because of the failure of the Civil Works Ad-

ministration to assign the necessary labor therefor; and

WHEREAS, Many other projects not yet submitted and approved are now under consideration for approval, which projects would come within the sum supposed to have been allotted to the City of Pittsburgh for the payment of labor by the Civil Works Administration, may not be approved and their undertaking therefor prevented; and

WHEREAS, Such changes, if made, in the program heretofore agreed upon would result in substantial loss to the City of Pittsburgh and result in disorganizing its program for work relief and result in grave disappointment to both the city and the unemployed; Therefore, be it

RESOLVED, That the Council of the City of Pittsburgh respectfully protests to the Civil Works Administration through its Director against such changes if contemplated, and respectfully urges that the Civil Works Administration take the necessary steps to fully finance Civil Works projects to the total cost for labor as originally agreed upon between the local representatives of the Civil Works Administration and the officials of the City of Pittsburgh, and that such steps be taken promptly so that costly changes in the city's program may not be forced to be made, and that the program as heretofore contemplated and tentatively agreed upon may be carried out to the fullest extent.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Which motion prevailed.

Mr. McArdle moved

That the Clerk be instructed to send a telegram to the Federal and State Administrators of Civil Works Projects citing only the "Resolved" portion of the resolution, to be followed by letter transmitting the entire resolution.

Which motion prevailed.

And on motion of Mr. Kane

Council adjourned.

No. 219.

**FEDERAL CIVIL WORKS ADMINISTRATION OF PENNSYLVANIA**

Harrisburgh, Pennsylvania

January 25, 1934.

Honorable Robert Garland,  
President of City Council,  
Pittsburgh, Pennsylvania.

Dear Mr. Garland:

I have received through Mr. Robert Clark, City Clerk, a copy of Bill No. 195, being a resolution adopted by the Council of the City of Pittsburgh on January 22, 1934.

I have carefully noted the contents, and I sympathize fully with the attitude expressed therein. However, I should like to clarify our position on the continuance of Civil Works projects in Pittsburgh in common with all other parts of the State.

On January 18, we received a telegram from the Federal Civil Works Administrator, reading as follows:

"Due to the fact that average weekly wages for Civil Works is in excess of original estimated weekly payrolls it is necessary to reduce the hours worked per week on local state and federal projects to keep within the money available. You are herewith instructed that effective January 19th, 1934, all per diem workers are to be put on a work week as follows: In cities over twenty-five hundred population maximum twenty-four hours per week. In cities under twenty-five hundred and open country a maximum of fifteen hours per week. All clerical supervisory and professional workers a maximum of thirty hours per week with proportionate wage adjustment. This does not include administrative workers in administrators offices. This applies to all Civil Works and Civil Works Service employees and must be made effective everywhere on this date since disbursing officers will be instructed not to pay wages for work in excess of the hours pro-

vided herein. From this date no name shall be added to any payroll except in actual replacement of a worker fully terminated and finally paid off."

In accordance with the order of the Federal Civil Works Administrator, which was nation-wide, we issued a similar order.

It is my understanding that the action was taken because of the apparent shortage of funds available to prosecute the Civil Works Program into completion as indicated in the telegram. According to newspaper reports, the President is seeking additional funds in order that the program may be resumed in full force as originally contemplated, at least until May 1, 1934.

Since the City authorities of Pittsburgh have been so extremely helpful in the development of the Civil Works Program, I am particularly distressed at the conditions represented by your Council, and I trust that speedy Congressional action will make it possible to carry out the program for your City.

Sincerely yours,

(Signed) ERIC H. BIDDLE,  
State Administrator.

Which was read, referred to the Committee on Finance, ordered to be printed in full in the record, and a copy ordered furnished to each member.

Also

No. 220. Communication from Wm. A. Hannig, Wm. A. Hannig Transfer, First and McKean Streets, S. S., City, submitting information on wage rates paid their drivers and helpers.

Which was read and referred to the Committee on Finance.

#### CITY OF PITTSBURGH Pennsylvania

Pittsburgh, January 17, 1934.

Finance Committee of Council.

Gentlemen:

On Bill No. 109, being a Bill granting permission to the State Department of Highways to improve and maintain a section of a road in South Fayette Township at the Pittsburgh City Home and Hospitals and the delivery of a deed of release and quit-claim for the same, I beg to advise you that the improvement is of an existing highway and no intrusion is to be made on the City property.

As the improvement of the road is plainly for the benefit of the City as the owner of the Mayview property, this

Department recommends the approval of the Ordinance.

Very truly yours,

THOMAS M. BENNER,  
First Asst. City Solicitor

Which was read, received and filed.

And the bill, as read a second time was agreed to.

Mr. Gallagher moved

A suspension of the rule to allow the third reading and final passage of the bill.

Which motion prevailed.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

Subject: Council Bill 76—Ordinance  
creating Temporary Unemployment  
Relief Positions.

President and Members of Council,  
City of Pittsburgh.

Gentlemen:

I have to recommend that Council  
Bill 76, an ordinance creating and es-  
tablishing certain temporary positions  
required for the construction of unem-  
ployment relief projects be enacted.

This ordinance was affirmed in Com-  
mittee on Finance January 16, 1934 and  
I understand final passage was deferred  
pending consideration of the status of  
the Civil Works Administration projects.

While it is not the intention to fill  
the positions when created immediately  
yet some of the employees are needed  
in connection with the present work  
in hand, and in the event of the full  
resumption of the Civil Works Adminis-  
tration program I would like to be able  
to appoint such employees as might be  
needed without undue delay.

The Chair presented

No. 240.

January 24, 1934.

Subject: Unemployment Relief Projects Legislation.

President and Members of Council, City of Pittsburgh.

Gentlemen:

The Department of Public Works has made a careful analysis, since Monday, of the status of Unemployment Relief Projects now being carried out in conjunction with the CWA, with due consideration being given to the curtailment of working hours and the curtailment of additional CWA projects.

It is requested that the Ordinance introduced to Council as Bills Nos. 77 and 78 be amended as indicated below, so as to provide only sufficient funds for the City's share of these projects up until February 15th. It is not believed advisable at the present time that the City make commitments in excess of the minimum absolute requirements necessary to meet the CWA allocation of funds up to February 15th.

It is requested that Section 3 of Bill No. 77, an Ordinance authorizing and directing the Mayor and the Director of the Department of Public Works to carry out and complete Unemployment Relief Projects in conjunction with the CWA, be amended as follows:

That Item No. 1 which now reads \$110,000.00, be amended to read \$50,000.00.

That Item No. 2 which now reads \$46,000.00, be amended to read \$1,000.00.

That Item No. 3 which now reads \$306,000.00, be amended to read \$40,000.00.

That Item No. 4 which now reads \$266,000.00, be amended to read \$18,000.00.

That Item No. 5 which now reads \$8,000.00, be amended to read \$500.00.

That Item No. 6 which now reads \$3,000.00, be amended to read \$1,000.00

That no amendments be made under Item No. 7 which reads \$10,000.00.

That the Total which now reads \$749,000.00, be amended to read \$120,500.00.

It is requested that the preamble to Bill No. 78, an Ordinance appropriating \$749,000.00 for Unemployment Relief Projects, be amended to read \$120,500.00; and that Section 1 of this Bill be amended to read in line 4 the sum of \$120,500.00 instead of \$749,000.00; and that the items listed after line 21 be amended to read as follows:

That Item No. 1 which now reads \$110,000.00, be amended to read \$50,000.00.

That Item No. 2 which now reads \$46,000.00, be amended to read \$1,000.00.

That Item No. 3 which now reads \$306,000.00, be amended to read \$40,000.00.

That Item No. 4 which now reads \$266,000.00, be amended to read \$18,000.00.

That Item No. 5 which now reads \$8,000.00, be amended to read \$500.00

That Item No. 6 which now reads \$3,000.00, be amended to read \$1,000.00.

That no amendments be made under Item No. 7 which reads \$10,000.00.

That the Total which now reads \$749,000.00, be amended to read \$120,500.00.

Subject: In re Authorization for Civil Works Administration Projects—  
Council Bills 77 and 78.

Chairman and Members of

Finance Committee,

City Council.

Gentlemen:

I am submitting herewith for your consideration certain amendments to Council Bill No. 78 which was affirmed in your Committee on January 16th, said bill being an Ordinance appropriating funds from the proceeds of Unemployment Bonds of 1932 for the payment of the costs of the City's share of Federal Civil Works Administration projects. This bill set up an appropriation for projects under the supervision of this department in the amount of \$749,000.00.

Since the bill was presented to you, we have received notification from the Allegheny County Administrator of the Civil Works Administration that effective as of January 19, 1934 the Administration would cease purchasing materials and paying for rentals, that the hours of labor were forthwith reduced from 30 to 24 hours per week, and that additional labor would not be employed except for the purpose of replacement.

As the Federal Civil Works Administration has approved applications of the City of Pittsburgh to furnish and pay for all of the labor required for approved projects and also to pay part of the cost of materials, it has been necessary for this department to make an immediate investigation as to the effect of the action of the Civil Works Administration in limiting their expenditures and commitments. We are concerned with two things: The effect the limitation in the number of men employed may have in making it impossible to finish with C. W. A. labor

projects already started, with consequent result of increasing city expenditures; as to how the discontinuance of purchase of materials and payment of rentals for equipment and trucks may be decreasing the expenditures of the Civil Works Administration result in an increase in the City's expenditures.

It is my opinion that, in no event, should orders for delivery be placed for requirements beyond February 15th, nor is there any necessity for the City at this time to appropriate funds in excess of the requirements to finance the purchase of materials and the payment of rentals beyond that date. By that time the Government should have determined its policy.

When the notification from the Civil Works Administration was received January 20th, the City had made applications for a program which would employ a total, not necessarily simultaneously, of 14,194 men which would call for a total expenditure of about \$2,533,000.00 by the Civil Works Administration and by the City of \$903,625.00 which called for a new appropriation, as per Council Bill No. 78, of \$749,000.00.

On January 20th, applications had been approved by the Civil Works Administration calling for employment of 9,898 men with a total cost to the Civil Works Administration, for labor and part of the materials, of \$1,793,000.00 and a corresponding cost to the City for materials and rentals of \$598,315.00. As the situation then stood, additional funds would be required to finance the City's share, insofar as the program had been approved, in the amount of \$443,690.00. Notification has more recently been received that the remaining projects of the program, with but one small exception, have now been approved by the Civil Works Administration although actual starting of the work on these newly approved projects has not been authorized.

On the date the notification of change in policy by the Civil Works Administration was received, approximately 7300 men had been requisitioned and about 6500 men were at work and the City was in process, as fast as materials and tools could be furnished by the Civil Works Administration, of requisitioning additional men. It, therefore, happened on a number of projects

that the full quota of men had not been employed for various reasons, such as delay in securing delivery of materials and tools, the fact that the project had just recently been authorized, or due to the nature of the work which made it impossible to start all of the men quickly.

As a result of our consideration of this matter, I am now recommending a reduction in the aggregate amount of the appropriation and authorization ordinance from \$749,000.00 to \$120,500.00, as in my opinion, this will be ample to defray the City's share in the cost of purchasing materials and paying of rentals up to about February 15th. However, in the event that the restrictions of the Civil Works Administration be removed and additional authorized projects be started, it will then be time enough to provide such additional funds as may be necessary to complete the additional program as previously reported to you.

A careful survey of the program, copies of which are hereto attached, indicates that the whole program, which is now under way, with a possible few exceptions, may be continued without appreciable loss of investment either by the Federal Government or by the City in the event that employment be reduced as may possibly be the case after February 15th. On the other hand, if the Civil Works Administration program is continued and augmented, the City will be in good position with its projects to proceed with the employment of an increased force. Further, it is most important that the present employment be continued without question until about February 15th, except as projects are completed and the abrupt laying off of a large number of men will be avoided.

As to whether the Civil Works Administration has purchased materials in the amount specified in the approved applications for the various projects which are now under way, we can only advise that County Administrator has furnished us with a general statement that, with a few exceptions, all of the materials which we have requisitioned to be furnished by the Civil Works Administration have been ordered. The one important item upon which expenditures by the Civil Works Admin-

istration has been stopped has been the payment of rentals for additional trucks which was to come out of the Civil Works Administration allocations. As a matter of fact, we have no cost reports on the various projects from the Civil Works Administration so we, therefore, do not know definitely just how much the Civil Works Administration has expended under the various allocations but assume that they have purchased the materials called for in our requisitions, then they will have substantially fulfilled their obligations, except with respect to the truck hire which, in any event however, would expire in a few days.

A brief summary of the situation with respect to the various activities is as follows:

The Projects for Drainage and Surfacing of Unimproved Streets may be discontinued without loss on a very few days notice.

The Mine Sealing Project and likewise that for Repainting of City Buildings may be discontinued on very short notice without loss.

The Water Works Projects can also be stopped without loss of investment with the possible exception of the Mission Street Station Supply Main. However, in this case, the Civil Works Administration has furnished enough pipe and materials so that the appropriation required by the City to keep the work going is about \$2,000.00. This line will not be of service until it is entirely completed and yet it is a very necessary project and it would seem to us that the expenditure of \$2,000.00, in order to utilize the pipe delivered by the Civil Works Administration, is justified even although the job should be terminated before completion.

Park and Playground Projects—The requirements for financing Park and Playground Projects are small, being about \$1,000.00 up to about February 15th and there would be no serious financial results if the work were discontinued on February 15th.

Sewer Projects—In general all work could be suspended on most of the sewer projects on or about February 15th but there are some exceptions to this statement. A great many of these projects will be completed before Feb-

ruary 15th. The principal exceptions are the Pembroke Place Sewer which will probably not be completed until March 12th; the Hillsboro Street Sewer April 5th; the Spargrove Street Sewer March 30th and the Termon Avenue Sewer March 1st. Several projects in Sewer Schedule No. 3, which has just been recently started (see list appended), will be completed between March 1st and April 1st for which the City will expend about \$30,000.00 for materials for requirements up to April 15th. If this expenditure is made, it would seem to be necessary for the City to continue the several projects to completion. The situation and the financial needs for the several projects follows:

Goff Street Sewer complete Feb. 12th. Cost of materials to City nothing.

Chalrock Street Sewer complete March 1st. Cost of materials to City nothing.

West Liberty Avenue Sewer complete March 1st. Cost of materials to City \$1,200.00.

Buena Vista Street Sewer complete March 1st. Cost of materials to City \$1,600.00.

Bon Vue Street Sewer complete March 30th. Cost of materials to City \$2,150.00.

Telescope Street Sewer complete April 1st. Cost of materials to City \$2,300.00. This sewer is badly needed and will be of value to the extent constructed, although it should by all means be completed in order to relieve drainage conditions in the hillside district of the 16th Ward.

McCartney Run Sewer complete April 1st. Cost of materials to City \$50,610.00. This is a storm drainage and relief sewer and will be of value even though partially completed.

Nice Way and Maytide Streets Sewer System complete April 1st. Cost of materials to City \$18,760.00. Will be usable to the extent completed.

A survey of the foregoing shows that the major part of the City's investment is in two large projects which could be if necessary, discontinued but the balance is in smaller sewers which will not be of value if not completed. If, therefore, the City purchases materials to continue work on these smaller sewers to February 15th, it would run the risk of either sacrificing the investment for

the time being or being put to the expense of furnishing labor which is not now contemplated.

The total additional funds requested for all of the sewers included in this schedule is \$30,000.00 to be expended on all of the jobs principally for truck hire, equipment rentals, engineering and supervision.

Yours very truly,

L. M. JOHNSTON,  
Director

#### CITY OF PITTSBURGH

Pennsylvania

January 26th, 1934.

Department of Public Health.

Mr. John Schilpp, Jr.,

Clerk of Finance Committee.

Dear Sir:

In reply to your letter of January 24th, in reference to Bill No. 124, requesting a report from the Director of the Department of Public Health, explaining why this item and the necessity for it was not presented to Council at the time the State Relief Board discontinued the service.

I am attaching a report from the Superintendent of the Bureau of Child Welfare, Dr. H. J. Benz, which I think will clarify the situation and be satisfactory to Council.

Very truly yours,

RAY P. MOYER,  
Director.

#### CITY OF PITTSBURGH

Pennsylvania

January 26th, 1934.

Department of Public Health,

Bureau of Child Welfare.

Dear Doctor Moyer:

Referring to the question of the bill for milk supplied the babies at the infant stations during September, October, November and December, 1933, the following history will help clarify the situation.

When I was notified on August 16th by Mr. George Mills that the milk we used would not be paid for by the State Emergency Relief Board after September 1st, I notified the former Director, who was away on vacation. On August 25th, I was verbally told to continue and that an arrangement to pay for it would be made.

As nothing definite was done I suggested seeing the Controller and was told

to do so personally. The Controller thought that the money could be used from Bond Issue for Relief fund for feeding school children, instead of from Garbage Fund as was contemplated.

Several times I importuned the former Director to hasten this matter and insisted that some action be taken to transfer funds to pay for this milk. About December 5th, the former Director sent a resolution to Council with a letter asking a transfer from Garbage Fund to pay for this.

The question was referred to the Law Department by former Council as to legality of using money from Bond Fund 113 Public Welfare Relief Bonds to pay for milk, and received an affirmative opinion. The attached copy of the Ordinance is the result of this favorable opinion of the Law Department.

I think the delay in bringing this to Council's attention earlier was due to the former Director thinking the payment could be had through the fund for school milk which had been allocated from Bond Fund 113, and when it was found impractical to do so without Council action, he presented a resolution asking for transfer from Garbage Fund.

Respectfully submitted,

H. J. BENZ, M. D.,  
Superintendent.

Which was read, received and filed.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

#### MOTIONS AND RESOLUTIONS

Mr. Gallagher presented

No. 243.

Whereas, The plan to acquire the Wabash tunnel and bridge for development as a motor traffic artery has been abandoned; and,

Whereas, As a substitute therefor it is now proposed to build a new bridge and tunnel; and,

Whereas, In view of the fact that no plans for such new bridge and tunnel have been made and no permit for the bridge has been approved either by Congress or the United States Department of War; and,

Whereas, So long a time will be required for these necessary preliminaries as to make it unlikely that this project can ever be financed out of Federal emergency appropriations; Therefore, be it

Resolved, That the Mayor be and is hereby requested to direct the City Planning Commission to investigate and report to Council at the earliest possible moment on the possible use of the Wabash terminal, bridge and tunnel for an electrified shuttle system operating between a proposed automobile parking area and bus terminal at Saw Mill Run Boulevard and downtown Pittsburgh, such a plan being proposed as a possible solution of the demand for an additional traffic outlet leading to the southern section of Allegheny County, and is advanced at this moment in the belief that the owners of the bridge, tunnel and terminal facilities might be willing to join with the City in promoting such an enterprise to the extent of being willing to lease such facilities for a nominal rental until the success or failure of the proposed plan can be determined by actual trial.

Which was read.

Mr. Gallagher moved

The adoption of the resolution.

Which motion prevailed.

Mr. Demmler presented

No. 244. Resolution requesting the Law Department to furnish a

written opinion as to eligibility of Mr. J. William McGowan to serve as a Police Magistrate, as the newspapers have raised the question of his residence.

Which was read.

Mr. Demmler moved

The adoption of the resolution.

Mr. Magee stated:

That Council should first obtain the facts as to his residence before the resolution is sent to the Law Department for a legal opinion, and moved

That the resolution be referred to the Committee on Finance.

Which motion prevailed.

Also

No. 245. An Ordinance exempting from assessment to the value of \$6,000.00 for a period of ten (10) years dwellings for which a permit is taken out before July 1, 1934, and construction actually begun thereon before October 1, 1934, and which are completed before December 31, 1935.

Which was read and referred to the Committee on Finance.

The Chair presented

No. 246.

succeed Albert C. Lehman, removed.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read.

Mr. Magee raised the question as to  
the legality of removing the members of  
the Art Commission unless cause is  
shown, and also that the Act requires  
the appointment of one sculptor, one  
painter, and three architects, and that  
the communication from the Mayor  
should show the occupation of the per-  
sons appointed.

Mr. Soost moved

That the communication be laid  
over for one week to obtain the desired  
information.

Which motion prevailed.

Mr. McArdle moved

That the Minutes of Council of

#### MOTIONS AND RESOLUTIONS

The Chair took up

Bill No. 184. Communication from the Mayor submitting appointment of Mr. William E. Schoyer, 5529 Dunmoyle street, as a member of the Traction Conference Board, vice W. Edgar Reed, removed.

In Committee on Public Service and Surveys, January 23, 1934, Read and discussed and the Chairman of the Committee to inform the Mayor of the law governing the removal and appointment of members on the Traction Conference Board, and ordered returned to Council for further action.

Which was read.

The Chair also presented  
No. 286.

February 5, 1934.

To the President and Members of  
Council of the City of Pittsburgh.

Gentlemen:—

Since some question seems to have arisen as to the sufficiency of the removal of W. Edgar Reed and the appointment of William E. Schoyer to succeed him, which matter was submitted to you at your meeting two weeks ago, may I ask that by Resolution you approve the removal of Mr. Reed and the confirmation of Mr. Schoyer.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Which was read.

The Chair stated

That Mr. Scully had requested that the matter be laid over for the present, and hearing no objections, the matter would be laid over.

The Chair also took up

Bill No. 246. Communication from the Mayor appointing as members of the Art Commission, Messrs. Henry Hornbostel, Chas. M. Stotz, Robt. Schmertz, E. M. Ashe, Anthony Vittor, M. L. Benedum and S. L. Benedito.

In Council, January 29, 1934, Read and laid over for one week to obtain certain information.

Which was read.

Mr. Magee raised the question that five of the members should represent three professions; and they should be eminent in their professions, and that the appointment should be confirmed by resolution.

The Chair stated

That, if there were no objections, the communication would be referred to the Committee on Parks and Libraries.

And the resolution was referred to the Committee on Parks and Libraries.

The Chair also presented

No. 287.

CITY OF PITTSBURGH

Office of the Mayor

January 31, 1934.

To the President and Members of  
City Council.

Gentlemen:—

I have the honor to inform you that I have appointed, subject to your approval, Donald R. Reed, 2315 Ferrysville avenue, 26th Ward, to the position of Member of the Board of Property Assessors, at a salary of \$4,500.00 per annum, to take effect February 6th, 1934.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Which was read.

Mr. Magee raised the question, that the appointment should be approved by resolution.

The Chair stated

That, if there were no objections, the communication would be referred to the Committee on Finance to have the proper resolution prepared.

And the resolution was so referred.

Mr. Kane moved

That the Minutes of Council, of Wednesday, January 24, 1934, be approved.

Which motion prevailed.

Mr. Kane asked

The position of the bill levying a tax of 10% on all ground rents.

The Chair stated

That the bill was in the Finance Committee and not finally disposed of; that the Mayor was not in accord with the Law Department's report on the bill.

Mr. McArdle moved

That the Mayor be furnished a copy of the Report of the Law Department, and he in company with the City Solicitor be invited to participate in the discussion of the bill before the Committee on Finance.

Which motion prevailed.

And on motion of Mr. Soost

Council adjourned.

##### COUNCIL

ROBT. GARLAND -----President

ROBERT CLARK -----City Clerk

EDW. W. LINDSAY -----Ass't City Clerk

Pittsburgh, Pa.,

Tuesday, February 13, 1934.

Council met.

Present:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	Soost
Huston	Garland, (Pres't)

Absent:—Mr. McArdle

##### PRESENTATIONS.

Mr. Anderson presented

No. 288. Report of the Department of Public Health showing the amount of rubbish and garbage removed during the fifth week of January, 1934.

Also

No. 289. Report of the Department of Public Health showing the amount of rubbish and garbage removed during the month of January, 1934.

Which were read and referred to the Committee on Health and Sanitation.

Mr. Demmler presented

No. 290.

##### RESOLUTION

Providing for a Further Extension of the Contract of Pittsburgh Railways Company, et al., with the City of Pittsburgh:

Subject, however, to certain modifications in the said contract, including improved service and lower rate of car fare.

WHEREAS, the contract entered into between the City of Pittsburgh and the Railways Corporations, dated December 20, 1921, by its own terms was about to terminate on January 31, 1934; whereupon, the preceding Council and Mayor enacted an ordinance extending the force and effect of the said contract for the further term of two years, or until the 31st day of January, 1936, and

WHEREAS, before the extension ordinance was finally approved by the State Public Service Commission, William N. McNair, then as a citizen and taxpayer, filed a Petition in September, 1933, objecting to the confirmation of said extension ordinance, whereupon an amendatory ordinance was presented and approved December, last, whereby an extension of the Contract was legalized to April 30, 1934; the sole purpose of the amendatory extension being to permit the present administration to give consideration to the very important matters involved in the Railways contract; and

WHEREAS, although the rate of car fare, under the present contract, was fixed at a time of corporate inflation and war-time prices, yet no reduction in fare has been made by the car company which has permitted its standard of service to become revolting to the public by actually diminishing the number of cars in service during recent years past:

THEREFORE RESOLVED by the Council of the City of Pittsburgh, in regular meeting assembled, that the City of Pittsburgh, by proper ordinance, do assent to an extension of the Railways contract in question for the term of one year from the first day of May, 1934, but contingent upon and subject to the legal assent and concurrence of the Railways operating companies to the following conditions and provisions:

First: A five cent fare on all one fare routes, to begin not later than May 1, 1934, and to continue at least one year.

Second: That the Railways Company shall provide sufficient cars for comfortable travel during the usual anticipated rush hours.

Third: That the councilmanic committee to which these resolutions are referred, be instructed to confer with representatives of the Railways Company to formulate such other changes in the said contract, making it consistent with the foregoing provisions, and retaining in said contract the provisions constituting the Traction Conference Board.

Fourth: If the operating corporations of the Street Railways system fail or refuse on or before April 2, 1934, to signify their formal assent to the foregoing provisions relating to reduced car fare, improved service and revision of contract, then no further extension of contract shall be assented to by the City of Pittsburgh. The courts should then be appealed to for the appointment of a liquidating receiver upon the expiration of the present temporary extension.

CITY OF PITTSBURGH

Office of the Mayor

February 6, 1934.

To the President and  
Members of City Council.

Gentlemen:

I return herewith, without my approval, Bill No. 212, An Ordinance for the furnishing of One (1) Power Sprayer and equipment for the Department of City Planning, for the reason that men could be employed to do this by hand and this amount of money would furnish wages rather than invest this sum in machinery which can be postponed until the budget is more nearly balanced.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Which was read.

Also

#### PITTSBURGH RAILWAYS COMPANY

Pittsburgh, February 13, 1934.

To the President and Members of  
City Council,  
City of Pittsburgh,  
Pittsburgh, Pa.

Gentlemen:

Under date of January 19 the City Clerk transmitted to us a copy of Resolution No. 6, passed by Council on January 15 and approved by the Mayor on January 18, which resolution, in effect, requested me to report to Council within thirty days.

(a) What, if any, plans are being considered by the Pittsburgh Railways Company relative to a reduction of its fixed interest and other overhead charges to such a figure as will permit the efficient, satisfactory and successful operation of the local street car system;

(b) What, if any, plans for the improvement of the service and reduction of the fare are being considered and when such plans will be put into effect.

In connection with the question of renewal of the Traction Conference Board Agreement beyond May 1, the City Solicitor has stated to us that he wishes to discuss with us the Pittsburgh Railways situation as a whole, from every angle, and the data which we will furnish him will no doubt present much more comprehensive information to Council than would an answer to the specific questions set out in Resolution No. 6.

We have no doubt but that Mr. Scully intends to advise Council as to the facts ascertained by him and the conclusions which he reaches.

It seems to me, therefore, that it would be much more satisfactory to Council if the data and information we furnish to Mr. Scully would be taken as in compliance with Resolution No. 6.

Will you kindly advise me whether or not this will be satisfactory to you.

Very truly yours,

F. R. PHILLIPS,

President.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

Also

Bill No. 260. Resolution appropriating the sum of \$2,731.50 for payment of certain claims from Code Account No. 44, Workmen's Compensation Fund, 1934, and authorizing the issuing of warrants in the sum of \$2,731.50, in payment of vouchers for the year 1933, and charging same to Code Account No. 44, Workmen's Compensation Fund 1934.

In Finance Committee, Feb. 14, 1934, Read and amended to read as follows:

Whereas, Code Account No. 44, Workmen's Compensation Fund for the year 1933 was depleted in late December; and

Whereas, Certain vouchers which amount in the aggregate to \$2,731.50, chargeable to the aforesaid Workmen's Compensation Fund, for the year 1933, have been presented for payment; and

Whereas, There was no appropriation made for deficits for the year 1933, therefore the only fund available from which payment can be made is the appropriation for Workmen's Compensation for the year 1934; and

Whereas, Resolution No. 114, authorized an amount not to exceed \$500.00 to defray the medical expense of Frank Dombroski, which amount was exceeded by \$117.00; Now, therefore, be it

Resolved, That the sum of \$2,731.50 be and is hereby appropriated for the payment of the claims above set forth, the same to be taken from Code Account No. 44, Workmen's Compensation Fund, 1934; and, be it further

Resolved, That the Mayor be and he is hereby authorized and directed to issue and the City Controller to counter-

sign warrants in the sum of Twenty-six hundred fourteen and 50/100 (\$2,614.50) dollars, and charge same to Code Account No. 44, Workmen's Compensation Fund 1934, in payment of vouchers for the year 1933 as aforesaid; and, be it further

Resolved, That the Mayor be and he is hereby authorized and directed to issue and the City Controller to countersign a warrant in favor of the West Penn Hospital in the sum of One hundred seventeen and 00/100 (\$117.00) dollars for additional hospital services for Frank Dombroski, and charge same to Code Account No. 44, Workmen's Compensation Fund,

And as amended ordered returned to council with an affirmative recommendation.

Which was read.

#### MOTIONS AND RESOLUTIONS

Mr. Demmler moved

That the following members be excused for absence from council and committee meetings:

Mr. Anderson on January 16, 17; February 7, 1934;

Mr. Garland (President) on January 31, 1934;

Mr. Magee on January 17, 1934;

Mr. McArdle on February 13, 1934;

Mr. Soost on January 17, 1934.

Which motion prevailed.

Mr. McArdle, at this time obtained leave, and presented

No. 365. An Ordinance appropriating the sum of \$ from the proceeds of the sale of bonds authorized by Ordinance No. 284, approved December 5th, 1933, entitled, "An Ordinance authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of One million four hundred thousand (\$1,400,000.00) dollars, and providing for the issue and sale of bonds of said City in said amount to provide funds for the following purposes, viz: Providing supplies, materials, equipment, labor and supervision (including engineering expenses) for the improvement of streets, parks, playgrounds, wharves, sewers, water lines, bridges and other public properties of the City of Pittsburgh; the labor to be provided from among the unemployed, and providing for the redemption of said bonds and the payment of interest thereon," said bonds being known and designated as Public Work Relief Bonds, 1933, Series "C", Code Account No. 118, for the payment of cost and expense in connection with the construction of foundation for a Soldiers'

Monument to be erected by C. W. A. labor.

Which was read and referred to the Committee on Finance.

Mr. McArdle also presented

No. 366. Resolved, That the Department of Law be requested to advise Council as to the course of action necessary to be taken by the City of Pittsburgh to acquire the rights and such privately owned property as may be necessary to furnish water by the City's Water Bureau to all sections of the City of Pittsburgh now served by privately owned water companies.

Which was read.

Mr. McArdle moved

The adoption of the resolution. Which motion prevailed.

The Chair stated

That the Mayor has requested that further action be postponed until further notice on Bill No. 184, Communication from the Mayor appointing William E. Schoyer as a member of the Traction Conference Board.

Mr. Soost moved

That the Minutes of Council of Tuesday, February 13th, 1934, be approved.

Which motion prevailed.

Mr. Kane arose and said:

Mr. President:—At the time Bill No. 295, An Ordinance levying a 10 per cent. tax on ground rents, was presented to Council, it was introduced for the purpose of granting an opportunity to Mayor McNair to be heard and give his reasons for its enactment into a law.

I want to report that I had a talk with the Mayor this morning and he expressed the opinion that he would forego the opportunity of appearing before Council, he stating that his appearance would not help to change the attitude of Council.

The Mayor further said that he would prevail upon candidates who were aspiring to be elected to the General Assembly at Harrisburg to work for and support legislation that he would submit to the Legislature.

Mr. Magee moved

That Council adjourn for the purpose of meeting in Budget Session.

Which motion prevailed.

And Council adjourned.

#### MOTIONS AND RESOLUTIONS

Mr. Kane presented

No. 410.

Whereas, The Federal Government and the State of Pennsylvania are furnishing relief food and clothing to needy families and persons; and,

Whereas, These governmental agencies make no provision for the payment of rent of indigent families on relief; and,

Whereas, Under the relief laws passed by the Federal Government and the State of Pennsylvania provision is made for shelter, but up to date this provision of the Act has not been made effective by the Pennsylvania State Emergency Relief Board; and,

Whereas, The City of Pittsburgh is unable to assume the obligations that would be incident to the furnishing of rent relief because of its limited resources for relief purposes; and,

Whereas, There is to be a meeting of the Pennsylvania State Emergency Relief Board on Wednesday, February 28, 1934, at which time Welfare Groups of Pittsburgh, headed by the League for Social Justice, propose to present a plan for rent relief by the State; and,

Whereas, The City Council endorses the program for the payment of rent for those on relief rolls who are themselves unable to pay it; therefore, be it

Resolved, That the Council of the City of Pittsburgh recommend to the Pennsylvania State Emergency Relief Board that provision be made at once for the payment of rent of indigent families on relief; and, be it further

Resolved, That the President of Council be and he is hereby empowered to appoint two members of Council to serve on a small committee of experts to draw up a program for rent to be

presented to the State Emergency Relief Board at its meeting on Wednesday, February 28, 1934.

Which was read.

Mr. Kane moved

The adoption of the resolution.  
Which motion prevailed.

And the Chair appointed Messrs. Gallagher and McArdle as members of the committee.

Mr. Magee presented

No. 411. WHEREAS, Prevailing financial and industrial conditions have been and are preventing large numbers of taxpayers from paying their annual taxes to the City, County and School District, so that during the year 1933 less than seventy-five per cent (75%) of the amount levied against real estate was paid into the City Treasury; and,

WHEREAS, This state of affairs dictates the utmost economy in the operation of the City government in order to avoid undue burdens, and expenditures must necessarily be reduced to that end, nevertheless such reduction must be accomplished with the least possible impairment to numerous and vital services rendered by the City to its people; and,

WHEREAS, Various American cities, notably Baltimore and Minneapolis, have, during the past decade, called upon the business community of their respective cities for aid in an expert analysis of their operations, and received such assistance without expense to the City, whereby great economies were accomplished without unduly curtailing the public services rendered; and,

WHEREAS, The Western Pennsylvania Branch of the National Economy League has called the attention of the officers of the City of Pittsburgh to the great possibilities of economy and efficiency in the operations of the City of Pittsburgh, and has urged and requested the City to follow the example of such other cities in making a study in this respect; Therefore, be it

RESOLVED, That the said Western Pennsylvania Branch of the National Economy League be invited to formulate and organize an efficiency staff from and among the engineering, accounting

and other departments of the various industries and business enterprises of the City of Pittsburgh, and obtain, with the co-operation of their executive officers, the professional services of their employees who are qualified to make such an examination and study; And, be it further,

RESOLVED, That the Mayor be requested to forward a copy of this Resolution to the said National Economy League, pledging the support and co-operation of his Department heads, and extending an invitation for the undertaking of the survey as indicated.

Which was read.

Mr. Magee moved

The adoption of the resolution.

Mr. Kane arose and said:

Mr. President: I intend to support the resolution, but I do not want to be recorded as voting for it on the basis that it will prohibit Council from bringing in any other information that will tend to create a more efficient and economical government.

The resolution states that we are inviting the officers of the National Economy League to work out this program, and in discussing the question with members of this League, I asked the question, which to my mind is important in bringing about a better government in the City of Pittsburgh, and they said they have not the information to supply Council to bring about a better management of the Pittsburgh police and fire departments.

It is my honest opinion that much of the confusion in the government of Pittsburgh is a result of the operation and management of the police department which for many years, to my way of thinking, has been used as a political football.

The Economy League, I am informed, has not gathered data on the operation of this department. It is an important department and should not be left out of consideration in the readjustment and re-organization of the city government. I believe policemen should be promoted on the merit basis only. I believe the detective bureau has not been properly handled. I believe that

men who have had police service should receive first consideration in the appointment of detectives. The National Economy League has no information on that. I will vote for the resolution if it does not restrict our power in bringing about much needed reforms in these two departments.

The Chair: We are not giving up any of our prerogatives by asking this League to make this survey for us.

Mr. Magee arose and said:

Mr. President: There is no reason why the city authorities, the Council and the Director of the Department of Public Safety, should not immediately take steps to remedy the conditions that Mr. Kane speaks of if they exist in the Detective Bureau. The thing that would come out of this particular study by the National Economy League, would be an efficient study of how many men the department needs, as to where they should be stationed and where needed, and questions of organization. Mr. Kane is speaking of appointments and dismissals, and those things are in charge of the city officials. The two things are not related.

Mr. Kane arose and said:

Mr. President: I disagree with Mr. Magee. I am speaking on the same subject that he has embodied in his resolution, which means an efficient and economical operation of the various departments of the city government. That goes for the Department of Public Safety the same as any other department. I understand the Director has the right to manage the department, but if we can bring in experts to show us how to handle the other departments, I want to be assured that Council will have the same right with respect to this department—not for the purpose of advising me, but how to find out how we can get the best service for the money spent.

Mr. Magee arose and said:

Mr. President: The things that Mr. Kane speaks about in the Detective Division are within the control of the Director of that department and the Civil Service Commission. The detectives are under the classified service for many years. One of the recent administrations

had its Civil Service Commission remove these men and put them in the exempt class. All appointments in the Detective Division have been made without regard to the Civil Service Law. I have heard a good deal said about this in Council and in committee. I say again that you do not need an efficiency survey with reference to appointment and discharge and discipline of employes in that division.

And the question recurring on the adoption of the resolution.

The motion prevailed.

The Chair presented

No. 412.

CITY OF PITTSBURGH

Office of the Mayor

February 23, 1934.

To the President and Members  
of City Council.

Gentlemen:

For your information, I have this day appointed Walter O. Beyer, 1300 Inverness street, to the position of Member of the Civil Service Commission of the City of Pittsburgh, at a salary of \$3,000 per annum.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read, received and filed.

Mr. Kane arose and said:

Mr. President: For a point of information, I understand that we don't have any authority on the appointment of members of the Civil Service Commission. Is there any way that this Council can find out if there is an efficient administration of that department?

The Chair said:

We have the right to investigate any department at any time. This applies as well to the head of that department. We can bring them before us, send them a questionnaire or anything we want. We can put them out of office on impeachment proceedings, if charges are made and found to be true.

The Chair also presented  
No. 413.

CITY OF PITTSBURGH

Office of the Mayor

February 23, 1934.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read.

The Chair said:

The communication will be referred to the Finance Committee with instructions that the necessary resolution be prepared.

Also

No. 414.

Office of the Budget Controller

Pittsburgh, Pa., February 26, 1934.

President and Members of Council,  
City of Pittsburgh.

Gentlemen:

I hereby tender my resignation as Budget Controller, effective March 1, 1934.

I wish to take this opportunity to thank the members of Council for their friendship and kindness to me during the time I have held this office.

Yours respectfully,

ROBT. J. ALDERDICE,  
Budget Controller.

Which was read, received and filed,  
and resignation accepted.

CITY OF PITTSBURGH

Office of the Mayor

Pittsburgh, Pa.,

February 28, 1934.

President and Members of Council,  
City of Pittsburgh.

Gentlemen:

I am returning the attached Bill No. 365, an Ordinance appropriating the sum of \$400.00 from the proceeds of the sale of bonds authorized by Ordinance No. 284, approved December 5th, 1933, for the payment of cost and expenses in connection with the construction of foundation for a Soldiers' Monument to be erected by C. W. A. Labor,—without my signature, as this money will be spent outside of the City of Pittsburgh; and, in my opinion, it is not legal.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read, received and filed.

Also

Bill No. 365. An Ordinance entitled, "An Ordinance appropriating the sum of \$400.00 from the proceeds of

the sale of bonds authorized by Ordinance No. 284, approved December 5th, 1933, entitled, 'An Ordinance authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of One million four hundred thousand (\$1,400,000.00) dollars, and providing for the issue and sale of bonds of said City in said amount, to provide funds for the following purposes, viz: Providing supplies, materials, equipment, labor and supervision (including engineering expenses) for the improvement of streets, parks, playgrounds, wharves, sewers, water lines, bridges and other public properties of the City of Pittsburgh; the labor to be provided from among the unemployed, and providing for the redemption of said bonds and the payment of interest thereon,' said bonds being known and designated as Public Work Relief Bonds, 1933, Series 'C', Code Account No. 118, for the payment of cost and expense in connection with the construction of foundation for a Soldiers' Monument to be erected by C. W. A. labor."

In Council, Feb. 26, 1934, Bill read, committee amendments agreed to, rule suspended, read a second and third times and finally passed.

Which was read.

And on the question, "Shall the bill become a law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

Noes:—Messrs.

Anderson	Magee
Demmler	McArdle
Gallagher	Soost
Huston	Garland, (Pres't)

Ayes none. Noes 8.

And there not being two thirds of the votes of council in the affirmative, the bill failed to become a law notwithstanding the objections of the Mayor.

Mr. Gallagher, from Special Committee, presented

No. 461.

Pittsburgh, March 5, 1934.

To the President and  
Members of Council.

Gentlemen:

We, the undersigned committee, ap-

pointed in pursuance of the provisions of Resolution, Bill No. 410, in company with a committee representing welfare and social agency groups, attended a conference at Harrisburg on Wednesday, February 28th, with the Pennsylvania State Emergency Relief Board, at which conference the subject of rent for relief cases, based upon a proposal to have the State Emergency Relief Board assume an obligation equal to taxes, water rent, insurance and a nominal sum for repairs, was thoroughly discussed.

The State Emergency Relief Board made representation that the funds at its disposal from State and National sources might prove inadequate to enable it to commit itself to such a program; but gave the committee assurance that the matter would receive its full consideration, and some of the members expressed themselves as being in sympathy with the purposes of the proposal.

This proposal is being urged upon the Board by other localities and is of such a pressing nature that the Board will undoubtedly have to give full consideration to it in working out its program for the future.

While unable to report any definite achievement as a result of the conference, your committee is of the belief that the effort may prove of value in the future treatment of relief problems by the State and National agencies.

The State Emergency Relief Board was represented at the conference by the Lieutenant-Governor, The Auditor-General, the State Treasurer, the Speaker of the House of Representatives, the Secretary of the Department of Welfare, and Eric Biddle, Executive Director.

Respectfully submitted,

P. J. McARDLE,

THOS. J. GALLAGHER.

Which was read, and on motion of Mr. Huston, approved.

Mr. Anderson moved

That the Minutes of Council of Monday, February 26th, 1934, be approved.

Which motion prevailed.

And on motion of Mr. Soost

Council adjourned.

Materials Engineer", and after the item "Materials Engineer", the words "Asst. Materials Engineer for four and one-half months alternately with Materials Engineer, \$2,000.00 per annum."

Mr. Magee said:

Mr. President:—The purpose of the amendment is to carry out the plan intended of our principle in staggering the various places and positions in the budget as far as it can be done. I think it was an oversight on the part of the Finance Committee.

And the question recurring on the motion of Mr. Magee to amend the bill in Section 101.

The motion prevailed.

Mr. Huston moved

To amend the bill in Section 40, by striking out the following:

"Fire Prevention Chief, \$3,000.00 per annum, Four Fire Prevention Inspectors, \$2,000.00 each per annum, Clerk, \$1,650.00 per annum."

The Chair said:

Gentlemen:—I would like to say a word on this amendment. Mr. McArdle, will you please take the Chair?

Mr. McArdle assumed the Chair.

Mr. Garland said:

Gentlemen:—This question came up rather hurriedly the other day, and I offered to acquaint the members of Council with the reason for this Fire Prevention Bureau, and I had copies of certain former communications sent to Council made, and I believe you gentlemen have copies of those communications.

The Chair said:

Yes.

Mr. Garland said:

Some of the larger cities in the country have a fire prevention bureau. It is not the fault of the Council that it is not functioning. I called up the Board of Fire Underwriters about it. The original ordinance was presented to

Council in the latter part of 1928 and for several years it was a matter of discussion. It was recommended by the Mellon Institute, the Chamber of Commerce and the National Fire Protection Association. This latter organization wrote a letter at that time. I quote their letter.

"September 24th, 1928.

Hon. James F. Malone, President,  
City Council,  
City-County Bldg.,  
Pittsburgh, Pa.

Dear Mr. Malone:

We have been informed that an ordinance establishing a fire prevention division in the fire department is before your Council for action.

I have made several visits to Pittsburgh and am familiar with fire conditions there and with the proposed ordinance. It is my opinion that its passage would be of considerable benefit to the city and I hope that your Honorable Council will act on it favorably. Such fire prevention divisions have been of great value in many of the large cities, especially so in Boston, Detroit, Philadelphia, Baltimore, Cleveland, Los Angeles, and other cities where they have been given the proper facilities and legislative backing.

Very truly yours,

NATIONAL FIRE PROTECTION ASSO.,'

/s/ PERCY BUGBEE,

Assistant Managing Director."

Now, this is the result of a couple of years discussion before we started this fire prevention bureau. The claim was made in committee that it was not functioning; the men were not doing the work. It is not the fault of the people who set up this bureau in the city.

I called up the Board of Fire Underwriters and asked them if this Bureau were done away with, would it have any affect on insurance rates, and their answer was that if the Bureau would function properly, we would get better rates. We are under a new administration. If the new administration can make the Fire Prevention Bureau function properly, we will be doing what the Board of Fire Underwriters want.

The question is, shall we abolish this bureau?

Mr. Huston arose and said:

Mr. President:—My reason for making this motion is, that the Fire Chief says it is not necessary. It is only a duplication of the work done by his firemen.

Mr. Garland said:

The new Chief says this.

Mr. Huston:

The new Chief of the Bureau of Fire says this is duplicating the work of his firemen. It has been in existence six years and during all that time the insurance rates have not been decreased.

Mr. Garland resumed the Chair.

Mr. Magee arose and said:

Mr. President, weren't there some other amendments to be made by striking out.

The Chair:

That's the only one.

And the question recurring on the motion of Mr. Huston to amend Section 40.

The motion prevailed.

Mr. Magee arose and said:

Mr. President:—The finance committee six weeks ago undertook to balance a two million dollar deficit in the budget of 1934, bequeathed to us by our predecessors. There were but two ways in which to accomplish this: increasing the revenues, decreasing expenditures, or both. No progress has been made in the former. It is true that the city treasurer and the city solicitor are active in stimulating the collection of delinquent taxes and so far about \$100,000 more has been collected for delinquent taxes and metered water rents than during the corresponding period last year. Unfortunately the downward curves of current tax receipts is continuing. During the first two months this year, the treasurer has collected \$300,000 less than in the corresponding period last year. To date the net effect of revenue collections is \$200,000 below last year.

On the other side of the ledger there is only one class of expenditures over which council can exercise any control. That is in the \$9,000,000 payroll. After six weeks of consideration, the finance committee produced a bill with about 30

eliminated officers and about 440 staggered positions with an average of 70% of time of employment. All this amounts to about \$300,000 reduction in the \$9,000,000 payroll. But as the finance committee went on with its deliberations, it forgot its purpose of balancing the budget and shifted its discussion to the salary and wage equities among the various classes of city employees. Under the impression that those under \$1500 had been reduced two years ago, it granted an increase of 10% to 2200 employes for a total of \$185,000, and the finance committee took no action with reference to statutory salaries. Last year there was a saving of about \$25,000 in this latter class. Add that sum to \$185,000, the total of the increased classes is \$200,000 more than last year. Thus at the expense of the middle class positions and salaries, those at the base and the apex of the pyramid, profit and the net saving on the total city payroll is less than \$100,000. Since the net revenues have already fallen off \$200,000 the bill before us is an impotent instrument for the purpose intended. This bill should be returned to the Finance Committee for further action. It has not taken into account the deficit it was aimed at. It has not taken into account the further depletion of revenues in 1934. It is little more than a salary and wage equalization bill and even in that respect is founded on a misapprehension of fact.

I move that the bill be returned to the Committee on Finance for further consideration.

(Motion not seconded).

Mr. Demmler arose and said:

Mr. President: I voted for an increase in salary for those earning less than \$1,500.00 yearly. This salary ordinance represents a fair and just treatment of the city employees.

The salaries and wages fixed are such that the City has a just right to look for full time service and satisfactory service.

My vote in favor of this Salary Ordinance does not mean that I approve of every position and all the salaries set up in the same.

To my mind, if we are to have efficiency and economy in the operation of our city government, the same must be

gotten through the Directors of the Departments. I have it on good authority that in one department alone, the Director could save a quarter of a million dollars a year. It is here that we must look for savings.

Positions set up in the ordinance and not needed should be left vacant and the salary saved.

I will back up the Directors in any dismissal for inefficiency or other just cause.

The citizens of the City must be served. Necessary services must be rendered in a better way, and the service improved in every respect. We would pay our taxes with less regret, if we felt sure that we got a dollar's worth of service for each dollar of taxes paid.

And the bill, as read a second time and amended, was agreed to.

#### MOTIONS AND RESOLUTIONS

Mr. Magee presented

No. 497.

Whereas, For many years the City of Youngstown, Ohio, and other neighboring cities and towns between Pittsburgh, Pa., and Lake Erie, near Conneaut and Ashtabulaa, Ohio, have combined their efforts with the business interests of Pittsburgh and Western Pennsylvania in urging the Congress of the United States to make appropriations for and construct a water way from the Ohio river via Beaver river to Lake Erie, known as the Lake Erie and Ohio River Canal; and

Whereas, At various hearings before the Engineers of the War Department in Washington, the delegation representing Youngstown, Ohio, stood shoulder to shoulder with the delegation from Pitts-

burgh in urging the construction of a Complete Water Way from the Ohio River to Lake Erie; therefore, be it

Resolved, That the Council of the City of Pittsburgh reaffirms its previous resolutions in favor of a complete Water Way from the Ohio river through Youngstown, Ohio, to Lake Erie, and urges the officials and people of Youngstown, Ohio, and vicinity to continue the pleasant cooperation of the past for the benefit of the entire Pittsburgh-Youngstown District; and be it further

Resolved, That a copy of this resolution be presented at the hearing tomorrow at Youngstown, Ohio, on this subject.

Which was read.

Mr. Magee moved

The adoption of the resolution.

Which motion prevailed.

The Chair stated

That Mr. George M. Lehman would be given a copy of the resolution, certifying that it was adopted unanimously as the official action of council, to take to Youngstown with him tomorrow.

Mr. McArdle moved

That the Minutes of Council of Monday, March 5 and Thursday, March 8, 1934, be approved.

Which motion prevailed.

Mr. McArdle moved

That Council recess until tomorrow (Tuesday, March 13, 1934) at 1:30 o'clock, P. M., to take final action on the salary bill.

Which motion prevailed.

And Council recessed.

No. 542.

Whereas, Numerous complaints have been cited in the public press that bona fide organizations, composed of responsible citizens of the City of Pittsburgh, have been denied the privilege of holding street parades or processions; and,

Whereas, It is the sense of Council that all responsible organizations desiring to hold parades or processions on

the streets of the City of Pittsburgh should be given a permit; and,

Whereas, There is on the Ordinance Books of the City of Pittsburgh, an ordinance known as No. 557, approved October 2, 1912, which regulates street parades, processions and street assemblages or meetings, and provides how permits for such purposes may be obtained; therefore, be it

Resolved, That the Council hereby requests the Director of the Department of Public Safety to carry out the provisions of Ordinance No. 557, and issue permits to all responsible organizations to hold parades, processions or meetings under the terms and provisions of the above mentioned ordinance.

Which was read.

The Chair presented

No. 543.

CITY OF PITTSBURGH

Office of the Mayor.

March 14, 1934.

Mr. Robert Clark,  
City Clerk,

Pittsburgh, Penna.

Dear Sir:—

There is a statement by Councilman Maagee, relative to the regulations governing rates for taxicabs, in the Pittsburgh Post Gazette of this date, part of which reads as follows:

"But that is just our testimony, and I don't see how we can go much further than that. We are not given the power to decide who shall operate

here and who shall not. That's up to the Public Service Commission."

I wish you would call Council's attention to Article XIX, Corporate Powers, Charter Ordinance, Section 3, Page 88 of Councilmanic Hand Book of Pittsburgh for 1932-33, which reads as follows:

"XXIV. To establish stands for coaches, cabs, omnibuses, carriages, wagons and other vehicles for hire, and to enforce the observance and use thereof, and to fix the rates and prices for the transportation of persons and property from one part of the city to another."

Respectfully yours,

Wm. N. McNAIR,

Mayor.

Which was read and referred to the Committee on Finance, and a copy ordered furnished each member.

Also

No. 544.

CITY OF PITTSBURGH

Office of the Mayor

March 19, 1934.

To the President and  
Members of City Council.

Gentlemen:

I have the honor to inform you that I have appointed, subject to your approval, Ralph E. Smith, 1201 West Point avenue, 27th Ward, as a member of the Traction Conference Board, in place of Charles A. Finley, removed, and ask for your prompt confirmation of the same.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Which was read and referred to the Committee on Public Service and Surveys in order that the proper resolution may be prepared.

Mr. Huston moved

That the Minutes of Council of Monday, March 12th, 1934, be approved.

Which motion prevailed.

And there being no further business before the meeting, the Chair declared Council adjourned.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Huston
Demmler	Kane
Gallagher	McArdle
	Garland, (Pres't)

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 512. An Ordinance entitled, "An Ordinance authorizing and directing the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, to enter into an Agreement with the Secretary of Highways of the Commonwealth of Pennsylvania, giving consent to the said Secretary of Highways to repave the roadway of the Boulevard of the Allies in the City of Pittsburgh, State Highway Route 120, between a point 300 feet east of Seneca street and a point 370 feet east of the Liberty Bridge Approach; authorizing the Department of Highways of said Commonwealth to advertise for and receive bids for the City's share of the physical cost of said improvement; to award a contract or contracts therefor; to supervise the performance of work provided for by such contract or contracts; to forward estimates to the proper officers of the City of Pittsburgh for approval and payment; providing that the proper officers of the City shall enter into a contract or contracts with the successful bidder or bidders for the performance of the City's share of said physical work, and providing for the payment of the cost thereof," authorizing and directing the Mayor and the Director of the Department of Public Works to enter into a contract or contracts for the performance of the City's share of said improvement, and appropriating the sum of Two Thousand (\$2,000.00) Dollars, from Code Account No. 1550-E, General Repaving, for the payment of the cost thereof."

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Huston
Demmler	Kane
Gallagher	McArdle
	Garland, (Pres't)

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 510. Resolution accepting the offer of May, Stern & Company to beautify the triangular plot at the intersection of Bigelow boulevard and Grant street in conformity with plans and specifications approved by the Art Commission, the City Planning Commission and the Director of the Department of Public Works.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Huston
Demmler	Kane
Gallagher	McArdle
	Garland, (Pres't)

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Also

Bill No. 382. Resolution authorizing the issuing of a warrant in favor of Henry Wachter and Carrie E. Wachter, his wife, of 131 Boulevard, Carrick Station, City, in the sum of \$1,600.00, in full settlement of their claims against the City of Pittsburgh for personal injuries sustained by the said Carrie E. Wachter on February 8, 1933, on Stengel street, between Shore and Reedsdale streets, and charging the same to Code Account No. 42, Contingent Fund.

Which was read.

Mr. McArdle moved

A suspension of the rule to

allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Huston
Demmler	Kane
Gallagher	McArdle
	Garland, (Pres't)

Ayes 7. Noes none.

And there being two-thirds of the votes of council in the affirmative, the resolution passed finally.

Also

Bill No. 511. Resolution authorizing the issuing of a warrant in favor of Irma Hirth, 2615 Plainview avenue, City, in the sum of \$200.00, in full settlement of her claim against the City of Pittsburgh for personal injuries sustained November 9, 1933, on the boardwalk on Plainview avenue near Brookline boulevard, and charging same to Code Account No. 42, Contingent Fund.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Huston
Demmler	Kane
Gallagher	McArdle
	Garland, (Pres't)

Ayes 7. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

Also

Bill No. 459. Communication from the Mayor appointing Charles E. Jackson, 5630 Harvard street, to the position of Police Magistrate, Depart-

ment of Mayor, vice Thomas D. Jones, deceased.

In Committee on Finance, March 20, 1934, ordered returned to council for action.

Which was read, received and filed.

Mr. Demmler arose and said

"Mr. President: The Democratic members of Council are voting against the confirmation of Mr. Jackson for the reason that he was indicted and convicted in the quarter session court of this County."

And the Chair stated

That the question is "Shall the appointment of the Mayor be approved and confirmed?"

And the ayes and noes were taken agreeably to law, and were:

Ayes:—Mr. Magee

Noes:—Messrs.

Anderson	Huston
Demmler	Kane
Gallagher	McArdle
	Garland, (Pres't)

Ayes 1. Noes 7.

And a majority of the votes of council being in the negative, the approval of the appointment of Charles E. Jackson as Police Magistrate was rejected.

Mr. Kane presented

No. 597. Report of the Committee on Public Works for March 20, 1934, transmitting an ordinance to council.

Which was read, received and filed.

Also, with a negative recommendation,

Bill No. 296. An Ordinance entitled, "An Ordinance amending an ordinance entitled, 'An Ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses and regulating and limiting the height and bulk of buildings hereafter erected or altered, and regulating and determining the area of yards, courts and other open spaces in connection with buildings hereafter erected or altered, and establishing the boundaries of districts for the said purposes; conferring certain powers upon the Superintendent of the Bureau of Building

Inspection; providing for a Board of Appeals, and imposing penalties,' approved August 9, 1923, and supplements thereto, by changing the Zone Map, Thirty-second Ward, formerly Overbrook Borough, so as to change from a 'B' Residence Use District to a Commercial Use District, all that certain property having a frontage of 50 feet on the southerly side of Olivet avenue, being lots numbered 574 and 575 in Wm. E. Harmon's Plan of 'Overbrook.'

Which was read.

Mr. Kane moved

That further action on the bill be indefinitely postponed.

Which motion prevailed.

Mr. Demmler presented

No. 598. Report of the Committee on Public Service and Surveys for March 20, 1934, transmitting an ordinance to council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 503. An Ordinance entitled, "An Ordinance changing the name of Eddy way, from Sabina street to Frayne street, in the 15th Ward of the City of Pittsburgh, to 'Elyria way', such change of name to be retroactive and effective as of October 2, 1933."

Which was read.

Mr. Demmler moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Garland, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of council being in the affirmative, the bill passed finally.

Also

Bill No. 544. Communication from the Mayor appointing Ralph E. Smith as a member of the Traction Conference Board in place of Charles A. Finley, removed.

In Public Service and Surveys Committee, March 20, 1934, Read and returned to Council for action.

Which was read.

Mr. Huston moved

That the appointment of Ralph E. Smith as a member of the Traction Conference Board be approved and confirmed.

Mr. Magee moved

That the motion to approve the appointment of Ralph E. Smith as a member of the Traction Conference Board be laid on the table.

Upon which motion, the ayes and noes were ordered taken, and being taken were:

Ayes:—Messrs.

Anderson	McArdle
Magee	Garland, (Pres't)

Noes:—Messrs.

Demmler	Huston
Gallagher	Kane

Ayes 4. Noes 4.

And there not being a majority of the votes in the affirmative, the motion did not prevail.

Mr. Magee arose and said:

Mr. President: On the subject of the main question, it would be an act of folly for Council to pass this resolution. There is no vacancy before the Council that the body can approve of, and therefore the Council is really stultifying itself if it passes the resolution, because it cannot be effective in the absence of a removal.

Mr. Huston arose and said:

Mr. President: I cannot agree with that. The Mayor, in his communication, states both cases. I am in favor of confirming Mr. Smith.

Mr. Magee arose and said:

Mr. President: I would suggest to Mr. Huston that he inquire if the

individual, Mr. Finley, has been removed.

Mr. Huston arose and said:

Mr. President: It states in the communication that he be removed.

The Chair said:

The Mayor must, with the consent of Council, remove Mr. Finley first, and when this is accomplished, he can appoint a person to the vacancy. That is the law.

Mr. Magee arose and said:

Mr. President: Mr. Finley has received no communication from the Mayor removing him from his position as Chairman of the Traction Conference Board, and the Council has not acted on any removal. This communication from the Mayor is not an act of removal.

Mr. Huston arose and said:

Mr. President: I disagree with the gentleman. There is a clause in the Mayor's communication asking the removal of Mr. Finley. I asked the City Solicitor for an opinion as to whether Council could do this, and he informed me that it is legal.

Mr. Kane arose and said:

Mr. President: I arise to a point of information. If this is concurred in; if this recommendation is confirmed, will we place Mr. Smith in Mr. Finley's position?

The Chair said:

Yes, sir.

Mr. Kane arose and said:

Mr. President: I am in favor of voting on the place, but I am not in favor of placing Mr. Smith in that position.

I believe that Mr. Smith will make a very competent Director of Public Safety if he is permitted to function as a man should in that position.

If his subordinates do not supersede him and interfere with him he will function satisfactorily. I think the man is honest and wants to do what is right.

Mr. Smith has no experience to carry out an appointment to the Traction Conference Board.

The Chair said:

This position is unlike any

other in the City. The office holder must first be removed with the consent of Council, and then the appointment of his successor made. If you want to make a motion to remove Mr. Finley to clarify the record, you may do so.

Mr. McArdle arose and said:

Mr. President: I would like to call attention to the fact that the Agreement under which this proceeding is demanded to be carried through says that in order to create a vacancy the consent of Council must be had, and I take it, in order to get that consent, the Mayor, if he wishes to remove any member, would first ask for that consent, the consent being a prerequisite to the removal, the consent to the performance of an act before the act takes place. I think any reasonable interpretation of the communication now before us leaves the Mayor exactly in the same position he was in on a prior appointment, when he asked us to confirm an appointment before a vacancy existed. I don't believe a vacancy exists because he has removed a member of the Board. I don't believe that to be a fact, and I agree very largely with Mr. Magee that Council ought not to confirm somebody before a vacancy has been created.

The Chair said:

That is exactly what I said in other language. In the agreement it specifically provides that the consent of Council must be given to a removal.

Mr. Anderson arose and said:

Mr. President: I wish to make myself clear on this. I am ready to vote on it today. Mr. Finley is the active member of the Board, and I am in favor of retaining him in his position. It isn't at all out of order for a member to express himself on this matter publicly or privately.

Mr. Huston arose and said:

Mr. President: I wish you would make a declaration of your ruling on my motion.

The Chair said:

You cannot declare anything other than the motion is out of order.

Mr. Anderson arose and said:

Mr. President: You then declare Mr. Huston's motion out of order?

The Chair said:

Yes, sir. You haven't it before you in proper language from the Mayor. He must first remove the man and get our consent.

Mr. Anderson arose and said:

Mr. President: Then, in the event he doesn't do that, the gentleman continues in his position? I wish to have this point cleared up so that Mr. Huston will understand it. I am ready to vote on it today.

The Chair said:

You cannot vote on it because it is not in proper order. The action of the Committee the other day was to return the communication to Council without action.

Mr. Kane arose and said:

Mr. President: I am willing to change my vote on it.

Mr. Kane moved

To reconsider the vote by which the motion to lay on the table was lost.

Which motion prevailed.

And the question recurring, "Shall the motion to approve the appointment of Ralph E. Smith as a member of the Traction Conference Board be laid on the table?"

The motion prevailed.

Mr. Anderson presented

No. 599. Report of the Committee on Health and Sanitation for March 20, 1934, transmitting several ordinances to council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 498. An Ordinance entitled, "An Ordinance appropriating the sum of Three Thousand (\$3,000.00) Dollars, from the Garbage and Rubbish Disposal Fund, Code Account No. 1261, for the payment of the cost of supplies, miscellaneous services, materials, rentals, equipment, labor and supervision (including engineering expenses) for the demolition of buildings, dwellings or other structures which have been or may be declared unsafe and/or unsanitary by either the Bureau of Building Inspection or the Bureau of Sanitation, for the Department of Public Health."

Which was read.

Mr. Anderson moved

A suspension of the rule to al-

low the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Anderson also presented  
No. 600.

City of Pittsburgh, Pa.,

March 21, 1934.

Committee on Health and Sanitation.

Gentlemen:

At your meeting held yesterday, March 20th, Bills Nos. 498, 499 and 500 were under consideration and referred to this department and the City Controller as to whether or not the expenses can be charged against Bond Fund No. 118, Public Works Improvements of 1932.

This Bond Fund was for the purpose of providing supplies, materials, equipment, labor and supervision (including engineering expenses) for the improvement of streets, parks, playgrounds, wharves, sewers, water lines, bridges and other public properties of the City of Pittsburgh, the labor to be provided from among the unemployed, and providing for the redemption of said bonds and the payment of interest thereon.

The bills under your consideration have nothing to do with the public works; they relate to the demolition of privately owned buildings that have become unsafe and unsanitary.

The Controller and I are agreed that the bond moneys cannot be applied to doing work on private property.

Yours respectfully,

THOS. M. BENNER,

First Asst. City Solicitor.

Which was read, received and filed.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson

Demmler

Gallagher

Huston

Ayes 8. Noes none.

Kane

Magee

McArdle

Garland, (Pres't)

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 499. An Ordinance entitled, "An Ordinance authorizing and directing the Mayor and the Director of the Department of Public Health to advertise for proposals and to award a contract or contracts for the rental of construction equipment and/or motor trucks required for the demolition of buildings, dwellings or other structures, to be carried out by City forces or by forces otherwise provided in the Department of Public Health, and providing for the payment of the costs thereof."

Which was read.

Mr. Anderson moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Garland, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 500. An Ordinance entitled, "An Ordinance authorizing and directing the Mayor and the Director of the Department of Public Health to make application to the Civil Works Administrator for Allegheny County for the carrying out and completion of an Unemployment Relief Project for slum clearance in conjunction with the Civil Works Administration, and authorizing the payment of such costs required for this project as may not be assumed by the Civil Works Administration, including as may be necessary the rental or purchase of tools, plant, motor trucks and equipment, the payment of engin-

earing and general supervisory expenses, miscellaneous services, repairs, materials and supplies, for the proper performance of said work."

Which was read.

Mr. Anderson moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Garland, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 417. An Ordinance entitled, "An Ordinance authorizing the issuance of a warrant for the collection and disposal of Garbage and Rubbish without previous authority of law in favor of Allegheny Garbage Company, Inc., in the sum of \$10,768.24."

In Committee on Health and Sanitation, March 20, 1934, Bill read and amended, by striking out in the preamble, the words "with the understanding that adjustments will be made to conform to their bid prices for 1934," and as amended ordered returned to council with an affirmative recommendation.

Which was read.

Mr. Anderson moved

That the amendment of the Health and Sanitation Committee be agreed to.

Which motion prevailed.

And the bill, as amended in committee and agreed to by council, was read.

Mr. Anderson moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Garland, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

#### MOTIONS AND RESOLUTIONS.

Mr. Demmler presented

No. 601. WHEREAS, The City Council has voted to continue the office of Budget Controller, and the Western Pennsylvania Branch of the National Economy League is about to make a survey of the various branches of the City government; Therefore, be it

RESOLVED, That Council does hereby appoint Mr. Edward A. Schofield, 259 Melwood street, Pittsburgh, Pa., to the office of Budget Controller, for the period beginning April 1, 1934, and ending December 31, 1934.

Which was read.

Mr. Magee moved

That the resolution be referred to the Committee on Service and Surveys.

Mr. Huston arose and said:

Mr. President: I would like to see this resolution acted on today. We know there is such a position. I know the man is qualified to fill the position.

Mr. Anderson arose and said:

Mr. President: I don't know the gentleman. I am in favor of referring it to committee so that we may learn something of the gentleman whose name is mentioned in the resolution. It will have to be done anyhow by a recommendation from the committee.

Mr. Demmler arose and said:

Mr. President: I might mention on that point that last Tuesday I inquired from the Chairman of the Fi-

nance Committee if such a motion as now before you would be entertained by his committee. I was informed then that a resolution should be introduced and acted on in Council, and that is the reason for this resolution being before you today. I am in no hurry to put this through; I will wait until we act on the other motion.

Mr. Magee arose and said:

Mr. President: I for one would like to know what the rush is. I think it should go to committee for consideration. I know Mr. Schofield, but I am not ready to vote for him yet.

The Chair said:

Gentlemen, It was understood in committee last week that his appointment would be brought up today.

And the question recurring on the motion to refer the resolution to the Committee on Service and Surveys.

The motion did not prevail.

Mr. Huston moved

The adoption of the resolution.

Mr. Demmler arose and said:

Mr. President: If I might make remarks on that, I wish to state that Mr. Schofield by experience is well qualified to fill this position, and I am sure some of the other members of Council believe that he is qualified to fill this position, and that he will interpret the matters that come before Council without fear or favor. He understands our language and understands city affairs in that way.

Mr. Magee arose and said:

Mr. President: I want to know if Mr. Demmler will answer a question?

Mr. Demmler arose and said:

Yes, sir, I will.

Mr. Magee said:

I want to know what Mr. Schofield's qualifications are with respect to carrying out the duties of a budget controller, and if he understands what is required of him in that position?

Mr. Demmler arose and said:

Mr. President: If I might answer that, the Budget Controller is to interpret for Council the information and data that is to be obtained from the various Directors and Bureau heads of the City Government; he is to make contact with the various Directors and bureau chiefs, and he is to be a man

who can secure whatever information is required about the departments and their various activities, and furnish that information to Council or any committee thereof. He is to be a man with common sense.

Mr. Magee arose and said:

Mr. President: Those are not sufficient qualifications to fill this office. The man ought to be an engineer, or at least be an accountant and understand a great deal about the conduct of the affairs of the City of Pittsburgh and know the various functions and activities of the administrative departments of the City. Literally there are hundreds of them. He ought to be a man who has sound basic fundamental experience in these matters, and not only who has merely an academic training for this office. I don't necessarily say that he must be an engineer or accountant, but he must have experience to intelligently investigate—and using Mr. Demmler's term—be able to interpret what is going on in these departments. It happens that we now have a capable accountant doing this work, and I am sure that the members of Council know that Mr. Breitenstein does have the qualifications to perform the duties of this office; he has the qualifications to do the things that Mr. Demmler wants to have done for him. He is asking that a man be appointed in a useless position, and thereby throwing away \$5,000.00 a year. I am not in favor of filling this position with one who is not qualified to fill it and whose only qualification is common sense. I can get hundreds of people on the streets who will be glad to work for \$100.00 a month, and all of them with common sense.

Mr. Demmler arose and said:

Mr. President: Since Mr. Magee mentioned the name of Mr. Breitenstein. I want to say that I regard Mr. Breitenstein as a statistician well qualified and capable to fill his position very acceptably. I don't believe he interprets for Council what we want to know. Mr. Breitenstein set up the salary bill, and in conversation with him later, he said that if he was allowed to set up a schedule to provide the city with all the services it needs, he could save the City of Pittsburgh \$500,000.00 a year. Mr. Breitenstein can bring those figures to us, and we want those fig-

ures. However, I don't feel that he is qualified to fill the position of budget controller. Simply because is he a statistician or an accountant, doesn't qualify him for the position.

Mr. Anderson arose and said:

Mr. President: I don't agree with Mr. Demmler about the Budget Controller getting information for Council. That's the trouble with the Council. That is what has happened in Council for many years. Council should on its own initiative secure this information and data.

However, if the Council is going to fill this position, we ought to have a man who will make a survey of all departments and submit his recommendations to Council; not have the departments through the Budget Controller furnish the information to Council. That is the trouble we are in with respect to the operation of these departments.

I don't feel like going along with the gentleman who has been nominated for this position if he is going to take his recommendations from these departments and then furnish them to Council. That is what we have been doing for years.

If we are going to fill this position, we ought to have a man who will make a thorough survey and furnish his own recommendations to Council. Even in the reports of Mrs. Smith and Mr. Conick, they said they didn't have the time to make a survey of all city activities, and for that reason didn't make as complete a recommendation as they ought to have made. That is what a budget controller should do. He should make it his duty to go through these departments, without the assistance of the heads of the bureaus or the Directors of the departments, and furnish his own recommendations. That is the way I feel about this position. I am ready to vote to fill this vacancy, but I don't feel that it should be filled on a suggestion such as Mr. Demmler makes. My opinion is that it is the wrong way to do it. That is what has been done in the past. We want a man to go in and make a survey of all departments, irrespective of what the departments and especially the big bureaus have done, and we want a man to advise us what should be done, not the

departments to tell him what should be done and send it second-hand to Council.

Mr. Huston arose and said:

Mr. President: I think Mr. Schofield will do just what Mr. Anderson wants or says the man filling this position should do, and when the year rolls around, we will know something about these departments.

Mr. Kane arose and said:

Mr. President: I am ready to vote on the nomination today. I happen to be one who voted to abolish this position, because I thought it was unnecessary. The demand was on for economies and I thought this was one place where the Council could economize, and abolish the position. In regard to the duties performed by Mr. Breitenstein, I merely want to say that he has, as statistician, furnished Council for the past several weeks, with information. Whether he is capable to perform the duties of the budget controller, I am not able to say. I am ready to vote on the motion.

Mr. McArdle arose and said:

Mr. President: I shall vote NO on this resolution, and I show no disrespect to the gentleman, whose name is before us for appointment, by doing so. I don't know the gentleman; I don't know what his qualifications are. I am voting NO now and will vote NO on any proposal to fill this position, until we receive the results of the survey of the activities of the City of Pittsburgh from the people who have been invited to make it. When we get the results of that survey, if and when we get it, we can then intelligently determine whether we need a budget controller or not. I for one will worry along with what organization we have in that office now.

And the question recurring on the adoption of the resolution.

The ayes and noes were ordered taken, and being taken were:

Ayes:—Messrs.

Demmler	Huston
Gallagher	Kane
	Garland, (Pres't)

Noes:—Messrs.

Anderson	Magee
	McArdle

Ayes 5. Noes 3.

And a majority of the votes of council being in the affirmative, the motion prevailed.

Mr. McArdle presented

No. 602. WHEREAS, The Allegheny County Medical Society has appointed a special committee composed of Drs. Walter F. Donaldson, W. W. G. MacLachlan and I. H. Alexander to confer with the City Health Department during the present epidemic of psittacosis; and

WHEREAS, A hearing has been arranged to discuss proposed legislation dealing with the subject of this disease; Therefore, be it

RESOLVED, That the above mentioned committee be invited to attend said hearing on Wednesday, March 28th, and give the Council committee the benefit of their judgment of the provisions of said ordinance.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Which motion prevailed.

Also

No. 603. RESOLVED, That the Council of the City of Pittsburgh approve the proposal made to the State Emergency Board by the Pittsburgh Real Estate Board, which briefly is as follows:

"The organized real estate interests of Allegheny County will agree to furnish sufficient sanitary housing to house all of the families on welfare in the county, in consideration of which allocation of sufficient funds from public monies be made to cover the following charges:

1. Current taxes, city, county, school, township, borough, poor, etc.
2. Water rents.
3. Fire and public liability insurance.

"All of the above monies to be paid on a monthly basis, said checks to be made payable to the various governing bodies, with exception of payments for insurance, which should be paid to the property owner or his agent.

"The tenant occupying such premises to sign a lease calling for possession upon thirty days notice in writing and to give up quiet and peaceable possession of said premises upon such notice."

RESOLVED further, That a copy of this Resolution be forwarded to the State Emergency Board at Harrisburg, through its Executive Director, Eric H. Biddle.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Which motion prevailed.

Mr. Gallagher, at this time, presented

No. 604. Resolution authorizing and directing the City Controller to transfer \$500.00 from Code Account No. 1307, Supplies, District Physicians, to Code Account No. 1305, Equipment, General Office, Department of Public Welfare.

Which was read and referred to the Committee on Finance.

Mr. Huston presented

No. 605. WHEREAS, Hon. Wm. N. McNair, Mayor, in a letter to Council dated March 19, 1934, expressed his wish to remove Charles A. Finley as Chairman and Member of the Traction Conference Board; Therefore, be it

RESOLVED, By the Council of the City of Pittsburgh, in regular session met, That the removal of the said Charles A. Finley be and the same is hereby consented to.

Which was read.

Mr. Huston moved

The adoption of the resolution.

The Chair said:

The Mayor has sent no communication to Council removing Charles A. Finley as a member of the Traction Conference Board, and there is nothing before us. We cannot vote to consent to this removal until the Mayor sends us a communication asking us to consent to the removal as provided for in the Traction Conference Agreement. I will, therefore, rule the resolution Out of Order.

ROBT. GARLAND .....President

ROBERT CLARK.....City Clerk

EDW. W. LINDSAY.....Ass't City Clerk

Pittsburgh, Pa.,

Thursday, March 29, 1934.

Council met pursuant to the following call:

Pittsburgh, Pa.,

March 27, 1934.

Mr. Robt. Clark,  
Clerk of Council.

Dear Sir:

Please call a special meeting of Council for Thursday, March 29, 1934, at 3 o'clock, p. m., for the purpose of taking up a communication from the Mayor, and such other business as may come before the meeting.

Very truly yours,

ROBT. GARLAND,  
President of Council.

Which was read, received and filed.

Present:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Garland, (Pres't)

Absent:—Mr. Soost.

The Chair presented  
No. 606.

March 27, 1934.

To the President and  
Members of City Council.

Gentlemen:

I am returning herewith Ordinance No. 463 without my approval, for the following reasons:

On January 21, 1934, I transmitted to you certain recommendations for changes in the 1934 budget asking you to give serious consideration to the elimination of unnecessary requests or certain positions and other expenditures in order that the anticipated revenue for 1934 would be sufficient to meet the expected expenditures for 1934.

I also submitted at that time a report of my budget observers which contains specific recommendations for effecting savings which I recommend for your adoption.

On March 20, 1934, after the elapse of almost two months since I sent my recommendation to you, I was presented with your proposed salary ordinance for 1934 for my approval and signature.

After carefully reviewing this proposed ordinance and after consultation with all of my department heads, I have arrived at the conclusion that the said ordinance should be recalled on the grounds that it ignores every good sound principle of business administration which the people of our city not only expect, but demand, of us during these most trying economic conditions.

I again repeat that our 1934 budget is not in balance by well over one and one-half million dollars and already three months have passed while the expenditures of the city government are

running at the rate that will produce the deficit above referred to.

I do not believe that we can long flout the people's will, if we are to go to the people annually for funds which we could well save by elimination of unnecessary or wasteful positions.

I do not believe in the principle that Legislative bodies should engage in forcing upon executive funds which they must spend. In other words, I have requested definitely that you exert every possible effort in reducing the appropriations to my departments for 1934, of course, based upon sound business principles, but instead, I find a most curious situation, in, that you, the Legislative body, are endeavoring to persuade more appropriation than I believe necessary. This principle is not only against public interests, but will in time destroy public credit, because the power of the Legislature to force expenditure upon the executive is a perversion of representative government.

Your proposed salary ordinance will, I am informed, call for the expenditure of very little less than the salary ordinance set-up by the previous Council. My recommendation to you on January 21, 1934, called for the reduction of specific positions of well over \$500,000.

The proposed salary ordinance provides for a system of staggering certain positions, which is impracticable, and for increasing the salary and wage rate of all employes receiving \$1,500 or less per annum, except those who did not receive the last 16 2/3% reduction.

The proposed salary ordinance absolutely ignores any recommendations I have made, with reference to the elimination of unnecessary and wasteful positions. After careful study of the positions as set up in the proposed salary ordinance, my department heads have informed me that a great injustice will be inflicted upon certain of our executive employes with the result that the services heretofore rendered will be greatly reduced and in many instances the services of most of our most valuable technicians will not be available for periods of several months, and this, I am informed, may result in a demoralization of the spirit of our personnel.

The fact that Pittsburgh's bonds are very desirable and that municipal bonds

of such high standing are very hard to obtain, may be an element in this present situation, which seems to be fostering the sentiment that Pittsburgh should borrow money instead of saving expenses. We should not be influenced by this propaganda and at the cost of disappointing bond buyers who are seeking desirable investments like Pittsburgh bonds, we should stand firm in our purpose to meet our expenses with the taxes which we collect and balance the budget each year as we go along.

I am, therefore, returning the salary ordinance to you, without my approval, in the hope that it may be amended in line with best principles of business administration and in conformity with the spirit of these most trying times and in conformity with the specific recommendations of my department heads, which were sent to you and have received no consideration.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Which was read, received and filed.

Also

Bill No. 463. An Ordinance entitled, "An Ordinance fixing the number of officers and employes of all departments of the City of Pittsburgh, and the rate of compensation thereof."

In Council, March 19, 1931, Recalled from Mayor without action thereon, Vote reconsidered by which the bill was read a second and third times and finally passed, amended in Sections 23 and 103 by striking out as shown in red, agreed to on second reading as amended, rule suspended, read a third time and finally passed.

Which was read.

And on the question, "Shall the bill become a law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson  
Demmler  
Gallagher

Huston  
Kane  
McArdle  
Garland, (Pres't)

Noes:—Mr. Magee.

Ayes 7. Noes 1.

And there being two-thirds of the votes of council in the affirmative, the

bill became a law notwithstanding the objections of the Mayor.

The Chair also presented  
No. 607.

City of Pittsburgh,  
Office of the Mayor,  
March 28, 1934.

The Honorable, the Council,  
City of Pittsburgh.

Gentlemen:

Mr. Edgar Reed has been informed by me of his dismissal from the Traction Conference Board.

I hope this meets with your approval.

I am also withdrawing the name of Mr. W. E. Schoyer.

To fill the vacancy made by the removal of Mr. Reed, I desire to propose the name of Mr. Ralph E. Smith, 1201 West Point avenue.

I ask immediate confirmation of this appointment.

Very truly yours,

WM. N. McNAIR,  
Mayor.

Which was read.

Mr. Kane moved

That the communication be referred to the Committee on Public Service and Surveys.

Upon which motion, the ayes and noes were ordered taken, and being taken were:

Ayes:—Messrs.

Anderson  
Gallagher

Kane  
Magee  
McArdle

Noes:—Messrs.

Demmler

Huston  
Garland, (Pres't)

Ayes 5. Noes 3.

And a majority of the votes being in the affirmative, the motion prevailed.

And on motion of Mr. McArdle

Council adjourned.

Garland, (Pres't)

When the name of Mr. Demmler was called, he arose and said,

Mr. President:—

I will vote for this ordinance, Bill No. 300, but wish to make a few remarks regarding the same.

The cost placed on the city by this ordinance is due, in my opinion, to the greed of the land speculator in trying to sell every square inch of land which he has regardless of damage to others.

Any one who will look at this triangular piece of property, will realize that if built up it will greatly damage the surrounding properties. It is to avoid this damage to the community that I will vote for this ordinance.

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also, with an affirmative recommendation,

Bill No. 557. An Ordinance entitled, "An Ordinance authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of One million fifty thousand (\$1,050,000.00) dollars, and providing for the issue of bonds of said City in said

amount to provide funds for the acquisition of land and construction and equipment of plants for the incineration of garbage and rubbish of the City of Pittsburgh, and providing for the redemption of said bonds and the payment of interest thereon."

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Finance Committee of Council

Gentlemen:

On Bill No. 569, Resolution for satisfaction of delinquent taxes assessed against property in the name of H. Fred Mercer, which Resolution was given an affirmative recommendation at a meeting of your Committee held March 27, 1934, with instructions that the Law Department advise Council before this Bill is finally approved on Monday, April 2, 1934, whether or not it has secured a release from the mortgage-holder, I beg to advise you that before introducing this Resolution in Council I discussed with the Receivers of The Bank of Pittsburgh, the mortgagee, the terms and conditions as set forth in the Resolution.

I submit herewith letter dated March 22, 1934, from George W. Calhoun, on behalf of Arthur R. Atwood, Receiver of the Bank, to the effect that it is agreeable to off-set Mr. Mercer's judgment of the taxes due by him to the City from 1930 to 1934, inclusive. This letter is equivalent to a release by the mortgagee of any claim against the City of Pittsburgh on account of this judgment and I ask that this letter be filed with the City Controller as a matter of permanent record.

Respectfully yours,

CORNELIUS D. SCULLY,  
City Solicitor.

THE BANK OF PITTSBURGH,  
Arthur R. Atwood,  
Receiver.

Pittsburgh, Pa.,

March 22nd, 1934.

Mr. CORNELIUS D. SCULLY,  
City Solicitor,

City of Pittsburgh,  
Pittsburgh, Pennsylvania.

Dear Sir:

At the request of Mr. Arthur R. Atwood, Receiver of this trust, I acknowledge receipt of your letter of March 22, relating to the taxes due the City of Pittsburgh by H. Fred Mercer from 1930 to 1934, inclusive, amounting to \$14,383.96, and the judgment of Mr. Mercer against the City of Pittsburgh in the sum of \$15,000.00 with interest from June 13, 1933.

In accordance with our conversation

when I called on you, it is agreeable to offset Mr. Mercer's Judgment against the City of Pittsburgh to take care of his taxes to 1934. It is understood this leaves a balance due Mr. Mercer on the judgment, of \$616.04, and accumulated interest from June 13th, 1933, up to and including April 30, 1934, of \$791.51, or a total of \$1,407.55 still due H. Fred Mercer by the City of Pittsburgh.

It is further understood that when the City is in position to pay the balance of this judgment, and interest, it will be applied to the mortgage or taxes.

We wish to thank you for handling the matter in this way.

Very truly yours,  
ARTHUR R. ATWOOD,  
Receiver.

By—George W. Calhoun.

Which was read, received and filed.

And the resolution was read a third time and upon final passage the ayes and noes were taken, and being taken were:

The Chair said,

Gentlemen: The Mayor is present. I believe he would like to be heard.

And there being no objections, Hon. William N. McNair, Mayor, was given the privilege of the floor and said:

Mr. Chairman and Members of Council:—We are faced with this problem. There are only two police magistrates functioning at the present time. I have been hearing the cases in four magistrates' courts. Magistrate McCall is very sick and will not be out for quite some time.

I ask that you gentlemen confirm a temporary appointment of a magistrate until I can secure someone else, that you would have time to study and investigate. I would like to appoint my secretary, Mr. Moritz. I would like him to start tomorrow if he could. Mr. Moritz can handle some of the courts and I can take care of the others.

I, therefore, hand you the nomination of Theodore Moritz as police magistrate, and ask your confirmation of the same.

The Chair presented  
No. 633.

CITY OF PITTSBURGH,

#### MOTIONS AND RESOLUTIONS

Mr. Demmler presented  
No. 690.

Whereas, Newspaper reports have stated that The Public Service Commission of Pennsylvania intends to reduce the net earnings of public utilities operating in Pennsylvania from 7% or more to 6%; and

Whereas, Said proposed action should effect great financial saving to the City of Pittsburgh as a consumer and to all of the people using the facilities of these utilities; and

Whereas, The Public Service Commission intends to have informal conferences with these utilities to promptly work out this ruling; and

Whereas, It is necessary in the public interest that the City of Pittsburgh be represented at the conferences with the utilities serving the City of Pittsburgh; Therefore, be it

Resolved, That the Special Assistant City Solicitor in charge of utility affairs be authorized to seek an invitation to attend these conferences, and that his traveling expenses shall be paid out of public funds in the event it is necessary for him to go to Harrisburg or any place other than the City of Pittsburgh; be it further

Resolved, That the Department of Law immediately contact with the representatives of the third class cities and also with the officials of the League of Boroughs and Townships in Allegheny County, so that these municipalities and organizations will also co-operate and send representatives to the conferences herein referred to, in order that a unified plan be worked out with the utilities serving Allegheny County for reduction of rates at the conferences with The Public Service Commission aforesaid.

Mr. McArdle presented  
No. 693.

Whereas, General Josef Haller, commander in chief of the former Polish army in France, will be guest of the American and Polish world war veterans and of the Polish residents in Pittsburgh from April 28 to May 5, and

Whereas, General Haller not only was instrumental in restoring independence to Poland, to whom America is closely bound by ties of friendship and common idealism, but by his victory over the Bolshevik hordes at the gates of Warsaw in 1920, effectively saved Europe from Bolshevism, and

Whereas, General Josef Haller was in command of the Polish volunteer army in France, in which over 35,000 Polish residents of America, among them over 3,000 Poles from Western Pennsylvania, fought along side the American Expeditionary Force in France for the preservation of democracy as well as for the freedom of Poland, and

Whereas, After the war over a half of these volunteers in the Polish army in France returned to their families in the United States, many of them invalids, most of them without means of livelihood, and

Whereas, General Josef Haller, himself a war invalid, is at present touring the United States at the request of the veterans of the Polish army in France, for the purpose of encouraging Americans of Polish extraction to care and provide for these invalids, and

Whereas, General Josef Haller was closely associated with General John J. Pershing, commander in chief of the American forces in France, and by his military genius, bravery, human qualities, and patriotism, helped to strengthen the ideals of democracy and world peace, for which our country made such great sacrifices under its immortal war leader, President Woodrow Wilson, now be it

Resolved, That we, members of the city council of Pittsburgh, Pa., do hereby express our respect and tribute to General Haller, the noble son of the new Poland, and convey to Him our hopes that His mission of mercy will meet with unstinting response, and furthermore, be it

Resolved, That during General Haller's stay in Pittsburgh, from April 28 to May 4, the city hall shall be deco-

rated in His honor with the national colors of the United States and Poland, and that all the city departments join in extending to Him the privileges and courtesies befitting the distinguished guest.

Mr. Gallagher moved

The adoption of the resolution.

Which motion prevailed.

Also

No. 694.

Whereas, Under date of February 13, 1934, there was introduced into Council and referred to the Committee on Finance a communication from Kivie Wolfe, Attorney, submitting proposal that the City of Pittsburgh construct homes on city-owned lots for needy families, the cost thereof to be paid out of existing bond issues; and,

Whereas, A public hearing was held on the subject-matter of said communication and an opinion later furnished by the Department of Law that the City could construct such homes and pay for same out of direct relief bonds of 1932; and,

Whereas, There has since been built upon public property a building alleged to be an exhibit of the type of house proposed by the communication of Mr. Wolfe, which has been open to public inspection; and,

Whereas, The City Council has as yet made no definite declaration of its attitude towards the proposal to erect said houses out of bond funds or otherwise; Therefore, be it

Resolved, That the Council hereby goes on record as declining to enter into the proposed construction program, and that the City Clerk is directed to so notify Mr. Wolfe of this fact; and, be it further

Resolved, That inasmuch as certain printed matter has been distributed at the building located on public property at the intersection of Forbes street and Sixth avenue, which carries the implication that the City might be interested in leasing city-owned lots for the purpose of having such buildings erected upon them by private parties, the City Solicitor is hereby requested to notify the Bilt-Well Construction Company to discontinue the distribution of any printed matter or verbal statements which tend to lead to the belief that the City is committed to the program herein referred to, and that the Council

hereby records itself as being uncommitted to any such building program or as being interested in the promotion of any such housing plans hereinbefore referred to.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Mr. Magee asked

That the resolution be laid over and considered at the recessed meeting tomorrow.

And Mr. McArdle stated

That such action would be agreeable to him.

And the Chair stated

The resolution will be held over

until tomorrow and a copy will be furnished each member.

THE PITTSBURGH NEWSPAPER  
PUBLISHERS' ASSOCIATION

Pittsburgh Post-Gazette—Pittsburgh  
Press—Pittsburgh Sun-Telegraph.

612 Grant Street

T. R. Williams,

Secretary.

Pittsburgh, April 10, 1934.

Mr. Robert Garland, President,  
Council of the City of Pittsburgh,  
City-County Building,  
Pittsburgh, Pa.

Dear President Garland:

We are advised that there is pending in City Council an ordinance designed to regulate the calling out of newspapers and other commodities in residential districts late at night and on Sunday mornings.

The newspaper publishers of Pittsburgh have discussed the general purpose of such a measure and have come to the conclusion that the proper approach to a solution of the matter is to attempt to regulate such disturbances of the peace by their own initiative rather than have an ordinance enacted for this specific purpose.

Accordingly, all of the newspapers are sending out notices to their news dealers and distributors reading as follows:

Due to numerous complaints about newspaper boys disturbing the peace in residential sections late each night and Sunday morning, you will hereafter be required to see that unnecessary loud calling out of papers or yelling or otherwise disturbing the peace is discontinued immediately.

You will be held responsible for any complaints in your district, and in order to properly control this situation you should immediately check with the police sergeant on duty in your district, and continue a daily check hereafter.

We would respectfully request the postponement of the consideration of this ordinance until such time as it may appear that the newspapers through their agents are unable to control this situation. Please be assured that all of the newspaper publishers are exceedingly anxious that the peace and quiet of the residential sections of

our city be undisturbed, especially late at night and on Sundays.

Yours very truly,

WILMER M. JACOBY,

For the Pittsburgh Sun-Telegraph.

OLIVER J. KELLER,

For the Pittsburgh Post-Gazette.

EDWARD T. LEECH,

For the Pittsburgh Press.

Which was read, received and filed.

The Chair announced

That the hearing on the ordinance relating to the crying of newspapers had been cancelled, and asked the Clerk to send a copy of the letter to Mr. Edward Schreiner.

The Chair also stated

That Representative Jos. A. Rectenwald had asked for the use of the Council Chamber for Thursday next from 2 to 4 o'clock, P. M. for a hearing relative to the Allegheny County Relief Administration, and he (the Chair) would like to know Council's pleasure in the matter.

Mr. Gallagher moved

That the request of Mr. Rectenwald be granted.

Which motion prevailed.

Mr. Gallagher presented

No. 696. Petition of Residents of the Seventeenth ward asking for the resurfacing and recurfing of Wharton street, from Seventeenth street to Twenty-first street.

Which was read and referred to the Committee on Public Works.

Mr. Gallagher moved

That the Minutes of Council for Thursday, March 29th, and for Monday, April 2, 1934, be approved.

Which motion prevailed.

And on motion of Mr. Huston

Council adjourned.

#### PROCLAMATION BY THE MAYOR OF THE CITY OF PITTSBURGH

To the People of Pittsburgh:

As a result of continuous experience for many years past, the people of Pittsburgh have established the custom of observing Daylight Saving in the activities of the community.

The custom is dictated partly by the necessity of adjusting the interchange of business between this and other large cities, and partly to give opportunity to all classes of people for evening recreation.

The wisdom of the practice having thus been demonstrated, it is apparent that it should be continued, and I, therefore, recommend that all persons adapt themselves, their business and their affairs thereto for the same period as heretofore, namely, from Sunday, April 29, 1934, to Sunday, September 30, 1934.

I would suggest that the department heads arrange the office hours and the daily employment of City officers and employes to conform thereto.

WILLIAM N. McNAIR,

Mayor.

April 14, 1934.

Which was read, received and filed.

Also

No. 759. Communication from the Director of the Department of Supplies advising that no employes in this department have been dismissed since January 1, 1934.

To the Chairman and Members,  
Committee on Public Safety,  
City Council.

Subject: Bill No. 669.

Honorable Sirs:

I have your communication of April 11, 1934.

The above bill is an Ordinance pro-

viding for the payment of \$435.41 to the Barton Auto Radio Corporation for repairs to the City's Radio System, which Ordinance was affirmed and motion adopted that I advise whether or not the Department could arrange for this service by purchasing the materials necessary and having the work done by its own employees.

Replying thereto please be advised that at the time of receiving your communication I was in conference with the Radio Operators assigned to the Station with a view to determining whether it would be advisable for the Department to purchase the necessary materials and perform the work incident thereto by our own employees.

We are gathering facts and figures to determine the probable number of additional employees necessary to accomplish this work and an approximate cost of the repair parts to keep the Station and the Radios in the automobiles in first class condition at all times.

I expect to have definite information concerning this plan within the next few days and will submit the same with my recommendations to your Honorable Body as promptly as possible.

Yours respectfully,

R. E. SMITH,  
Director.

Which was read, received and filed.

And the bill as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Mr. Gallager presented  
No. 769.

WHEREAS, the Public Service Commission of Pennsylvania in 1928 authorized and permitted South Pittsburgh Water Company to earn an annual operating revenue not to exceed \$1,118,000.00; and,

WHEREAS, the City of Pittsburgh purchases approximately 40% of the water sold by the South Pittsburgh Water Company, and under the terms of a contract now in effect pays to said South Pittsburgh Water Company approximately 40% of its gross revenue; and,

WHEREAS, the City of Pittsburgh under the terms of the contract and the tariffs of the South Pittsburgh Water Company now on file has paid to said Company from 1928 to 1932, inclusive, the total sum of approximately \$2,550,000.00; and,

WHEREAS, from the reports, records and data on file with the Public Service Commission of Pennsylvania, certified to by the South Pittsburgh Water Company, it appears that said

Company from the year 1928 to 1932, inclusive, indicates an overcharge of \$1,430,156.82 in excess of the operating revenue said Company should have earned during said years under the ruling of the Public Service Commission of Pennsylvania, as aforesaid; and,

WHEREAS, reports of the South Pittsburgh Water Company, to be filed in accordance with law with the Public Service Commission for the year 1933, are not available; and,

WHEREAS, from the above figures it will appear that the City of Pittsburgh has overpaid the South Pittsburgh Water Company from the years 1928 to 1932, inclusive, the total sum of approximately \$600,000.00; now, therefore, be it

RESOLVED, that the City Solicitor file a Petition against the South Pittsburgh Water Company with the Public Service Commission of Pennsylvania to obtain reparation and recoupment on the overpayments made by the City of Pittsburgh, as aforesaid; and,

BE IT FURTHER RESOLVED, that the Mayor be requested and the City Controller and City Treasurer be authorized and directed not to issue any further warrants or checks to the South Pittsburgh Water Company until further direction of this Council; and,

BE IT FURTHER RESOLVED, that as soon as the figures and data for the year 1933 are available the necessary amendments be made to the Petition to the Public Service Commission, to incorporate any claim for overcharge made by the South Pittsburgh Water Company to the City of Pittsburgh during that year.

Which was read and referred to the Committee on Finance, and a copy to be furnished each member.

Mr. Huston presented

No. 770. Resolution authorizing and directing the City Controller to make the following transfer within the Bureau of Water:—

No. 771

WHEREAS, City Council on March 7, 1934, received a Committee of Citizens consisting of business and professional men, representing Lawrenceville, East Liberty, Homewood, Brush-ton, Bloomfield and the down-town Tri-angle, which Committee presented twenty-three petitions signed by more than ten thousand citizens; and,

WHEREAS, These citizens urgently request the co-operation of Council in an effort to secure relief from the inconvenience, hardships and business detriment involved in short-looping of street car lines, 86, 88 and 95 at Ninth Street in the peak hours; and,

WHEREAS, City Council on March 7, 1934, by resolution unanimously passed, referred the petitions to the Better Traffic Committee, with recommendation that a way be found to grant the relief sought; and,

WHEREAS, On Monday April 16, 1934, the aforesaid Better Traffic Committee, after careful study of the problems involved, recommended to City Council that the aforementioned street cars, i. e., lines 86, 88 and 95, be brought down to Sixth Street or farther west, throughout the entire day, for a trial period of not exceeding sixty days; and,

WHEREAS, Council has been informed by Superintendent of Police Ben R. Marshall, and Inspector of Traffic Jacob Dorsey, that the plan suggested by the Citizens Committee is entirely feasible

and can be adequately handled by the Police Department; Now, Therefore, be it

RESOLVED, That the Council of the City of Pittsburgh, In regular session assembled, does hereby instruct the Traction Conference Board to order the management of the Pittsburgh Railways Company to discontinue all short-looping of cars numbers 86, 88 and 95 at Ninth Street for a period of at least sixty days and to bring all such cars down to Sixth Street, or farther west, for the duration of this trial; and upon proper study of the results attained from this longer routing thereafter to determine the future routing of these cars, after conference with the Better Traffic Committee, the Police Department and the Service and Surveys Committee of Council.

Which was read.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Also

Bill No. 769.

WHEREAS, the Public Service Commission of Pennsylvania in 1928 authorized and permitted South Pittsburgh Water Company to earn an annual operating revenue not to exceed \$1,118,000.00; and,

WHEREAS, the City of Pittsburgh purchases approximately 40% of the water sold by the South Pittsburgh Water Company, and under the terms of a contract now in effect pays to said South Pittsburgh Water Company approximately 40% of its gross revenue; and,

WHEREAS, the City of Pittsburgh under the terms of the contract and the tariffs of the South Pittsburgh Water Company now on file has paid to said Company from 1928 to 1932, inclusive, the total sum of approximately \$2,550,000.00; and,

WHEREAS, from the reports, records and data on file with the Public Service Commission of Pennsylvania, certified to by the South Pittsburgh Water Company, it appears that said Company from the year 1928 to 1932, inclusive, indicates an overcharge of \$1,430,156.82 in excess of the operating revenue said Company should have earned during said years under the ruling of the Public Service Commission of Pennsylvania, as aforesaid; and,

WHEREAS, reports of the South Pittsburgh Water Company, to be filed in accordance with law with the Public Service Commission for the year 1933, are not available; and,

WHEREAS, from the above figures it will appear that the City of Pittsburgh has overpaid the South Pittsburgh Water Company from the years 1928 to 1932, inclusive, the total sum of approximately \$600,000.00; now, therefore, be it

RESOLVED, that the City Solicitor file a Petition against the South Pittsburgh Water Company with the Public Service Commission of Pennsylvania to obtain reparation and recoupment on the overpayments made by the City of Pittsburgh, as aforesaid; and,

BE IT FURTHER RESOLVED, that the Mayor be requested and the City Controller and City Treasurer be authorized and directed not to issue any further warrants or checks to the South Pittsburgh Water Company until further direction of this Council; and,

BE IT FURTHER RESOLVED, that as soon as the figures and data for the year 1933 are available the necessary amendments be made to the Petition to the Public Service Commission, to incorporate any claim for overcharge made by the South Pittsburgh Water Company to the City of Pittsburgh during that year.

In Finance Committee, April 17, 1934. Read and amended by striking out the clause "Be it Further Resolved, That the Mayor be requested and the City Controller and City Treasurer be authorized and directed not to issue any further warrants or checks to the South Pittsburgh Water Company until further direction of this Council; and," and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. McArdle moved

That the amendment of the Finance Committee be agreed to.

Which motion prevailed.

And the resolution, as amended in committee and agreed to by Council, was read.

Mr. McArdle moved

That Bill No. 769 be laid over, and the Law Department be asked to furnish an opinion as to whether the purposes set forth in this resolution, in the judgment of the Law Department, as possible of achievement and the statements alleged in the whereas clauses or preambles are in accordance with the law and the facts as the department understands them.

Mr. Gallagher arose and said:

Mr. President:—I might state that I am the sponsor of this proposal, and the resolution was prepared by me in collaboration with the Department of Law. The City Solicitor is perfectly agreeable with the contents of the resolution as drawn.

Mr. McArdle arose and said:

Mr. President:—I have no reason to

doubt Mr. Gallagher's statement. The only thing I want to point out is that we are responsible for its passage and the action taken under it. If the Law Department is in perfect harmony with what is set forth in the resolution and what we are proposing to achieve by it, they should be on record at this time rather than wait until some question is raised about it after we initiate and direct them to do something, which they would then have an opportunity to agree or disagree with. I am only asking that the Law Department be asked to furnish an opinion on the resolution.

Mr. Gallagher arose and said:

Mr. President:—Is it in order to have the City Solicitor or his Assistant appear here in Council?

The Chair said:

Not if the gentleman wants the opinion in writing.

Mr. Gallagher arose and said:

Mr. President:—The bill was reported out of committee last week with an affirmative recommendation. The City Solicitor at the committee meeting expressed his opinion favorable to the passage of the resolution.

The Chair said:

A week's delay will not add to or detract from the resolution.

Mr. Gallagher arose and said:

Mr. President:—The Law Department is on record favoring the resolution.

Mr. Anderson arose and said:

Mr. President:—I thought it was expressed in committee that the Law Department would furnish a recommendation. It was specifically stated that they should not go into a contest unless the Council knew about it, that is, the amount of money that would be necessary. I think the bill should lay over and Mr. Kennedy be sent for to explain what they propose doing under the provisions of the resolution. The question that was before the committee was with reference to having on file in the Law Department a copy of the report of the Company filed with the Public Service Commission. Perhaps we can get some information on that point if Mr. Kennedy comes up.

Mr. Kane arose and said:

Mr. President:—We did have Mr. Kennedy before the Finance Committee and he said that the resolution was in proper legal form. The purpose of Mr. McArdle's motion is that the Law Department present an opinion in writing for the record.

Mr. Magee arose and said:

Mr. President:—It is not only necessary that the City Solicitor should express his opinion in writing, but he should have before him all the facts relating to this subject, and as I told him at the session of the Finance Committee last week he should get the Company's report furnished the Public Service Commission for the year 1933. He ought not to come to a conclusion until he has that before him, and that will constitute the major part of the conclusion he reaches.

Mr. Gallagher arose and said:

Mr. President:—I might state that I have another resolution which I will present in the regular order of business pertaining to the South Pittsburgh Water Company.

And the question recurring on the motion of Mr. McArdle.

The motion prevailed.

Mr. McArdle also presented

No. 811. Report of the Committee on Finance for April 18, 1934, transmitting a resolution to council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 567. Resolution authorizing the issuing of a warrant in favor of Thomas J. McGovern in the sum of \$2,019.97, on account of engineering services rendered the former Borough of Overbrook, and charging the same to Streets and Sewers Trust Fund.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

Mr. Kane presented

No. 812. Report of the Committee on Public Works for April 17, 1934, transmitting two ordinances and a resolution to council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 704. An Ordinance entitled, "An Ordinance granting permission to Reserve Township to connect a sanitary sewer on Spring Garden avenue to the existing 15" city sewer on Spring Garden avenue at or near the City-Reserve Township line, subject to payment of the sum of One hundred twenty (\$120.00) dollars to the City Treasurer and to reservations by the City of certain rights."

Which was read.

Mr. Kane moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 705. An Ordinance entitled, "An Ordinance authorizing and directing the construction of a public sewer on Felix way, from a point near the southwesterly terminus of Felix way to the existing sewer on College avenue, including as may be necessary, the excavation of exploratory test holes, and providing for the letting of a contract or contracts therefor, and providing that the costs, damages and expenses of the same be assessed against and collected from property specially benefited thereby."

Which was read.

Mr. Kane moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 650. Resolution authorizing the issuing of a warrant in favor of Thomas J. Gallagher for \$152.00, for 19 days' at \$8.00 per day, lost time while suspended as Engineer at Highland Park Zoo, same to be paid from Code Account 1860, Wages, Regular Employees, Highland Park Zoo.

Which was read.

Mr. Kane moved

A suspension of the rule to

allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

Mr. Demmler presented

No. 813. Report of the Committee on Public Service and Surveys for April 17, 1934, transmitting a resolution to council.

Which was read, received and filed.

Also, with an affirmative recommendation.

Bill No. 771. Resolution instructing the Traction Conference Board to order the management of the Pittsburgh Railways Company to discontinue all short-looping of cars numbers 86, 88 and 95 at Ninth street for a period of 60 days and to bring all such cars down to Sixth street, or farther west, for the duration of this trial, and upon proper study of the results attained from this longer routing thereafter to determine the future routing of these cars, after conference with the Better Traffic Committee, the Police Department and the Service and Surveys Committee of Council.

Which was read.

Mr. Demmler moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the resolution was read a second time.

Mr. McArdle arose and said:

Mr. President:—I want to say on the bill that I propose voting for it as a trial measure, with the understanding that the use of the word "instruct,"

so far as I am concerned, is rather a request, because I doubt very seriously the power of the City, or any other municipality that is a party to the Traction Conference Board agreement, to issue instructions to the Traction Conference Board.

And the resolution was read a third time and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Kane
Demmler	McArdle
Gallagher	Soost
Huston	Garland, (Pres't)

Noes—Mr. Magee.

Ayes 8. Noes 1.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

The Chair, at this time, presented

No. 814.

CITY OF PITTSBURGH,

Office of the Mayor,

April 18, 1934.

To the President and  
Members of City Council.

Gentlemen:

I am returning Bill No. 73, without my approval, for the following reasons:

I think \$10,000.00 is too much for this program for radio, cartoons, magazines and things of that sort.

I think \$4,000.00 is too much for traffic essay contests.

I would be glad to sign an ordinance appropriating half of that amount in each of these instances.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Which was read.

Also

Bill No. 73. An Ordinance entitled, "An Ordinance authorizing and directing the Department of Public Safety to incur certain expenses in connection with the operation of the Better Traffic Committee for the year 1934."

In Council, April 16, 1934, Bill read,

rule suspended, read a second and third times and finally passed.

Which was read.

Mr. McArdle moved

That the communication and bill be laid over for one week and a copy of the communication be furnished each member.

Which motion prevailed.

Also

No. 815.

City of Pittsburgh.

April 18, 1934.

To the President and  
Members of City Council.

Gentlemen:

I am returning, without my approval, Bill No. 545, making it a crime to break a milk bottle or have it found in your garbage can.

The present tendency of trying to remedy all the human ills by passing a new law and making a new crime is one that should be checked at every opportunity. The people of Pittsburgh are now so restricted and bound that they can hardly take a breath without being subject to a fine and imprisonment. This merely adds a new restriction on the freedom of our people.

It is ridiculous to enact a law that would make a criminal out of me if I happened to drop a milk bottle on the sidewalk or if some garbage collector would find a milk bottle in my garbage can.

What we need is to repeal a lot of restrictive legislation and give the people of Pittsburgh a little more liberty and not pass ordinances such as this to give a chance to some malicious person to blackmail you or haul you before an Alderman or Justice of the Peace for some accident that is entirely devoid of any criminal intent.

Respectfully yours,

Wm. N. McNAIR,  
Mayor.

Which was read.

Also

Bill No. 545. An Ordinance entitled, "An Ordinance prohibiting the use of milk and cream bottles for other

than the storage and delivery of milk and cream; prohibiting the placing of them in containers used for the reception of garbage or rubbish or maliciously breaking or destroying said bottles, and providing penalties for the violation thereof."

In Council, April 16, 1934, Bill read, rule suspended, read a second and third times and finally passed.

Which was read.

Mr. Anderson moved

That the communication and bill be laid over for one week and a copy of the communication be furnished each member.

Which motion prevailed.

Also

No. 816.

CITY OF PITTSBURGH.

Office of the Mayor,

April 30, 1934.

To the President and  
Members of City Council.

Gentlemen:

I have the honor to inform you that I have appointed, subject to your approval, Peter J. DeMuth, 930 Davis avenue, as a member of the Traction Conference Board, in place of Charles A. Finley, removed, and ask for your prompt confirmation of the same.

Respectfully yours,

Wm. N. McNAIR.  
Mayor.

Which was read, received and filed.

Mr. McArdle arose and said:

Mr. President:—I am willing to stretch my imagination quite a long ways and assume that the intent of the communication is to remove Mr. Finley and then appoint his successor, and I will, therefore, present

No. 817. Resolved, That the consent of Council to the removal of Charles A. Finley as a member of the Traction Conference Board as requested by the Mayor in a communication addressed to Council, under date of April 23, 1934, be and the same is hereby refused.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Mr. Kane arose and said:

Mr. President:—The communication is in practically the same form as a prior communication transmitted to Council by the Mayor.

The Chair said:

The previous communication from the Mayor was in proper form. In that communication he asked Council's consent to the removal of Mr. Finley, and then appointed his successor. The Mayor in his communication today does not ask for Mr. Finley's removal. He appoints Mr. DeMuth without removing the present Chairman of the Board. I therefore rule that the communication is not in proper form. We know the intent of the Mayor, but he does not explicitly set it forth in his communication. The whole question resolves itself as to whether you want to remove Mr. Finley.

Mr. Kane arose and said:

Mr. President:—I am willing to vote on the resolution. The information I am seeking is whether we are following the same procedure we did on the previous communication, when the name of Mr. Schoyer was submitted, which was laid on the table.

The Chair said:

The nomination of Mr. Schoyer was laid on the table, and afterwards the Mayor withdrew his name.

Mr. McArdle arose and said:

Mr. President:—The reason I am taking this procedure, the form of the prior communications on this subject, as I recall, has been called to the attention of the Mayor, and for reasons which seem sufficient to him, he insists on putting in these removals and appointments in the way he likes best. And not being able to get them in the way which a majority of the members of Council believe they should come in—in conformity with the provisions of the Traction Conference Board agreement—I am just assuming to interpret the Mayor's intention, and assuming to provide a way to give him a quick answer.

Mr. Magee arose and said:

Mr. President:—And a final one, too.

Mr. Kane arose and said:

Mr. President:—If this resolution passes, is it the sense of Council that it will not entertain a request to remove Mr. Finley?

The Chair said:

The Mayor can continue sending names in.

Mr. Kane arose and said:

The Council, if it passes this resolution, is expressing its wish against the removal of Mr. Finley. Isn't that true?

The Chair said:

It looks to me that way.

Mr. Anderson arose and said:

Mr. President:—I don't take it that way. I take it, in the last communication from the Mayor we were requested to remove Mr. Reed, and we refused to act on that request until the Mayor had nominated someone to fill the position. We didn't want a vacancy on the board. The same thing would apply to anyone on the board. As far as I am concerned, knowing as I think I do, the particular duties performed by the Chairman of the Board, and knowing how well he has filled them, I am positively for Mr. Finley, but that does not say there is no one living who could fill the job as well or better. I am not voting my rights away by voting for this resolution. I am not ready at this time to remove Mr. Finley and that is the way I express myself in voting for this resolution, but it does not bind me to any future action.

Mr. Kane arose and said:

Mr. President:—I interpret this resolution to mean, if it is passed, that this Council is opposed to the removal of Mr. Finley. I cannot put any other interpretation upon it.

Mr. Huston arose and said:

Mr. President:—That is my interpretation.

Mr. McArdle arose and said:

Mr. President:—The interpretation put upon it by me as the author of the resolution is just that, that it is in opposition to the removal of Mr. Finley as Chairman of the Traction Conference Board. But that, of course,

is with the clear understanding that it still remains in the province of Council to consider Mr. Finley's removal any time the subject is brought before it, on grounds as the individual members may seem reasonable to warrant his removal at that time.

Mr. Kane arose and said:

Mr. President:—Again speaking on the resolution, the Mayor has the power to make appointment of the members on this Traction Conference Board, with the approval of Council. The passage of this resolution, to my mind, restricts the Mayor from presenting any other name, because Council is already on record against the removal of Mr. Finley.

The Chair said:

They are on record.

Mr. Kane said:

On record of keeping Mr. Finley in the position. Assuming that the Mayor exercises his authority in the matter and sees fit to select another man for the position, he is barred from doing so by the passage of this resolution.

The Chair said:

We are acting on this today and if next Monday the Mayor wants to send in another name, he can do so.

Mr. Gallagher arose and said:

Mr. President:—There would be no use.

The Chair said:

It is his prerogative if he wants to.

Mr. Gallagher said:

Mr. President:—It would be no use for him to do this if the majority of Council are opposed to it.

And the question recurring on the adoption of the resolution.

The ayes and noes were ordered taken, and being taken, were:

Ayes:—Messrs.

Anderson	McArdle
Magee	Soost
	Garland, (Pres't)

Noes:—Messrs.

Demmler	Huston
Gallagher	Kane

Ayes 5. Noes 4.

And a majority of the votes being

in the affirmative, the motion prevailed.

The Chair took up

Bill No. 607. Communication from the Mayor dismissing Edgar Reed from the Traction Conference Board; withdrawing the name of W. E. Schoyer for appointment to the Traction Conference Board, and appointing Ralph E. Smith as a member of the Traction Conference Board.

In Council, April 9, 1934, Action deferred until meeting of April 10, 1934.

Which was read.

Resolved, That the City Solicitor immediately ascertain from the officials of the South Pittsburgh Water Company, as to whether or not that Company is willing to sell and assign to the City of Pittsburgh all of its pipelines, equipment, facilities, pumping plant, etc., now used and necessary in supplying water by the said South Pittsburgh Water Company, to certain parts of the City of Pittsburgh, and to ascertain the price that said Company will be willing to accept in full payment of the pipelines, etc., and to report said price to Council with recom-

mendations within two (2) weeks hereof.

In the event the South Pittsburgh Water Company is willing to sell its facilities as aforesaid, but a price cannot be agreed upon, then be it further

Resolved, That the City Solicitor shall ascertain if said Company is willing to have a proceeding commenced in the Court of Common Pleas of Allegheny County, under the Act of May 31st, 1907, P. L. 355, so that a price and value of said water plant operating in the City of Pittsburgh can be determined under the provisions of that Act. The City Solicitor is directed to report to the Council under the terms of this part of the resolution within a period of two (2) weeks.

In the event that the City Solicitor is unable to enter into amicable arrangements, and obtain a price from the South Pittsburgh Water Company, as set forth above, or in the event that said Company is unwilling to agree to sell and to proceed under the provisions of the Act of May 31st, 1907, P. L. 355, within the period of two (2) weeks, as aforesaid, then be it further

Resolved, That the City Solicitor shall forthwith file a petition with the Public Service Commission of Pennsylvania, to obtain its authorization and approval for the City of Pittsburgh to take over the pipelines, pumping station and other facilities of the South Pittsburgh Water Company, used and necessary by the said Company in supplying parts of the City of Pittsburgh, under the provisions of the Act of April 29th, 1874, P. L. 73, Sec. 34, Clause 7, its amendments and supplements.

Which was read, and on motion of Mr. Gallagher, referred to the Committee on Public Service and Surveys.

CITY OF PITTSBURGH  
DEPARTMENT OF PUBLIC HEALTH

April 23, 1934.

President and Members of Council,  
City of Pittsburgh, Penna.

Gentlemen:

I am enclosing a copy of a letter from President Harriman of the Chamber of Commerce of the United States, advising that Pittsburgh has been given honorable mention among Class I cities in the 1933 Inter-Chamber Health Conservation Contest.

Cities throughout the United States participate annually in the contest, the object of which is to honor those cities which carry on the most effective and best balanced community health programs. For the larger cities of 500,000 population and more, Baltimore, Md., gets first place with Chicago and Pittsburgh receiving honorable mention.

As this is national recognition of the health work done in Pittsburgh, it gives me great pleasure to call it to your attention.

Sincerely yours,

RAY P. MOYER,  
Director.

Chamber of Commerce of United States  
Washington

Henry I. Harriman,  
President.

April 19, 1934.

Mr. Frank C. Harper, Secretary,  
Pittsburgh Chamber of Commerce,  
Pittsburgh, Pa.

Dear Mr. Harper:

The Chamber of Commerce of the United States is glad to advise you of Pittsburgh's selection for honorable men-

tion among Class I cities in the 1933 Inter-Chamber Health Conservation Contest. It is a pleasure to congratulate you, the Health Committee of your organization, your City Health Department, and your other local health agencies on the programs being carried out for your community. I am sure material benefits will accrue to your city from the health activities which are being carried on.

Please convey to all agencies that helped to make possible your accomplishments in health conservation the appreciation of the National Chamber.

Very truly yours,

H. I. HARRIMAN,  
President.

Which was read, received and filed, and copy ordered furnished each member.

#### UNFINISHED BUSINESS.

The Chair took up

Bill No. 815. Communication the Mayor returning, without approval, Bill No. 545, Ordinance prohibiting the use of milk bottles for other purposes, etc.

In Council, April 23, 1934, Read and laid over for one week, and copy to be furnished each member.

Which was read, received and filed.

Also

Bill No. 545. An Ordinance entitled, "An Ordinance prohibiting the use of milk and cream bottles for other than the storage and delivery of milk and cream; prohibiting the placing of them in containers used for the reception of garbage or rubbish or maliciously breaking or destroying said bottles, and providing penalties for the violation thereof."

In Council, April 23, 1934, Bill returned by Mayor without approval and laid over for one week.

Which was read.

And on the question, "Shall the bill become a law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson	Magee
Gallagher	McArdle
Huston	Soost
Kane	Garland, (Pres't)

Noes:—Mr. Demmler

Ayes 8. Noes 1.

And there being two-thirds of the votes of council in the affirmative, the bill became a law notwithstanding the objections of the Mayor.

Also

Bill No. 814. Communication from the Mayor returning, without approval, Bill No. 73, Ordinance authorizing the Department of Public Safety to incur certain expenses in connection with the operation of the Better Traffic Committee, etc.

In Council, April 23, 1934, Bill returned by Mayor without approval and laid over for one week.

Which was read.

Mr. McArdle arose and said

Mr. President: I would raise the question as to whether it might be well to allow the bill to lay over without taking definite action, the effect of which would be to make the veto effective, as I understand the proceedings, but the effect of which would also put the definite commitment of the matter as laid down in the veto message and permit the Better Traffic Committee to study the amount set forth in the Mayor's communication.

Mr. McArdle moved

That the bill, together with the communication, be laid on the table.

Which motion prevailed.

#### REPORTS OF COMMITTEES.

Mr. McArdle presented

No. 865. Report of the Committee on Finance for April 24, 1934, transmitting sundry ordinances and a resolution to council.

Which was read.

Also

Bill No. 784. An Ordinance entitled, "An Ordinance appropriating the sum of One Hundred Thirty-five Thousand (\$135,000.00) Dollars, from the proceeds of the sale of bonds authorized by Ordinance No. 284, approved December 5, 1933, entitled, 'An Ordinance authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of One Million Four Hundred Thousand (\$1,400,000.00) Dollars, and providing for the issue and sale of bonds of said City in said amount to provide funds for the following purposes, viz: Providing supplies, materials, equipment, labor and supervision (including engineering expenses) for the improvement of streets, parks, playgrounds, wharves, sewers, water lines, bridges and other public properties of the City of Pittsburgh, the labor to be provided from among the unemployed, and providing for the redemption of said bonds and the payment of interest thereon,' said bonds being known and designated as 'Public Work Relief Bonds, 1933, Series C', Code Account No. 118, for the payment of the cost of supplies, miscellaneous services, materials, rentals, equipment, labor and supervision including engineering expenses, the labor to be provided from among the unemployed, for the improvement and repair of streets and thoroughfares, parks and playgrounds, sewers and water works, mine sealing and buildings and structures of the City of Pittsburgh, in the amounts hereinbelow set forth, for the Department of Public Works."

Which was read.

Mr. McArdle moved

That the bills be laid over pending

ing the settlement of the question of Unemployment Relief.

Which motion prevailed.

Also

Bill No. 562. An Ordinance entitled, "An Ordinance amending and supplementing an ordinance entitled, 'An Ordinance fixing the number of officers and employes of all departments of the City of Pittsburgh, and the rate of compensation thereof.'"

In Finance Committee, April 24, 1934, Bill read and amended in Section 1 and in the title, by inserting after the words "compensation thereof", the words "which became a law March 29, 1934," and as amended ordered returned to council with an affirmative recommendation.

Which was read.

Mr. McArdle moved

That the amendments of the Finance Committee be agreed to.

Which motion prevailed.

And the bill, as amended in committee and agreed to by council, was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Mr. McArdle also presented

No. 865½.

April 26, 1934.

To the Honorable, the Members of the Finance Committee of Council.

Gentlemen:

Replying to your inquiry of April 25th, with respect to Bill No. 68, I beg to say that in my opinion it would not be proper or possible to pay the salaries and expenses of the Transit Commission from the Public Welfare Relief Bonds. The Public Welfare Relief Bonds are authorized under Ordinance No. 65, Series of 1932, which provided for the issuance of bonds "for the purpose of providing food, clothing, fuel and shelter for and otherwise assisting residents of the City of Pittsburgh, who are without adequate means of support."

None of these purposes would cover the payment of salaries and expenses of the Transit Commission.

Very truly yours,

CORNELIUS D. SCULLY,  
City Solicitor.

Which was read, received and filed.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also, with an affirmative recommendation,

Bill No. 734. Resolution authorizing and directing the Board of Water Assessors to issue an exoneration in favor of the Children's Home Society of Pennsylvania for the difference between the amount charged for water at 487 South Aiken avenue, now delinquent, and the seven cent charitable rate.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

of the City of Pittsburgh, and the rate of compensation thereof."

In Finance Committee, April 25, 1934. Bill read and amended in Section 1 and in the title by inserting after the words "compensation thereof," the words "which became a law March 29, 1934," and as amended ordered returned to council with an affirmative recommendation.

Which was read.

Mr. McArdle moved

That the amendments of the Finance Committee be agreed to.

Which motion prevailed.

And the bill, as amended in committee and agreed to by council, was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

#### MOTIONS AND RESOLUTIONS.

The Chair presented

No. 868.

City of Pittsburgh  
Office of the Mayor

April 27, 1934.

To the President and  
Members of City Council.

Gentlemen:

I have the honor to inform you that I have appointed, subject to your approval, Reverend W. W. Canton, 2035 Wylie avenue, as a member of the Traction Conference Board, in place of Charles A. Finley, removed, and ask for your prompt confirmation of the same.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read.

Mr. McArdle moved

That the removal of Charles A.

Finley as a member of the Traction Conference Board as requested by the Mayor in a communication addressed to Council, under date of April 27, 1934, be and the same is hereby refused.

Upon which motion, the ayes and noes were ordered taken, and being taken were:

Ayes:—Messrs.

Anderson  
Magee

McArdle  
Soost  
Garland, (Pres't)

Noes:—Messrs.

Demmler  
Gallagher

Huston  
Kane

Ayes 5. Noes 4.

And a majority of the votes being in the affirmative, the motion prevailed.

Also

No. 869.

City of Pittsburgh  
Office of the Mayor

April 28, 1934.

To the President and  
Members of City Council.

Gentlemen:

I have the honor to inform you that I have appointed, subject to your approval, Andrew G. Smith, Berger building, Pittsburgh, Pa., as a member of the Board of Arbitration, for the Traction Conference Board, and ask your prompt confirmation of the same.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read.

The Chair said:

Gentlemen, I will have to rule that the communication be received and filed. The subject-matter of the letter is premature and cannot be taken up for consideration.

Mr. Magee arose and said:

Mr. President: The question is whether you should receive it at all.

Mr. Huston arose and said:

Mr. President: Is there such a position?

The Chair said:

There is no provision for such appointment. It is premature. The

ninth paragraph of the Traction Conference Board Agreement reads as follows: "In case either the City or the New Company is not satisfied with the action of the Traction Conference Board on the annual budget and supplements thereto, or on any other question passed upon by said Board, the question in dispute shall be submitted to a Board of Arbitration composed of three members to be appointed within ten days of notice of the action of the Traction Conference Board. One of said arbitrators shall be appointed by the Mayor of the City by and with the consent of Council, one by the President of the New Company, and the two so chosen shall within five days thereafter appoint a third arbitrator." So it is not before us in proper form.

Mr. Magee said:

Mr. President, I move that it be rejected.

Mr. McArdle arose and said:

Mr. President: I will second the motion. I think it ought to be made clear that, which is theoretically clear enough in the reading of the agreement as given by the Chairman, but if it is needful to be made clearer, it ought to be understood that the appointment of an arbitrator comes after a decision of one or the other parties to this agreement to take an appeal to a Board of Arbitration from some decision that the Traction Conference Board has made; and the Board will be selected after that event and not before. It is quite clear, it seems to me, that the language involved in the appeal should have something to do with the individual who is called upon to arbitrate the question. There is a great variety of different questions that may arise. There is no provision for the Mayor in advance of an appeal made by the city or the other party to the agreement naming anybody to a Board of Arbitration as the position is non-existent at this time.

Mr. Demmler arose and said:

Mr. President: Has the Traction Conference Board taken any action on the annual budget of the Railways Company? Since I became a member of Council or since we held hearings on the railways question, the Traction Con-

ference Board has not passed on the railways budget for 1934.

The Chair said:

I don't know of my own knowledge.

Mr. Magee arose and said:

Mr. President: The Mayor's communication is frivolous. It should be rejected. It is treating important public business too lightly. The succession of communications on the subject of the Traction Conference Board during the whole period of this Council has been without any sense, without reason and without any apparent policy towards the vital questions that that Board has to deal with.

It is well known that the Mayor can, if he wishes, have representation on that Board if he will only appoint someone who is qualified to serve on it. The Council ought to indicate in some way that they do not relish, but resents, the fact that he doesn't take this subject seriously.

The Chair said:

He certainly should send in a name of some person qualified to serve.

And the question recurring on the motion to reject.

The motion prevailed.

Also

No. 870. Communication from the City Solicitor transmitting a proposition from Lepri Brothers, 517 Natchez street, to lease a city lot known as No. 527 Collins avenue for the erection of a 2-story brick and tile dwelling.

Which was read and referred to the Committee on Finance.

Mr. Kane presented

No. 871. Resolved, That the following persons be and they are hereby

approved for appointment as members of the Police Research Committee:

Dr. Elmer D. Graper, University of Pittsburgh;

Mrs. Anna Heldman, Irene Kaufmann Settlement;

Mrs. Mary Burnett, Carnegie Institute of Technology;

James N. Hoey, 2103 Boulevard of the Allies;

Dr. Albert Irwin Wise, Morewood Gardens.

Which was read.

Mr. Kane moved

The adoption of the resolution.

Which motion prevailed.

Mr. McArdle presented

No. 872. Resolved, That the Department of Public Health, in conjunction with the City Architect, be requested to present tentative plans and estimates of cost of replacing the children's school building at Leech Farm, which plans shall contain adequate provisions for both school and play accommodations; and that the department and architect shall at the same time present tentative plans, with estimates of cost, for the development of adequate outdoor play space and equipment for the child population of Leech Farm, and present same to Council at the earliest possible date.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Which motion prevailed.

Mr. McArdle moved

That the Minutes of Council of Monday, April 23, 1934, be approved.

Which motion prevailed.

And there being no further business before the meeting, the Chair declared

Council adjourned.

#### REPORTS OF COMMITTEES.

Mr. McArdle presented

No. 873. Report of the Committee on Finance for May 1, 1934, transmitting an ordinance and sundry resolutions to council.

Which was read, received and filed.

Mr. McArdle moved

A suspension of Rule VIII, providing for mailing of printed copies of all ordinances and resolutions to each member of council, at least 48 hours previous to the final consideration of such papers by council.

Which motion prevailed.

Mr. McArdle also presented, with an affirmative recommendation

Bill No. 789. An Ordinance entitled, "An Ordinance making an appropriation to be designated Code Account No. 1010, to the Pittsburgh Industrial Development Commission, in the sum of Thirty Thousand (\$30,000.00) Dollars."

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. McArdle also presented

No. 874.

#### DEPARTMENT OF LAW.

Mr. John Schilpp, Jr.,  
Clerk, Committee on Finance,  
Department of City Controller.

Dear Sir:

On Bill No. 789, referred to this Department on April 24, 1934 for a report, I wish to advise as follows:

In my opinion the proposed appropriation to the Pittsburgh Industrial Development Commission is within the legal powers of Council, and the proposed Ordinances are in proper form.

Article 9, Section 7, of the Constitution of Pennsylvania is as follows:

"The General Assembly shall not authorize any county, city, borough, township or incorporated district to become a stockholder in any company, association or corporation, or to obtain or appropriate money for, or to loan its credit to, any corporation, association, institution or individual."

This section, however, has been construed by the Supreme Court in a number of cases as not prohibiting an appropriation to a corporation or to individuals where the purpose was a proper municipal purpose.

In the case of Commonwealth vs. Pittsburgh, 183 Pa. 202, the Supreme Court approved an appropriation by the City Council of Pittsburgh, to a committee of private citizens appointed by the Chamber of Commerce, to defray the expenses of having surveys made for a ship canal, and for obtaining information as to whether such a canal would be practicable and beneficial to the City. The purposes furthered in this case are quite similar to the purposes which will be furthered by an appropriation to the Pittsburgh Industrial Development Commission.

In the case of Sambor vs. Hadley, 291 Pa. 395, the whole question of authority of municipalities to make appropriations to corporation or individuals is discussed, and the various authorities in the State reviewed. The Supreme Court there states, "It has long been established in Pennsylvania that appropriations may lawfully be made to separate corporations where such bodies are engaged in carrying out a proper municipal activity." The authorities are reviewed, and Commonwealth vs. Pittsburgh cited with approval.

I take the law to be, therefore, that an appropriation may be made to a corporation or to individuals so long as a proper municipal purpose is furthered.

The Act of March 7, 1901, P. L. 20, Article XIX, which Act specifies the municipal powers of the City of Pittsburgh, contains the sometimes called "General welfare clause", empowering

Council to pass Ordinances "for the proper management, care and control of the City and its finances, and the maintenance of the peace and good government of the City, and its trade, commerce and manufactures."

It would seem to me that the Pittsburgh Industrial Development Commission is within this clause, since its purpose relates to the furtherance of trade, commerce and manufactures in the City of Pittsburgh. If Council is of the opinion that the Pittsburgh Industrial Development Commission comes within the above clause, and that an appropriation to it would be in furtherance of a municipal purpose, the proposed appropriation may be made.

Very truly yours,

Cornelius D. Scully,  
City Solicitor.

Which was read, received and filed.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the bill passed finally.

Also

Bill No. 834. Resolution authorizing the Mayor and the Director of the Department of Public Works to make application, in the name of the City of Pittsburgh, and to have the City substituted as an applicant to the Public Works Administration for a grant of money in the amount of 30% of the cost of labor and materials in connection with the improvement of the North Side Market House, and further authorizing the Director of the Department of Public Works to file whatever forms

may be necessary for the purpose of making such application and to furnish whatever information, plans and specifications which may be required by the Public Works Administration.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Also

Bill No. 838. Resolution authorizing the issuing of warrants in favor of the following employes of the Department of City Transit for the month of April, 1934, chargeable to the code accounts set opposite each name:

#### MOTIONS AND RESOLUTIONS

The Chalmr, at this time, presented  
No. 924.

#### CITY OF PITTSBURGH

Office of the Mayor

May 2nd, 1934.

To the President and  
Members of City Council.

Gentlemen:

I am returning herewith Bill No. 563, amending the salary bill, without my approval, for the following reasons:—

Among other changes made in the Salary Bill is the raising of the wages of painters in the various departments from \$7.00 a day to \$9.60 a day and the raising of the pay of foremen from \$8.00 a day to \$10.60 a day. The wages of painters as set forth in the Salary Ordinance, which became a law March 29, 1934 was a fair wage and in excess of the wages paid for similar work in other branches of the City's activities and in our mills and factories of this district. In view of the fact that there are many painters out of work that would be glad to work for \$7.00 a day and in view of the fact that there are many painters working for \$7.00 a day and less, it seems to me that it is unsound economics for the City Government in the exercise of its power to arbitrarily fix a higher rate of wages than that which is now fixed by the law of supply and demand. What Council is doing, when viewed in the light of the bare facts, is that it is arbitrarily taking from one class of citizens their earnings and presenting it to another class of citizens. The people who pay the taxes to the City, outside of that money which is collected from economic rent, are making contributions of their earnings for the City functions. On account of the economic conditions a large number of wage earners do not receive even \$7.00 a day and yet Coun-

cil, by this arbitrary action, takes from their meager earnings the money which they present to the painters as a bonus for their line of work.

This ordinance, which I am returning, by raising the pay of the painters does not add to the wage fund of the City. It merely permits a certain class of workmen to take more out of that wage fund than they deserve. If Council were to take some of my suggestions by which the general wage fund of the City could be increased, wages would raise to a higher level by the working of natural economic laws. I refer to my plan of collecting some of the economic rent which now flows out of the City and using that economic rent for City expenses. That would give access to strategic locations which would permit labor to secure some of this surplus of production. I have also proposed the plan used by Governor Smith to stimulate building by a period of tax exemption. This would increase construction so that a large number of painters would go to work. This would automatically raise the wages of painters by increasing the general wage fund.

If it is the purpose of this ordinance to raise wages, that purpose is not being accomplished by this method and I, therefore, have returned the same without my signature.

Respectfully yours,

WM. N. MCNAIR,  
Mayor.

Which was read.

Also

Bill No. 563. An Ordinance entitled, "An Ordinance amending and supplementing an ordinance entitled, 'An Ordinance fixing the number of officers and employes of all departments of the City of Pittsburgh, and the rate of compensation thereof,' which became a law March 29, 1934."

In Council, April 30, 1934, Bill read, committee amendments agreed to, rule suspended, read a second and third times and finally passed.

Which was read.

Mr. McArdle moved

That the communication and bill be laid over for one week.

Which motion prevailed.

#### UNFINISHED BUSINESS

The Chair took up

Bill No. 783. An Ordinance entitled, "An Ordinance authorizing and directing the Mayor and the Director of the Department of Public Works to make applications to the Director of the Relief Work Division of Allegheny County for the carrying out and completion of additional Unemployment Relief Projects, and authorizing the payment of such costs required for this

construction as may not be assumed by the Relief Work Division of Allegheny County, including as may be necessary the rental or purchase of tools, plant, motor trucks and equipment, the payment of engineering and general supervisory expenses, miscellaneous services, repairs, materials, rentals of office space, and supplies, for the proper performance of said work."

In Council, April 30, 1934, Bill read and laid over.

And the bill was read a second time and agreed to.

Mr. McArdle moved

A suspension of the rule to allow the third reading and final passage of the bill.

Which motion prevailed.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

the City of Pittsburgh, the labor to be provided from among the unemployed, and providing for the redemption of said bonds and the payment of interest thereon,' said bonds being known and designated as 'Public Work Relief Bonds, 1933, Series C', Code Account No. 118, for the payment of the cost of supplies, miscellaneous services, materials, rentals, equipment, labor and supervision, including engineering expenses, the labor to be provided from among the unemployed, for the improvement and repair of streets and thoroughfares, parks and playgrounds, sewers and water works, mine sealing and buildings and structures of the City of Pittsburgh, in the amounts hereinbelow set forth, for the Department of Public Works."

In Council, April 30, 1934, Bill read and laid over.

And the bill was read a second time and agreed to.

Mr. McArdle moved

A suspension of the rule to allow the third reading and final passage of the bill.

Which motion prevailed.

And the bill was read a third time and agreed to.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Demmler called up

Bill No. 769. Resolution asking the City Solicitor to file a petition against the South Pittsburgh Water Company with the Public Service Commission of Pennsylvania to obtain reparation and recoupment on the overpayments for water made by the City to said Company, and providing that, as soon as the figures and data for the year 1933 are available, the necessary amendments be made to the Petition to the Public Service Commission to

incorporate any claim for overcharge made by the South Pittsburgh Water Company to the City of Pittsburgh during that year.

In Council, April 23, 1934, Read, committee amendment agreed to, and laid over, and Law Department asked for an opinion as to whether the purposes set forth in resolution, in judgment of Law Department, are possible of achievement and the statements alleged in preambles are in accordance with the law and the facts as the Department understands them.

Which was read a second time.

Mr. Magee arose and said:

Mr. President: I must vote against that resolution, because unqualified authority is given to the Law Department to enter into proceedings against the South Pittsburgh Water Company. I will vote against that until we have a further conference on the subject with the Law Department.

The Chair:

Gentlemen, what is your pleasure? Do you object to a further conference with the Law Department, or do you object to recommitting it to the committee for further consideration?

And on motion of Mr. Demmler, re-committed to the Committee on Finance.

The Chair took up

Bill No. 924. Communication from the Mayor returning, without approval, Bill No. 563, An Ordinance amending and supplementing Salary Ordinance of March 29, 1934.

In Council, May 7, 1934, Read and laid over for one week.

Which was read, received and filed.

Also

Bill No. 563. An Ordinance entitled, "An Ordinance amending and supplementing an ordinance entitled, 'An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof,' which became a law March 29, 1934."

In Council, April 30, 1934, Bill read, committee amendments agreed to, Rule suspended, read a second and third times and finally passed.

Which was read.

And on the question, "Shall the bill become a law notwithstanding the objections of the Mayor?"

Mr. Anderson arose and said:

Mr. President: I disagree with the Mayor on his reasons for vetoing this ordinance. This is a salary ordinance fixing the wages of painters at current union wages.

I believe that the Council should override the Mayor's veto, because the wage set up for this class of workers would apply to all building tradesmen. I don't believe the Mayor is sufficiently informed on the working conditions of this class of workers. The Mayor, in my opinion, should not set up a standard wage for all tradesmen. The city employs very few men in comparison with the number of men who are working at this particular line of work. I feel the City as a corporation should pay at least as much money as a painter receives from a private employer. I would be the last man in Council to pay one cent more than a private employer pays. If the Mayor's veto is sustained, then every building tradesman working for the City will come down to that level, and the result will be, that every workman, the building tradesman, the highest paid workman in the world, will have to take a reduction of from \$3.00 to \$5.00 or \$6.00 a day. It is wrong.

The Secretary of every trades organization that has men employed by the City of Pittsburgh is required, as soon as the wage scale is adopted, to file a copy, together with the agreement, with the City Controller. There has never been a question raised about this heretofore, and I regret that the Mayor has seen fit to take this action.

Therefore, I vote to override the Mayor's veto on this ordinance.

And the question recurring, "Shall the bill become a law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson	Kane
Gallagher	McArdle
Huston	Soost

Noes:—Messrs.

Demmler	Magee
	Garland, (Pres't)

Ayes 6. Noes 3.

And there being two-thirds of the votes of council in the affirmative, the bill became a law notwithstanding the objections of the Mayor.

The Chair presented  
No. 988.

May 9, 1934.

President and Members of Council.

Gentlemen:

I return herewith Bill No. 562 with my veto.

The Act of 1925, under which cities of the second-class were authorized by Ordinance to create the Department of City Transit, was followed by Ordinance No. 278 of 1925, by which Council created the Department of City Transit, and fixed their duties as the same were set forth in the Act of 1925.

By this Act the Transit Commission consists of five (5) members appointed in the first instance for uneven terms by the Mayor, and under the Ordinance the terms of the first of the five appointees expired January 1, 1926, and the last on January 1, 1930.

The Commission's first report was on "A recommended subway in the First and Second Wards of Pittsburgh, or a proposed first step in a Rapid Transit Program"; and the second report was one "Containing a report on plans for financing initial subway construction in Pittsburgh." The subsequent reports are of like nature, plans, proposals, etc.

The salary Ordinance for 1933 and 1934 made no provisions for salaries for employees of the Transit Commission, and the sentiment of the people of the City of Pittsburgh on the subject of a subway seems to be reflected in the action of Council, repealing the Ordinance authorizing subway bonds, of which \$5,880,000.00 out of an authorized issue of \$6,000,000.00 were unsold and until the repealing Ordinance of May 22, 1933, stood as a charge against the bonding capacity of the City of Pittsburgh. It has been suggested that the Salary Ordinance should be amended to take care of the position of Directing Engineer, Junior Assistant and Stenographer, because of the fact that certain work of investigations and analysis of traction problems is being carried on with their co-operation as a CWA project.

I feel that the enactment of legislation cancelling the bond issue makes it unnecessary to continue these positions. Such information and data as the Transit Board has collected can, I feel, be

made available to the other City Departments which are dealing with the transit problems and the work now being carried on as a CWA project.

Very truly yours,

WM. N. McNAIR,

Mayor.

Which was read, received and filed.

Also

Bill No. 562. An Ordinance entitled, "An Ordinance amending and supplementing an ordinance entitled, 'An Ordinance fixing the number of officers and employes of all departments of the City of Pittsburgh, and the rate of compensation thereof,' which became a law March 29, 1934."

In Council, April 30, 1934, Bill read, committee amendments agreed to, rule suspended, read a second and third times and finally passed.

Which was read.

No. 989.

CITY OF PITTSBURGH  
Office of the Mayor.

May 12, 1934.

To the President and  
Members of City Council.

Gentlemen:

By this order, I have removed Ralph E. Smith, Director of the Department of Public Safety, for the following reason:

By Ordinance No. 97, Council deems his department improperly conducted.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Which was read.

Mr. Kane arose and said:

Mr. President: For a point of information. Does the law require that Council must act on the communication for the removal of Mr. Smith?

The Chair:

That communication is followed by another communication from the Mayor advising Council of the appointment of a successor to Mr. Smith as Director of the Department of Public Safety. I will have the Clerk read the communication again.

Mr. Kane arose and said:

Mr. President: I move that Council refuse to receive this communication.

The Chair:

We had better take up the other communication now.

Mr. Kane arose and said:

Mr. President: There are two subjects before the body.

Mr. McArdle arose and said:

Mr. President: I want to raise a question, Mr. President; before accepting any motion, the record should be complete by reading the ordinance to which the Mayor refers.

The Chair:

I think that should be done first. The Clerk will read the Mayor's communication again, and then follow with the reading of Ordinance No. 97.

The clerk read the communication from the Mayor notifying Council of the dismissal of Mr. Smith, and Ordinance No. 97, entitled, "An Ordinance creating a Police Research Commission to study and investigate police affairs, activities and the personnel of the Bureau of Police, to determine facts with reference to police matters and to recommend to Council appropriate measures to correct the evils and the abuses for the improvement of the police service; providing for its appointment; conferring powers on said Commission, and imposing duties on officials and employes of the Bureau of Police", approved by the Mayor, April 10, 1934.

Mr. Kane arose and said:

Mr. President: Speaking on the motion, the Mayor in his letter states that he is removing Director Smith as a result of this ordinance, which letter

states that his department is not operating satisfactory to Council. The ordinance does not deal with the Department of Public Safety; it deals only with the police bureau. As I understand the functions of the Director of the Department of Public Safety, he has jurisdiction and authority over the Fire Bureau, the Building Inspection Bureau, and other minor bureaus in the Safety Department.

The reason this ordinance was introduced is to carry out a pledge that the Mayor made to the people of the City of Pittsburgh. The Mayor in his campaign to the voters of Pittsburgh stated very explicitly at a meeting that I appeared with him that he was opposed to—and he was very determined at that time to correct—a condition that existed in the political life of Pittsburgh whereby the police department interfered with the rights of people in political campaigns. He was very hostile to the department as a result of its activity in the election where the police stopped newsboys from distributing Democratic literature in the City of Pittsburgh.

During the campaign the Mayor made a public statement that the police department should be dynamited. The only evidence I have seen of that is that he has taken the old police department and dynamited it upstairs.

The men who were in the police department doing the very things that the Mayor complained about have been promoted.

This attempt, Mr. President, to create the impression that Council is dissatisfied with the conduct of the Safety Department under Mr. Smith is incorrect.

This investigation does not concern the Director of the Department of Public Safety. It only asks an investigation of the police bureau. This Commission will attempt to find ways and means to correct any evils which may exist in the bureau and set up a merit system in the bureau, whereby conscientious men who have heretofore been deprived of promotion as a result of political activity, will be given promotions. We want to see that the men in the rank and file, who are deserving, will be promoted. We want to find out if collusion of this department with the people of the underworld exists.

I don't want to go into this very definitely, but I want to say that any

change in the office of the Director of the Department of Public Safety will not stop the investigation of the police bureau. It is only going to add momentum and create a greater desire to see this condition corrected.

I charge here that this attempt at a change in the office of Director of Public Safety is only an attempt to put window dressings around the police department as it exists. I have information that a powerful man in the political life of Pittsburgh, who is connected with the underworld racket, approached the present Director of Public Safety and said everything was all right with him and the police bureau if the Director would only go along. Director Smith took that message to the Mayor and the Mayor laughed at him.

If there is a change or not, it is a further reason that the investigation should go on. I say Mr. Smith should have the opportunity to remain until the investigation is completed. I am satisfied that Mr. Smith's character is perfect; that he has nothing to fear from an investigation. To pass him out of the picture at this particular time would put a cloud upon him. Mr. Smith is not afraid of the investigation; in fact he welcomes it.

I therefore hope the members of Council will refuse to accept this communication.

Mr. McArdle arose and said:

Mr. President: I think we ought to try to find out what are the results of a refusal to accept the communication. I don't know whether there is any way of frustrating the Mayor's desire to remove the present Director or not, or whether it is the proper function of this body to vote upon such removal. As I read the law, if the reasons are such as would muster sufficient votes in a motion to refuse to accept the Mayor's removal of the Director, and that the Mayor had complied with the law, the Director would be removed whether we took this action or not. There is one thing I want to point out. The Mayor gives as his reason for removing the Director the fact that Council passed an ordinance creating a commission to investigate the police bureau. If my memory serves me right, the Mayor is as much responsible as Council for this ordinance becoming a law, as he signed it. Therefore, he is jointly

responsible with Council in any representations he makes regarding this ordinance.

Mr. Magee arose and said:

Mr. President: Council has no jurisdiction over who shall be Director, but it has jurisdiction over who shall not be Director.

The only thing wrong with this communication is that the Mayor has his tenses mixed. However, I don't think we can quarrel with him on that score.

Unless Mr. Kane is opposed to removing the Director because he is favorable to the present incumbent, I think we have to receive this communication.

The Chair:

I would think so. Are there any further remarks?

And the question recurring on the motion to refuse to receive the communication.

The ayes and noes were ordered taken, and being taken were:

CITY OF PITTSBURGH

Office of the Mayor

May 9, 1934.

To the President and  
Members of City Council.

Gentlemen:

I have the honor to inform you that I have appointed, subject to your approval, A. Marshall Bell, 929 Ridge avenue, North Side, Pittsburgh, now residing temporarily at his farm at Oakdale, Allegheny County, Pennsylvania, to the position of Director of the De-

partment of Public Safety to succeed Ralph E. Smith.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Which was read.

Mr. Kane moved

That the communication be laid on the table.

And on the question, "Shall the communication be laid on the table?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Huston
Gallagher	Kane

Noes:—Messrs.

Anderson	McArdle
Magee	Soost
	Garland, (Pres't)

Ayes 4. Noes 5.

And there being a majority of the votes of Council in the negative, the motion was rejected.

Mr. Kane arose and said:

Mr. President:—What is the next procedure?

The Chair:

Calling of the roll on the confirmation of the appointee.

Mr. Kane arose and said:

Mr. President:—Talking on the confirmation of this man for the position of Director of the Department of Public Safety, don't you think the members of Council should know who he is?

The Chair:

I didn't know the present Director.

Mr. Kane arose and said:

I, as a member of Council, want to know who he is. I ask that action on this confirmation be delayed until I have had an opportunity to learn who the man is.

The Chair:

The motion was lost.

Mr. McArdle arose and said:

Mr. President:—I want to raise a question. So far as I am concerned, if the members of Council feel that they are not qualified by lack of information or lack of acquaintance with

the man whose name has been submitted by the Mayor for this office, I think they should have reasonable and ready means to get the information desired. I have no desire to object to a reasonable recess of Council on this confirmation, during which time an opportunity is afforded the members of Council to learn who the Mayor's appointee is and about his qualifications.

The Chair:

Does that satisfy you, Mr. Kane?

Mr. Kane arose and said:

What does Mr. McArdle mean by a reasonable recess?

Mr. McArdle said:

Mr. President:—I take it that there is not an incumbent in the office of the Director of Public Safety, and therefore there ought not to be an unreasonable delay in putting in an incumbent. An opportunity should be given the members of Council to look into the qualifications of the person whose name has been submitted to Council by the Mayor for confirmation. I don't believe any harm will result in a few days' delay.

Mr. Kane arose and said:

Mr. President:—That leads me to a conclusion that if we view the position of Director of the Department of Public Safety as it has been conducted in the past, it will not delay the nomination one iota. The office and Director were looked upon as figureheads. While I believe Mr. Smith wanted to function as the Director of the Department of Public Safety, he was prohibited from acting as such. If we are going to name a man to an \$8,000.00 job, we should determine right now that the Director will be Director and the Superintendent will be Superintendent. If the Department can function without a director as it has in the past, there is no reason for naming a Director. If the Director is only to be a figurehead, the position should be abolished, and the only action necessary to do that, is an amendment to the salary ordinance eliminating the position. It looks to me like this is just a matter of window dressing.

These so-called advisors of the Mayor—and I am referring particularly to the silk stocking advisors of the Mayor—

The Chair:

You are not talking on the question

of delay. I think the Council will readily grant that request. That is the question before us.

Mr. Kane:

Mr. President:—I am talking on the question to delay action on the confirmation of the Mayor's appointment.

The Chair:

You are not speaking on the question before the body.

Mr. Kane:

Mr. President:—I am talking about people who are advising economy.

The Chair:

That has nothing to do with silk stocking people.

Mr. Kane:

I say, Mr. President, we can delay it indefinitely. I made my statement in regard to the delay. Mr. McArdle raised the point that the delay might hamper the department. I say it will not.

The Chair:

I say again that has nothing to do with silk stocking people.

Mr. Kane:

I am talking about the people who are advisors to the Mayor.

The Chair:

How much time do you want?

Mr. Kane moved

That action on the communication be delayed indefinitely.

Upon which motion, the ayes and noes were ordered taken, and being taken were:

Mr. Magee presented

No. 991. Resolved, That the appointment by the Mayor of A. Marshall Bell, as Director of the Department of Public Safety, be approved and confirmed.

Which was read.

Mr. Magee moved

The adoption of the resolution.

Mr. McArdle arose and said:

Mr. President:—I think we ought to seek to meet this question that has been raised. I don't know how to approach it. If I don't know how much delay they want, I can't help them out.

The Chair:

They want to indefinitely postpone it.

Mr. McArdle said:

Mr. President:—I take the other side of the picture. The Charter Act says there must be a Director and sets forth his duty, and that of the Superintendent of Police. What we need in the office is a man who will enforce his authority or be big enough to quit. I don't know whether the man who has been nominated for this position is of that caliber. I don't know any more about him than the other members of Council; but if he isn't big enough to conduct the affairs of the Department, and if he is trammelled in conducting the affairs of that department in accordance with the law, he ought to quit, and if he doesn't, he ought to be big enough to remove him.

Mr. McArdle moved

That action be deferred until Thursday, May 17, 1934, at 1 o'clock, p. m. (Eastern Standard time) to which time Council will recess upon completion of today's business.

Which motion prevailed.

The Chair also presented

The Chair took up

Bill No. 991. RESOLVED, That the appointment by the Mayor of A. Marshall Bell, as Director of the Department of Public Safety, be approved and confirmed.

In Council, May 14, 1934, Read and action deferred until May 17, 1934.

Which was read.

The Chair stated

That the question is on the motion, as offered by Mr. Magee, "Shall the resolution be adopted?"

Mr. Kane arose and said:

Mr. President: I asked for post-

ponement of action on this resolution to confirm the Mayor's appointment for the reason that I did not know Mr. Bell.

I am here today in the same position as I was on Monday.

I feel under those circumstances—I don't know the gentleman—he may be a high type man—I don't know any more about him today than I did Monday.

As far as I can ascertain from inquiries I have made, he has had no experience whatsoever, and it is my firm belief that it is one of the most important directorships in the administration. The man should have some knowledge of what is required of him, particularly with regard to the police department. The man may be, as his friends state, a high type citizen.

I am fearful under the circumstances that he will be in a position where he won't really know how to handle this department, especially the police department where some things need to be corrected.

As far as I am personally concerned, speaking for myself, I cannot vote on this resolution because I don't know the man for whom I am asked to vote. I voted for men in this administration that I knew little about. If I had to do it over again, I wouldn't vote that way.

And the question recurring on the adoption of the resolution.

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson

Demmler

Gallagher

Magee

McArdle

Soost

Garland, (Pres't)

Noes:—Mr. Kane

Ayes 7. Noes 1.

And a majority of the votes of council being in the affirmative, the motion prevailed.

Mr. Demmler, at this time, called up Bill No. 607.

CITY OF PITTSBURGH  
Office of the Mayor.

March 28, 1934.

The Honorable, the Council,  
City of Pittsburgh.

Gentlemen:

Mr. Edgar Reed has been informed by me of his dismissal from the Traction Conference Board.

I hope this meets with your approval. I am also withdrawing the name of Mr. W. E. Schoyer.

To fill the vacancy made by the removal of Mr. Reed, I desire to propose the name of Mr. Ralph E. Smith, 1201 West Point avenue.

I ask immediate confirmation of this appointment.

Very truly yours,  
WM. N. McNAIR,  
Mayor.

In Council, April 9, 1934, Action deferred until meeting of April 10, 1934.

In Council, April 10, 1934, Read and laid over until next Monday.

Which was read, received and filed.

Mr. Demmler presented

No. 992-A. RESOLVED, By the Council of the City of Pittsburgh that the removal of Edgar Reed as a member of the Traction Conference Board is hereby consented to.

Which was read.

Mr. Demmler moved

The adoption of the resolution. Upon which motion, the ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson	Magee
Demmler	McArdle
Gallagher	Soost
Kane	Garland, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of council being in the affirmative, the motion prevailed.

Also

No. 993-A. RESOLVED, By the Council of the City of Pittsburgh. That the appointment of Ralph E. Smith of the City of Pittsburgh as a member of the Traction Conference Board for the ensuing term, be and the same is hereby approved and confirmed.

Which was read.

Mr. Demmler moved

The adoption of the resolution.

Mr. Magee arose and said:

Mr. President: I think the Council should at this time take out of the hands of the Mayor any further interference with the Traction Conference Board, and I intend to vote for the confirmation of the appointment he made several months ago of Mr. Smith.

For more than four months the Traction Conference Board has been kept in a state of uncertainty, the business of the Board has practically disappeared. The Board does not know who will constitute it in the future.

We still have 21 months in which to try to formulate some constructive policy in reference to the public transportation of Pittsburgh, and I intend to vote for Mr. Smith in the belief that the Council will pass an ordinance, which I intend to introduce today, which I drew some time ago, but did not introduce then.

I think it is proper to introduce that now and hold out the suggestion to the entire membership of the City Council that the Council itself take control of this situation, by naming Mr. Finley and Mr. Smith as the two city members of this Board.

And the question recurring on the adoption of the resolution.

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson	Magee
Demmler	McArdle
Gallagher	Soost
Kane	Garland, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of council being in the affirmative, the motion prevailed.

The Chair presented

No. 994-A. Report of the De-

partment of Public Health submitting list of employes dismissed from that department since January 1, 1934, with copies of their letters of dismissal.

Also

No. 995-A. Communication from the City Treasurer transmitting statement of collection of delinquent taxes as of May 15, 1934, also amounts due the city from street and sewer assessments.

Which was read and referred to the Committee on Public Works.

Mr. Magee presented

No. 997. An Ordinance author-

izing an Agreement between the City of Pittsburgh, the Philadelphia Company and the Pittsburgh Railways Company, supplementing and amending the Agreement between them, dated December 20, 1921, as supplemented by Agreements made pursuant to Ordinances approved February 21, 1924, May 18, 1933, and December 14, 1933, so as to designate two members of the Traction Conference Board, established by said agreement of December 20, 1921, and providing for the removal of said members by Ordinance of Council.

Which was read and referred to the Committee on Public Service and Surveys, and copy to be furnished each member.

Mr. McArdle moved

That the Minutes of Council of Monday, May 7, 1934, be approved.

Which motion prevailed.

And on motion of Mr. Soost

Council adjourned.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 820. Resolved, That the City Solicitor immediately ascertain from the officials of the South Pittsburgh Water Company, as to whether or not that Company is willing to sell and assign to the City of Pittsburgh all of its pipelines, equipment, facilities, pumping plant, etc., now used and necessary in supplying water by the said South Pittsburgh Water Company, to certain parts of the City of Pittsburgh, and to ascertain the price that said Company will be willing to accept in full payment of the pipelines, etc., and to report said price to Council with

recommendations within two (2) weeks hereof.

In the event the South Pittsburgh Water Company is willing to sell its facilities as aforesaid, but a price cannot be agreed upon, then be it further

Resolved, That the City Solicitor shall ascertain if said Company is willing to have a proceeding commenced in the Court of Common Pleas of Allegheny County, under the Act of May 31, 1907, P. L. 355, so that a price and value of said water plant operating in the City of Pittsburgh can be determined under the provisions of that Act. The City Solicitor is directed to report to the Council under the terms of this part of the resolution within a period of two (2) weeks.

In the event that the City Solicitor is unable to enter into amicable arrangements, and obtain a price from the South Pittsburgh Water Company, as set forth above, or in the event that said Company is unwilling to agree to sell and to proceed under the provisions of the Act of May 31, 1907, P. L. 355, within the period of two (2) weeks, as aforesaid, then be it further

Resolved, That the City Solicitor shall forthwith file a petition with the Public Service Commission of Pennsylvania, to obtain its authorization and approval for the City of Pittsburgh to take over the pipelines, pumping station and other facilities of the South Pittsburgh Water Company, used and necessary by the said Company in supplying parts of the City of Pittsburgh, under the provisions of the Act of April 29, 1874, P. L. 73, Sec. 34, Clause 7, its amendments and supplements.

In Public Service and Surveys Committee, May 17, 1934. Read and amended by striking out the balance of the resolution, beginning with the words "In the event that the City Solicitor is unable to enter into amicable arrangements", and ending with the words "under the provisions of the Act of April 29, 1874, P. L. 73, Sec. 34, Clause 7, its amendments and supplements", and as amended ordered returned to council with an affirmative recommendation.

Which was read.

Mr. Demmler moved

That the amendment of the

Public Service and Surveys Committee be agreed to.

Which motion prevailed.

And the resolution, as amended in committee and agreed to by council, was read.

Mr. Demmler moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Also

Bill No. 956. An Ordinance entitled, "An Ordinance authorizing the issuance of a warrant in favor of the Barton Auto Radio Corporation in the sum of \$465.55, in payment for services rendered without previous authority of law."

In Public Safety Committee, May 17, 1934, Bill read and ordered returned to council with an affirmative recommendation, subject to report from City Controller.

Which was read.

Mr. Soost moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

The bill was read a second time.

Mr. Soost also presented

No. 1049.

Department of City Controller.

Pittsburgh, Pa.,

May 21, 1934.

Chairman and Members of the  
Committee on Public Safety,  
City of Pittsburgh.

Gentlemen:

In relation to Bill No. 956, "An Ordinance authorizing the issuance of a warrant in favor of the Barton Auto Radio Corporation in the sum of \$465.55, in payment for services rendered without previous authority of law", I submit the following:

It is absolutely necessary that these cars be serviced in order to keep them in action and as there has not been a contract made to take care of such service we cannot enter any objection to the payment of this bill.

It is a notable fact, however, that the cost of this service has been materially reduced since it is necessary to have authority from the Council to pay the charges.

This department must insist that a contract be entered into for the care of these machines and the station. This month to month service has been going on since January of this year and it is our opinion that too much time has been lost in entering into a proper contract.

We are not concerned about the form of the contract nor the method by which this service is rendered, but must insist that some steps be taken to establish this work under a legalized contract.

Very truly yours,

JAMES P. KERR,  
City Controller,

Which was read, received and filed, and the Clerk was directed to send a copy to the Director of the Department of Public Safety for his information.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the bill passed finally.

#### MOTIONS AND RESOLUTIONS.

Mr. Huston presented

No. 1050. WHEREAS, the Public

Press has carried the story that His Honor, the Mayor, Wm. N. McNair, has discharged one of the City Assessors for political reasons, and the Pittsburgh Press in an editorial has called upon Council for an investigation; Therefore, be it

RESOLVED, That Council call Mr. James P. Bailey before it immediately after the regular meeting of Council Monday, May 21, 1934, to ascertain the facts thereto.

Which was read.

Mr. Huston moved

The adoption of the resolution.

Mr. Magee arose and said:

Mr. President: I am not antagonistic to the resolution, but I would like to know what the purpose is. Is there any denial of the right of the Mayor to make any changes in his set-up because of personal reasons? I don't believe any person will deny the Mayor that right. The gentleman who is involved in this case was a cabinet member.

Mr. Huston arose and said:

Mr. President: During the campaign for election, the Mayor and the Democratic members of Council, from a public platform, pledged that they would divorce the payroll from politics. The first case brought to me is an editorial in the Pittsburgh Press that Mr. Bailey was fired for political reasons. I would like to bring out those facts.

Mr. Anderson arose and said:

Mr. President: If the gentleman is looking for information, I cannot see where the Council can refuse it. This Council is on record to help secure whatever information is desired by a member thereof. Therefore, I am in favor of the resolution.

Mr. Magee arose and said:

Mr. President: The only point I am making is this. The position held by the person named in the resolution is not in the classified service. I am not opposed to the investigation, but I am wondering on what grounds the investigation is to be based, and if the facts as brought out in it are found to be true, what action can the Council take? If it were within the Civil Service class, the dismissed employee would have recourse to the Civil Service Com-

mission for a hearing, and if the facts, as alleged in the resolution were true, the Commission would be compelled to order the reinstatement of the dismissed employe.

Mr. Huston arose and said:

Council, Mr. President, must confirm the nomination of the person appointed to this position. If a name is sent in as his successor, Council must vote for it.

The Chair said:

Do you want the Mayor to be here?

Mr. Huston arose and said:

If he cares to be here.

And the question recurring on the adoption of the resolution.

The motion prevailed.

Mr. Kane called up and moved to reconsider the vote by which

Bill No. 941. An Ordinance entitled, "An Ordinance fixing the fee for persons using the Highland Park Swimming Pool and Bathhouse, and providing for the collection thereof."

Was in Council, this day, read, rule suspended, read a second and third times and finally passed.

Which motion prevailed.

And the question recurring, "Shall the bill be read a second and third times and finally passed?"

The motion did not prevail.

Mr. Kane moved

That the bill be recommitted to the Committee on Finance.

Which motion prevailed.

The Chair presented

No. 1051.

CITY OF PITTSBURGH

Office of the Mayor.

May 14, 1934.

To the President and

Members of City Council.

Gentlemen:

I have the honor to inform you that I have appointed, subject to your approval, Kermit McFarland, 1320 Kelton avenue, as a member of the Traction

Conference Board, in place of Charles A. Finley, removed, and ask for your prompt confirmation of the same.

Respectfully yours,

WM. N. McNAIR,

Mayor.

THE PITTSBURGH PRESS

Pittsburgh, Pa.,

May 17, 1934.

President and Members of

City Council,

Pittsburgh, Pa.

Gentlemen:

You have before you Mayor McNair's nomination of me for Chairman of the Traction Conference Board.

This is the sixth such nomination sent to you within the last few weeks, and the Mayor has already remarked to me that after I am rejected, he will submit another name suggested to him by Senator Coyne.

Of course, the Mayor has no serious motive in suggesting my name for this appointment and I had no knowledge that it would be done. I have no desire for the place and realize that I am only one of this increasingly long string of "appointees". I am not a candidate in any way and therefore respectfully request that you disregard this nomination.

Respectfully yours,

KERMIT McFARLAND.

Mr. Magee moved

That the communications be referred to the Committee on Public Service and Surveys.

Which motion prevailed.

CITY OF PITTSBURGH

Office of the Mayor.

May 21, 1934.

To the President and

Members of City Council.

Gentlemen:

I have the honor to inform you that

I have appointed, subject to your approval, Rev. James R. Cox, 67 Seventeenth street, to the position of Police Magistrate in the Department of Mayor at a salary of \$4,000.00 per annum, to fill the vacancy caused by the resignation of Charles J. McCall.

Respectfully yours,

WM. N. McNAIR,

Mayor.

OLD ST. PATRICK'S CHURCH

Pittsburgh, Pa.,

May 21, 1934.

Theo. Moritz.

Dear Mr. Moritz:

It has been reliably reported to me that the Mayor intends to appoint me as a police magistrate for the City of Pittsburgh.

I will accept because Mayor McNair has been so kind in naming me and because I will be pleased to gain the sociological experience that will be mine in that office. It will sort of complete my contacts with the people I have always loved.

Yours sincerely,

REV. JAMES R. COX.

Which was read.

Mr. Magee moved

That the communications be referred to the Committee on Public Safety.

Mr. Kane arose and said:

Mr. President: I would like to know the reasons why the member wants to refer this communication to committee. When Mr. Bell was nominated for the position of Director of Public Safety, I wasn't given an opportunity to study the nomination. I don't know where that suggestion comes from, but I am ready to act on it now.

The Chair said:

Some times a member asks for delay to consider the proposal before the body.

Mr. Kane arose and said:

Mr. President: I wanted time to

investigate a man I didn't know anything about. I think it was Mr. Anderson who said that we should not delay action on the confirmation of Mr. Jackson when his name was submitted for the position of police magistrate.

And the question recurring on the motion to refer the communications to the Committee on Public Safety.

The ayes and noes were ordered taken, and being taken, were:

Ayes:—Messrs.

Anderson

Magee

Garland, (Pres't)

Noes:—Messrs.

Demmler

Kane

Gallagher

McArdle

Huston

Soost

Ayes 3. Noes 6.

And there being a majority of the votes of Council in the negative, the motion was rejected.

Mr. Kane presented

No. 1055. RESOLVED, by the Council of the City of Pittsburgh, that the appointment of Rev. James R. Cox, of 67 Seventeenth street, of the City of Pittsburgh, as police magistrate, be and the same is hereby approved and confirmed.

Which was read.

Mr. Kane moved

The adoption of the resolution.

Mr. Magee arose and said:

Mr. President: I would like to have more time to deliberate on the confirmation of a clergyman for public office. I think there is a deep-seated prejudice against clergymen—men who have devoted their lives to an entirely different sort of professional activity—to mingle in political affairs to the degree that a public official must. I have no objection to a clergyman expressing his views upon a public question, like any other citizen, but I feel reluctant to voting one of them into public office.

Mr. McArdle arose and said:

Mr. President: I intend to vote for the confirmation of the name submitted. I was prepared to support the motion to refer the communication to the committee for the purpose of determining whether Father Cox wanted his nomination confirmed. Since he has

evidently seen to that in advance, and there is a letter from him expressing his willingness to take it, I am going to vote to confirm him, expressing a sense of personal disappointment that he has consented to take the appointment.

Mr. Auderson arose and said:

Mr. President: My position today is the same as it was when the Mayor took office. I feel he has a right to appoint his cabinet. This is an unusual thing to occur in Council. Nevertheless, if it is the Mayor's wish and he wants the appointment, I am going to vote for it.

Mr. McArdle arose and said:

Mr. President: Under a question of personal privilege, as a member of Council, at this point I want to express my dissatisfaction with what seems to have grown into a practice—the presentation of communications from the Mayor in more or less irregular fashion. These papers come to us, dealing with the fundamental right of the Council, to speak in accordance with the Charter Act upon appointments made by him, and they are handed to us in the eleventh and half hour with almost stealth, as though we cannot be trusted to have them in time to give them proper consideration. Also to give the councilmen the ordinary courtesy of availing themselves of the opportunity to make inquiry before they are called upon to pass on the questions involved. I hope the time will soon come when communications presented to us in this fashion, prior to our being called upon for action, will receive no action for the reason that they have not been presented in due time at the disposal of the Mayor.

Mr. Huston arose and said:

Mr. President: I move that the Committee on Rules get together and draw up a rule on that.

The Chair said:

You don't need to do that. The only thing necessary is to pass a motion.

Mr. Kane arose and said:

Mr. President: I want to concur in everything Mr. McArdle said, and I want to state that I opposed the nomination of Mr. Bell last week for this very reason. The Democratic minority

members of Council are in possession of information that Mr. Bell's nomination was agreed upon at a caucus held by the Republican members last Saturday. At that time they pledged to support Mr. Bell's nomination, and the Democratic members were called in here Monday afternoon and asked to vote for his confirmation. I was not given an opportunity to study the nomination.

Mr. McArdle arose and said:

Mr. President: Let me answer a part of that. So far as one of the Republican members of Council is concerned, I was not called into conference. I was not consulted by anybody who was especially concerned about Mr. Bell's appointment until the world knew that he was to be the appointee of the Mayor.

Mr. Kane arose and said:

Mr. President: I happened to be out of the city and the fact remains that you called a meeting of the Republican members last Saturday.

The Chair said:

What of it? I will do it again if I want.

Mr. Kane arose and said:

The fact remains, Mr. President, that you called the Republican members into caucus, and the Democratic minority members of Council were ignored.

The Chair said:

It is not worth denying.

Mr. Magee arose and said:

Mr. President: Nothing he says is fact.

Mr. Kane arose and said:

It is very difficult for anyone to present something that you will agree is a fact.

The Chair said:

It was entirely among those who participated in the conference.

Mr. Kane arose and said:

The members who participated in the caucus did not tell me.

The Chair said:

Which is very likely the case.

Mr. Magee arose and said:

Whoever told you that this subject was taken up, misrepresented the fact.

Mr. Kane:

It is very difficult for any Democratic member to say anything that you consider a fact.

Mr. Magee:

I know that it is a difficult thing for the Democratic bloc to put facts in their resolutions. There hasn't been a single resolution they have presented who was founded upon facts.

Mr. Kane:

The fact that Mr. Magee says they are not facts doesn't make it so by any stretch of the imagination.

Mr. Magee:

The fact is that I have had many years experience with these things, and these gentlemen have not had any experience, and I will leave it to anybody to say whether they are facts or not.

And the question recurring on the adoption of the resolution.

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Anderson  
Kane

McArdle  
Soost

Noes:—Messrs.

Demmler  
Gallagher

Huston  
Magee  
Garland, (Pres't)

Ayes 4. Noes 5.

And a majority of the votes of council being in the negative, the resolution was rejected.

Mr. McArdle moved

That the following members be excused for absence from Council and Committee meetings:

Mr. Anderson on May 2, 9, 16, 1934;  
Mr. Huston on March 19; April 2, 3, 4; May 17, 1934;  
Mr. Kane on May 7, 8, 9, 10, 1934;  
Mr. Soost on March 26, 27, 29; April 2, 3, 4, 24, 25, 27, 30; May 1, 2, 3, 8, 9, 10, 1934;  
Mr. Garland (Pres't) on April 24, 25, 1934.

Which motion prevailed.

Mr. Gallagher moved

That the Minutes of Council of Monday, May 14, 1934, be approved.

Which motion prevailed.

And on motion of Mr. McArdle

Council adjourned.

Which were read and referred to the Committee on Public Works.

Also

No. 1087.

Whereas, An approach to the loading platform on the South side of the new Post Office is now under construction. This approach is in the form of a ramp or inclined roadway parallel to Bigelow boulevard making a grade intersection at Seventh avenue a short distance below the intersection of Bigelow and Seventh.

The Government has been obliged to proceed with the construction of this ramp as no other suitable access is possible under existing adjoining street conditions.

It is known locally and recognized as a fact that the operation of postal trucks and privately owned mail carrying vehicles on this approach will create a situation resulting daily in interference to traffic flow and expeditious movement of the mails.

A definite and comprehensive city plan is available embodying all the necessary features to avert not only this impending condition but to correct an existing highly unsatisfactory traffic condition.

This plan does not void all of the work being done at the present time by the Government but aims at the elimination only of the inclined narrow roadway to Seventh avenue.

It has been discussed a number of times with the Government but no practical means of obtaining the improvement has been developed prior to the recent correspondence initiated by his Honor, the Mayor.

Letters have recently been addressed to the Government by His Honor and by the Director of the Department of Public Works at his direction.

Copies of these letters are attached

and as a matter of record are made a part of the resolution.

Now, therefore, be it Resolved:

That the Mayor and Council of the City of Pittsburgh do hereby approve and heartily endorse the suggestions made and contained in these letters, and further,

That in furtherance of the plans contained therein, the Director of the Department of Public Works be instructed to prepare an ordinance locating the street lines required by the improvement and establishing the costs incident to the necessary widening as a definite indication to the Government of the City's willingness to cooperate in providing a safe and efficient mutually satisfactory plan.

Which was read and referred to the Committee on Finance.

Also

No. 1088. Communication from Mrs. James L. DeVou, Hampton Hall, Dithridge street, complaining of nuisance caused by barking dogs.

Also

No. 1089. Communication from residents of section, between Oberlin and Oakdene streets, joined by Joplin street, complaining of ball playing on the vacant lots and in addition to the noise, paper and litter is left after each game.

Also

No. 1090. Petition of the United Bus Depot for the location of a bus stop at 946-48 50-52 Liberty avenue, and requesting hearing before Council.

Which were severally read and referred to the Committee on Public Safety.

Also

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. McArdle also presented

No. 1096.

#### DEPARTMENT OF LAW

May 24th, 1934.

Finance Committee of Council.

Gentlemen:

We have before us your letter of May 23rd, in re-Bill No. 1015. Resolution No. 40, dated February 18, 1924, approved February 29, 1924, and recorded in Resolution Book Vol. 6, page 18, is in the following language:

"Whereas, It is deemed advisable for the City to carry Liability and Property damage Insurance in connection with the Golf Grounds; Therefore, be it

Resolved, That the Mayor shall be and he is hereby authorized and directed to have policy placed covering both Liability and Property damage, and that the cost of this Insurance shall be chargeable to Code Account No. 42, Contingent Fund."

I am advised that the question has been raised in your Honorable Body that some defense might be set up by an insurer, based on the idea that

there was no specific authority to pay the particular premium. I believe that on the suits now pending no such defense has been raised, and that such a defense would not be good. However, inasmuch as current premiums on policies placed for the protection of the City are to be paid from a different Code Account, No. 1799, Miscellaneous Services, Bureau of Parks, it would seem proper that the Ordinance should be adopted.

Respectfully yours,

CORNELIUS D. SCULLY,  
City Solicitor.

Which was read, received and filed.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also, with an affirmative recommendation,

Bill No. 1005. WHEREAS, the rates fixed for compensation of employes at the Mayview Coal Mine is fixed in the ordinance effective from and after the first day of April, 1934, at the rate provided for by the agreement made between coal operators of Western Pennsylvania and Union Mine Workers of America, District No. 5, which rates were only in effect until the first day of April, 1934, after which a new agreement was entered into; and

WHEREAS, it is the intent of the City of Pittsburgh to provide for compensation of the employes at the Mayview Coal Mine in accordance with the agreement now in effect with the Union Mine Workers of District No. 5, therefore be it

RESOLVED, That the Mayor be and he is hereby authorized and directed to issue and the City Controller to countersign warrants in favor of the following named persons amounting to the sum of \$83.61, and charge the same to Code Account No. 1352, Wages Regular Employes, Mayview Coal Mine, the amounts respectively set opposite each name being the difference between compensation paid for the period from May 1, 1934 to May 15, 1934 inclusive and the rates for such services provided for by the said agreement entered into by Union Mine Workers of America, District No. 5.

No. 1102.

Pittsburgh, Pa.,

May 24, 1934.

To The President and  
Members of Council.

Gentlemen:

Your sub-committee of the Committee on Finance, appointed for the purpose of considering the general subject of relief for the unemployed of Pittsburgh, respectfully submits the following preliminary report:

Your committee has thus far held four meetings with representatives of the Allegheny County Emergency Relief

Association and the Unemployed Citizens League, and has also heard the Unemployed Councils of Allegheny County, the latter two organizations representing the unemployed of Pittsburgh and Allegheny County.

Several questions are under consideration by your sub-committee, which will be reported on later, but the items now receiving our most earnest consideration are the securing of surplus food from the United States Government through the State Emergency Relief Board and expediting the delivery of clothing and shoes, as well as the quality of the same. A meeting of the State Emergency Board is to be held in Harrisburg on Tuesday, May 29, to which representations are to be made for the furnishing of these surplus food commodities.

Your committee recommends that a committee of six be appointed to represent the City of Pittsburgh at this meeting, and we would therefore ask authority to send such a delegation to Harrisburg at city expense.

Your committee also submits for your consideration the attached resolution.

Respectfully submitted,

THOS. V. GALLAGHER,

Chairman.

CHARLES ANDERSON,  
JOHN J. KANE,  
W. A. MAGEE,  
WALTER R. DEMMLER.

Which was read.

Mr. Gallagher moved

The adoption of the report.

Which motion prevailed.

Also

No. 1103.

Whereas, The residents of the City of Pittsburgh and Allegheny County contribute through the purchase of various food commodities on which there is a processing tax; and,

Whereas, This money is being used by the Federal Government to purchase surplus products and distribute same; and,

Whereas, We have definite information that surplus food commodities are available and the Federal Surplus Relief Corporation stands ready and will-

ing to deliver at any time to the Pennsylvania Relief Board and requests for these commodities; and,

Whereas, The discontinuance of surplus food commodities constitutes a cut in relief, which is already inadequate; Therefore, be it

Resolved, That the Council of the City of Pittsburgh requests the State Emergency Relief Board to make immediate request for surplus food commodities to be distributed in the City of Pittsburgh and Allegheny County; and, be it further

Resolved, That, under no circumstances, will this surplus food be deducted from the already existing basic food grant.

Mr. Robert Clark,  
City Clerk,  
Pittsburgh, Penna.

Dear Mr. Clark:

Many thanks for your letter of May 15th, in which you enclose a copy of a resolution adopted by the City Council of Pittsburgh, requesting that a special meeting of the State Emergency Relief Board be called to discuss the provision of shelter for relief families.

I greatly regret that it will be impossible to take definite action on the matter in question until the Federal Emergency Relief Administration makes known the amount of funds which will be available over a period of months. Mr. Hopkins has indicated his intention of letting us know how much will be available until next February.

However, the matter will be discussed at the next regular meeting of the State Emergency Relief Board on Tuesday, May 29th.

With all good wishes,

Sincerely yours,

GIFFORD PINCHOT.

No. 1108.

Wm. N. McNair.

May 26, 1934.

To the President and  
Members of City Council.

Gentlemen:

I am returning Bill No. 951, without my signature, for the following reasons:

This matter of the abrogation of contracts by reason of a change in the price level will come up from time to time and it is well that the City should take a stand in this case. We will be confronted by this situation for two reasons, first, as in this ordinance the matter of a Code established by the Federal Government and, second, as in the case of the Milk Control Board, fixing prices, a State question will be involved.

The matter is very clear when we

ccme to consider the raising of prices due to Federal control, in view of the fact that the NRA specifically exempts political sub-divisions from the abrogation of the terms of the contract. As a matter of political theory, it appears to me that, where superior governmental departments arbitrarily raise the price level, those who are adversely affected by such action should appeal to those departments of government for relief instead of placing the added expense upon our municipality.

I believe that the Federal Government is unwisely raising prices and, as the Federal Government takes millions out of Pittsburgh every year, they could very well make up the difference to our contractors instead of placing the burden of the added cost upon the City, in view of the fact that they leave very little money here with which we can meet the cost of our ordinary governmental functions.

The same thing should apply in the City's purchase of milk. The State Government takes large amounts of money annually from our people here in Pittsburgh, if they feel that the producers of milk should arbitrarily be paid three or four times the natural price fixed by the law of supply and demand, they should meet the expense.

I would like you to consider the fact that we, as people of Pittsburgh, have absolutely nothing to say about the wisdom of these cases of our State and Federal Government. If we were allowed a referendum as to whether we should submit to this arbitrary raising of prices and our people would vote this upon themselves, I would say it would be alright for the City to cancel contracts which were made before the price level were raised and have the taxpayers stand this additional burden, but since the people of our City were not consulted in either one of these transactions and by the arbitrary power of the Federal and State Governments we are directed by that power to submit to these exactions, it seems to me that the authority determining this change should meet the expense rather than our City. After all, there are certain economic laws which will work no matter what a few men, calling themselves Legislators, may write on a piece of paper and when the State Legislature says that the producer of buttermilk shall be paid thirty cents a

gallon when the price fixed by supply and demand is only eight cents a gallon, it seems that less buttermilk will be consumed and the buttermilk producers will be no better off.

These contractors in all these cases have the privilege of going to our courts to determine their rights and simply because the Federal Government or State Government have taken certain action does not mean that we shall cancel our contracts without having a judicial determination of the question.

If the City definitely determines upon a course of procedure by which the whole set-up of advertising for bids, awarding a contract to the lowest responsible bidder and that line of procedure, which has become part of the municipal enterprise through statute and long observance, is carelessly waved aside, no one can foresee the results. We should pay more attention to the old fashioned way of doing things that has been tried and found to work well through all these years in all our municipalities, that is, of taking bids and taking bonds from contractors and dealing with a contract as though it were a contract and not be swept off our feet by the vagaries of some brain trust, who have edged in close to the seats of power in our Federal Government and now are usurping the functions of our State.

The mere fact that the Executive of this Commonwealth was trying to get the farm vote and put over the piece of legislation like the Pennsylvania Milk Control Act should not sway us from our course. After all, we have a right to judge, when two State laws conflict, as to which one we should obey. One State law says that we shall let our contracts to the lowest bidder. I not only consider that a good law but if we do not carry out that law, some taxpayer could very well bring a mandamus against us and compel us to obey the law.

This ordinance in question is a step in the wrong direction. These contracts were made in the proper way and there is no reason why they should be cancelled and the bond released. There have been other times when the price level has been raised through economic laws and no contracts were cancelled by reason of that rise in the price level. The mere fact that the Federal Govern-

ment is entering into untried paths and experimenting with a lot of theories should not influence in making a change in the orderly processes of our City Government. If more of our municipalities would take a stand on this matter and throw back on the Federal Government some of the disastrous results, such as this ordinance set forth, this tendency to take up some new idea, which some professor brings to Washington, might be checked.

I hope that the Members of your Honorable Body will consider this thing very thoroughly and not just carelessly pass it over my veto. There is a matter of deep principle of government, a matter of fundamental laws of economics involved in this ordinance and much of the future will depend upon whether or not the City of Pittsburgh stands fast in upholding the well tried processes of cooperative endeavor which has brought so much progress in this country. We cannot open this door. If this ordinance is enacted, there will be a flood of demands from other contractors to be released from their obligations and the City will be almost bankrupt by the rebates and refunds which will follow from the establishment of this precedent.

I, therefore, urge upon you that the course which you have taken in this be abandoned and the City firmly refuse to allow its contracts to be cancelled.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Bill No. 1087.

Whereas, An approach to the loading platform on the South side of the new Post Office is now under construction. This approach is in the form of a ramp or inclined roadway parallel to Bigelow boulevard making a grade intersection at Seventh avenue a short distance below the intersection of Bigelow and Seventh.

The Government has been obliged to proceed with the construction of this ramp as no other suitable access is possible under existing adjoining street conditions.

It is known locally and recognized as a fact that the operation of postal trucks and privately owned mail carrying vehicles on this approach will create a situation resulting daily in interference to traffic flow and expeditious movement of the mails.

A definite and comprehensive city plan is available embodying all the necessary features to avert not only this impending condition but to correct an existing highly unsatisfactory traffic condition.

This plan does not void all of the work being done at the present time by the Government but aims at the elimination only of the inclined narrow roadway to Seventh avenue.

It has been discussed a number of times with the Government but no practical means of obtaining the improvement has been developed prior to the recent correspondence initiated by his Honor, the Mayor.

Letters have recently been addressed to the Government by His Honor and by the Director of the Department of Public Works at his direction.

Copies of these letters are attached and as a matter of record are made a part of the resolution.

Now, therefore, be it Resolved:

That the Mayor and Council of the City of Pittsburgh do hereby approve and heartily endorse the suggestions made and contained in these letters, and further,

That in furtherance of the plans contained therein, the Director of the Department of Public Works be instructed to prepare an ordinance locating the street lines required by the improvement and establishing the costs incident to the necessary widening as a definite indication to the Government of the City's willingness to cooperate in providing a safe and efficient mutually satisfactory plan.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Mr. Kane presented

DEPARTMENT OF LAW.

April 27, 1934.

Committee on Public Works  
of Council.

Gentlemen:

On Bill No. 775, an Ordinance authorizing lease of property known as old

No. 5 Police Station, situate in the Ninth Ward, to the Lawrenceville Italian Club, which Bill was referred to the Department of Public Works, the Department of Public Safety and the Department of Law for recommendation and report, I wish to say that the Ordinance was prepared by the Department of Law at the request of the Bureau of City Property.

I am informed that the property has been abandoned by the Department of Public Safety for use as a police station, and is now in the custody of the Bureau of City Property of the Department of Public Works.

The Ordinance provides for the lease of said property to the Lawrenceville Italian Club, for a term of five years, at an annual rental of \$600.00, payable at the rate of \$50.00 per month in advance. The lease shall provide specifically that if at any time the City of Pittsburgh deems it necessary to occupy said premises, the lessee shall upon ninety days' notice in writing from the Department of Public Works, vacate the said premises.

The Ordinance is in proper legal form and ready for action thereon by your Committee.

Very truly yours,

CORNELIUS D. SCULLY,  
City Solicitor.

Which was read, received and filed.

No. 1161. RESOLVED, That the Department of Public Works prepare and present to Council the necessary legislation for the acquisition and improvement of a strip of ground occupied by the Pittsburgh Railways Company as a right-of-way between Pioneer avenue and Edgebrook avenue, as a part of the public street between said

points; and that the Law Department be requested to co-operate with said Department of Public Works in the preparation of such legislation.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Which motion prevailed.

Also

No. 1162. RESOLVED, That the Department of Public Works prepare and present to Council the necessary ordinances for the opening and improvement of an extension of a highway from the intersection of Pioneer avenue with Brookline boulevard to a point of connection with West Liberty avenue via the present right-of-way of the Pittsburgh Railways Company; the said ordinances to be under the Act of 1895.

Which was read.

Mr. McArdle moved

The adoption of the resolution.

Which motion prevailed.

Also

No. 1163. WHEREAS the immediate construction of the Seventh avenue-Bigelow boulevard and Post Office Ramp project is of the utmost importance to the people of Pittsburgh both with regard to the movement of traffic on Seventh avenue and Bigelow boulevard and that adequate access may be furnished to the new Post Office, and

WHEREAS, Seventh avenue and Bigelow boulevard are not only the most heavily congested main traffic thoroughfares of the downtown street system of Pittsburgh, but are also State Federal Aid Highways, and

WHEREAS, the Authority of Allegheny County has pending before the Federal authorities an application for constructing a number of improvements in Pittsburgh and Allegheny County, Now, therefore be it

Mr. Magee presented

No. 1164. WHEREAS, The cost-of-service agreement between the Pittsburgh Railways Company and the City of Pittsburgh has been extended for a period of two years from February 1, 1934 for the purpose of resurveying and re-studying the subject of mass-transportation to determine the expediency and advisability of a new long-term agreement, and

WHEREAS, the Traction Conference Board has been reconstituted so as to provide representation for the several groups in the city council. Now, therefore, be it

RESOLVED, That the Traction Conference Board be and it is hereby requested to report and advise the City Council regarding the numerous circumstances and conditions affecting such mass-transportation and specifically consider and report upon:

First, Whether a disintegration of the present system into its underlying units with separate operation and a conversion of some or many of the lines to auto bus is advisable from the view point of the general welfare of the community.

Second, If unified operation be advisable, to what extent should the city through a supervisory board participate in the decision of operating policies.

Third, In that event what is a fair rate of return to the operating company for the use of its property devoted to the public service taking into account the lessened utility of such property because of the decreased general public desire for that kind of service.

Fourth, An approximate valuation of the physical property used in the public service.

Fifth, The inter-corporate operating relationship between the Pittsburgh Railways Company and the Pittsburgh Motor Coach Company as to bus operation and with the Duquesne Light Company as to purchase of power.

Sixth, Fare experimentation for certain classes and during off-peak periods in order to increase revenue and more fully utilize the plant in the public service.

Which was read, and on motion of Mr. Magee, referred to the Committee on Public Service and Surveys, and a copy to be furnished each member.

#### REPORTS OF COMMITTEES.

Mr. McArdle presented

No. 1227. Report of the Committee on Finance for June 5, 1934, transmitting sundry ordinances and resolutions to council.

Which was read, received and filed.

Also

Bill No. 835. An Ordinance entitled, "An Ordinance amending and supplementing portions of Ordinance No. 69, Department of Public Works, entitled, 'An Ordinance fixing the number of officers and employes of all departments of the City of Pittsburgh, and the rate of compensation thereof,' which became a law on March 29, 1934."

In Finance Committee, June 5, 1934. Bill read and amended in Section 1 by striking out and by inserting, as shown in red, and in the title, by adding the words "and also supplementing section 104 thereof", and as amended ordered returned to council with an affirmative recommendation.

Which was read.

Mr. McArdle moved

That the amendments of the Finance Committee be agreed to.

Which motion prevailed.

And the bill, as amended in committee and agreed to by council, was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 1139. An Ordinance entitled, "An Ordinance appropriating from the proceeds of the sale of Bonds, known as Public Work Relief Bonds, 1933, Series C, Code Account 118, and authorized by Ordinance No. 284, approved December 5, 1933, entitled, 'An Ordinance authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of One Million Four Hundred Thousand (\$1,400,000.00) Dollars, and providing for the issue and sale of bonds of said City in said amount to provide funds

for the following purposes, viz: Providing supplies, materials, equipment, labor and supervision (including engineering expenses) for the improvement of streets, parks, playgrounds, wharves, sewers, water lines, bridges and other public properties of the City of Pittsburgh, the labor to be provided from among the unemployed, and providing for the redemption of said bonds and the payment of interest thereon, the sum of One Thousand (\$1,000.00) Dollars, for the payment of automobile transportation for Engineers and General Construction Overseers and others on Unemployment Relief Projects."

In Finance Committee, June 5, 1934, Bill read and ordered returned to council with an affirmative recommendation, subject to report from Budget Controller.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. McArdle also presented

No. 1228.

June 11, 1934.

President and Members of Council,  
City of Pittsburgh.

Gentlemen:

With reference to Bill No. 1139, an Ordinance appropriating the sum of \$1,000 for the payment of automobile transportation on unemployment relief projects, referred to this office for examination by the Finance Committee on June 5th, 1934, the following information is submitted.

An appropriation of \$1,000 was made for this service sometime in February of this year; the expenditures during the month of March were approximately \$190.00 and since that time have been at the rate of approximately \$270 per month, there being about \$270 available for the payment of June bills.

We are informed by the Department of Public Works that there are five books issued, the cost of the use of which is chargeable against this appropriation and that the transportation is used by approximately 25 engineers, over-

seers and other supervisors on unemployment relief projects. This is an average of about 50c per day per man and would appear to be reasonable.

Yours very truly,

EDW. A. SCHOFIELD,  
Budget Controller.

Which was read, received and filed.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

Bill No. 1164. WHEREAS, The cost-of-service agreement between the Pittsburgh Railways Company and the City of Pittsburgh has been extended for a period of two years from February 1, 1934 for the purpose of resurveying and re-studying the subject of mass-transportation to determine the expediency and advisability of a new long-term agreement, and

WHEREAS, the Traction Conference Board has been reconstituted so as to provide representation for the several groups in the city council. Now, therefore, be it

RESOLVED, That the Traction Conference Board be and it is hereby requested to report and advise the City Council regarding the numerous circumstances and conditions affecting such mass-transportation and specifically consider and report upon:

First, Whether a disintegration of the present system into its underlying units with separate operation and a conversion of some or many of the lines to auto bus is advisable from the view point of the general welfare of the community.

Second, If unified operation be advisable, to what extent should the city through a supervisory board participate in the decision of operating policies.

Third, In that event what is a fair rate of return to the operating company for the use of its property devoted to the public service taking into account the lessened utility of such property because of the decreased general public desire for that kind of service.

Fourth, An approximate valuation of the physical property used in the public service.

Fifth, The inter-corporate operating relationship between the Pittsburgh Railways Company and the Pittsburgh Motor Coach Company as to bus operation and with the Duquesne Light Company as to purchase of power.

Sixth, Fare experimentation for certain classes and during off-peak periods in order to increase revenue and more fully utilize the plant in the public service.

Mr. Demmler moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second time.

Mr. Demmler arose and said:

Mr. President: On Bill No. 1164, File 259, I wish to say that regardless of what may be stated to the contrary, I think that under the Traction Conference Agreement as drawn there is no power in the Board to solve the traction difficulties, nor is there any authorization in the Agreement by which the City may compel the Traction Board to be its agent in such solution. The arbitration powers referred to in this Agreement arise only in regard to differences of opinion, if, as and when conditions precedent, namely, the earning of 6% on \$62,500,000.00, have been complied with.

I will be glad if I shall be compelled to change my opinion.

My thoughts are also expressed in an editorial of the "Post-Gazette" of June 6, 1934:

"The first reaction of the average individual who has been following the news about this much-discussed agency will be to wonder, in view of the manner in which its function is specified in the agreement between the city and the company, that it should need any other body to prepare a program of work for it. However, it draws attention to the fact that one of the principal complaints against the Board is that too little has been heard about its work or of things done on its own initiative. Some of the information sought in the Magee program might have been presented to Council by the Board long ago.

"A complete report on all the points raised should be made within a reasonable time."

And the resolution was read a third time and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Mr. Anderson presented

No. 1232. Report of the Committee on Health and Sanitation for June 5th, 1934, transmitting an ordinance to council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1116. An Ordinance entitled, "An Ordinance relating to safeguarding public health, prescribing certain rules, regulations and requirements in any building now existing on

which may be erected, or altered, to make, or dispense any beverage or prepare any food for consumption on the premises or elsewhere, or in any building where the public may assemble, such as places of amusement, dance halls, theatres, etc., and providing penalties for violation thereof."

Which was read.

Mr. Anderson moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

WHEREAS, By an Agreement dated October 27, 1931, and supplemental Agreement dated December 22, 1931, the deposit account of the City of Pittsburgh with the said Pennsylvania Trust Company of Pittsburgh was secured by the deposit with the Colonial Trust Company of Pittsburgh, as trustee for the City of Pittsburgh, of certain obligations of debtors of said Pennsylvania Trust Company of Pittsburgh; and

WHEREAS, It may be necessary from time to time for the City of Pittsburgh to agree to adjustments proposed by the makers or endorsers of said obligations, to the Secretary of Banking, whereby they would be released from their liability on the payment of less money than is due by the terms of their respective obligations; Therefore, be it

RESOLVED, That, where the Secretary of Banking in charge of the Pennsylvania Trust Company of Pittsburgh deems it advisable to accept from a debtor or debtors of the Pennsylvania Trust Company of Pittsburgh whose obligations are deposited with the Colonial Trust Company of Pittsburgh as aforesaid, in full or partial settlement of his, their or its obligations, less money than may be due according to the tenor of such obligations, the City Solicitor and the City Treasurer, the City Controller concurring, are authorized to agree jointly to such ad-

justments or settlements for the City of Pittsburgh, if in their judgment they deem the same proper to be made, and to that end are authorized to execute and sign such documents in connection therewith as may be necessary to carry into effect such settlement or settlements.

In Finance Committee, June 12, 1934. Read and ordered returned to council with an affirmative recommendation, subject to report from Law Department.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second time.

Mr. McArdle also presented

No. 1298.

#### CITY OF PITTSBURGH PENNSYLVANIA

June 12, 1934.

Finance Committee of Council.

Gentlemen:

On Bill No. 1185, being a bill for resolution authorizing the City Solicitor, the City Treasurer and the City Controller to agree with the Secretary of Banking in charge of the Pennsylvania Trust Company to adjustments of collateral deposited by debtors of that trust company as security for the City's account, this bill was prepared on the request of David Glick, Esq., Deputy Attorney General in charge of the legal affairs of the Secretary of Banking, who is in charge of the Pennsylvania Trust Company of Pittsburgh.

As stated in the resolution, the Colonial Trust Company was appointed trustee for the City of Pittsburgh, and is the custodian of a large amount of collateral given by the Pennsylvania Trust Company to the Colonial Trust Company to secure the City's deposit account in the Pennsylvania Trust Company.

The Secretary anticipates that it will be necessary, from time to time, to make adjustments of the amounts apparently due by different debtors in order to obtain payment; and, to ob-

viate the difficulty of having to apply to Council for an adjustment of each particular item, the resolution has been drafted to confer the necessary power to make the adjustment upon the three officials mentioned in the resolution. This is within the power of Council to do, and we recommend the approval of the resolution.

Very truly yours,  
THCS. M. BENNER,  
First Asst. City Solicitor.

Which was read, received and filed.

And the resolution was read a third time, and upon final passage the ayes and noes were taken, and being taken were:

#### MOTIONS AND RESOLUTIONS.

Mr. McArdle, at this time, obtained leave and presented

No. 1302. An Ordinance authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of Five Hundred Thousand (\$500,000.00) Dollars, and providing for the issue and sale of bonds of said City in said amount to provide funds for the following purposes, viz: Providing food, clothing, fuel and shelter for and otherwise assisting residents of the City of Pittsburgh who are without adequate means of sup-

port, and providing for the redemption of said bonds and the payment of interest thereon.

Which was read and referred to the Committee on Finance.

Mr. Kane presented

No. 1303. Resolved, That Patrick T. Fagan, 822 Woodbourne avenue, Pittsburgh, be approved for appointment as a member of the Police Research Commission vice Mrs. Mary Burnett, resigned.

Which was read.

Mr. Kane moved

The adoption of the resolution.

Which motion prevailed.

Mr. Soost presented

No. 1304. WHEREAS, The Commissioners of Allegheny County have made application to the United States Government for a loan of \$30,000,000 for the purpose of paying the costs of certain public improvements proposed to be made in the County of Allegheny and in the City of Pittsburgh under the authority and control of the newly created "Allegheny County Authority", included among which are the construction of a traffic by-pass at the south portal of the Liberty Tubes and the construction of additional highway bridges; and

WHEREAS, In the application to the United States Government made by the Commissioners of Allegheny County for said loan, the Commissioners set forth a proposal to establish a toll charge upon all persons using these new improvements for the purpose of creating a fund to redeem these bonds; and

WHEREAS, It has been the policy of the City of Pittsburgh for many years past to permit free use of all its highway structures, and the contemplated proposal of the County of Allegheny to collect a toll from the proposed improvements to be made is contrary to that policy; Therefore, be it

RESOLVED, That the Council of the City of Pittsburgh hereby goes on record as protesting the contemplated action of the County of Allegheny in determining upon a policy to collect a toll from people who avail themselves of these improvements; and be it further

RESOLVED, That a copy of this reso-

lution be forwarded to the Commissioners of Allegheny County for their information.

Which was read.

Mr. McArdle moved

That the resolution be referred to the Committee on Finance.

Which motion prevailed.

Mr. McArdle moved

That Council recess from June 28th to July 23, 1934, and that immediately upon adjournment today, the heads of the several departments be notified of this action.

Which motion prevailed.

Mr. McArdle arose and said:

Mr. President: I rise to a question of personal privilege. I have before me a clipping from the issue of Friday, June 15th, of the Pittsburgh Press, purporting to be a report of a speech delivered by Director Johnston of the Department of Public Works before the Henry George Club, from which I quote as follows: "Down come the Councilmen", he said, "one after another, leading somebody by the hand they want to put on the payroll. That sort of thing can't be done. It won't be done while I am in office." Further on he is quoted as follows: "Who are these men", he demanded angrily, "that dare come into my office and tell me that so-and-so should be put on the payroll." "It's my job, not theirs, to judge who's qualified for the jobs."

It is not my purpose to raise any question as to whether this is the proper presentation of what was said in the speech, but what I have to say in the event that the quotation is proper, is that the quotation as I read it, speaks of the councilmen, no qualifications. My interpretation is that it means all the councilmen, and as one of the nine I want to say that since Director Johnston has been in office I have never led anybody by the hand, arm or leg into his office to ask him to give them a job.

Of the numerous times that I have been in his office since he has been Director, I have only been there once of my own volition or motion. That was on the day that he was inducted into office, when I went there to extend to him my congratulations and wish him success and to offer such assist-

ance as my experience might permit me if he thought himself in need of it.

Every other occasion on which I have been in Director Johnston's office, has been at his invitation. I might go further and say that I have not written more than four or five letters which he may or may not have received. I have had no acknowledgement of them and therefore am not able to say.

Neither have I asked any person under him to place anybody in jobs. I am making this statement up to this minute because if this statement is intended to be as broad in its application as I interpret it, it is anything but the truth insofar as it may be intended to apply to me.

Now, I just want to go one step further under the question of personal privilege and say, had I frequently gone to Director Johnston's Office or any other Director, and recommended somebody for appointment, I would make no public apology; so what I am saying will not be regarded as an apology, but as a plain exposition of facts. I take it to be clearly the privilege of any citizen, including councilmen, to make such recommendations as he sees fit to any public official, leaving it, as it must be left, to the discretion and power of that official, be he man or woman, to do as he pleases in the finality.

I am making this statement because this speech has been given very general circulation. As I am not able to learn its truthfulness, I don't question its authenticity, but I want to make myself clear and go on record in contradiction to the alleged facts if I have interpreted them correctly as they appeared in this recorded instance.

Mr. Soost arose and said:

Mr. President: I read that article in the newspaper, and I want to state before this body that I have only been in his office twice, and on these two occasions I was serving on a committee to go over the personnel of the Department of Public Works. I will go further than Mr. McArdle and say I never recommended anybody.

The Chair said:

You have a right to.

Mr. Magee said:

Oh, no, you don't. You shouldn't recommend anybody.

Mr. Kane arose and said:

Mr. President: I don't think that the Director intended his remarks to include all the councilmen. He intended them to apply to two members of Council.

So far as I am concerned I have never been in his office to talk patronage or jobs, but I was in his office with a committee to discuss departmental matters. I have never led anybody down there by the hand. Most of the people who come to me want to lead me down.

But differing from Mr. McArdle, I want to say for the record that I have written four or five thousand letters. I don't know how many. I didn't tabulate them. I make no apology for that.

These people come to me, they are taxpayers—and some are strangers to me—seeking my aid in securing employment for them. But all my life I have been trying to get jobs for people. When industries are not able to provide employment for people, they turn to the government for work.

However, I told these people repeatedly that it was foolish to expect any consideration for any letter of mine. Despite this fact, they asked for the recommendations and I furnished them. These people are out of employment and cannot find work. I see no difference between asking him for jobs and having him ask me to vote for him when confirmation of his appointment by Mayor McNair was before Council.

Mr. Gallagher arose and said:

Mr. President: I take the same position as Councilman Kane. I wrote thousands of letters to Director Johnston for people who are seeking employment—and most of these are taxpayers, and if given employment are willing to pay their taxes. As far as patronage and playing politics is concerned, I think an investigation would probably show that quite a few of Mr. Johnston's appointments were based upon personal friendship. I never led anybody by the hand to his office.

Mr. Huston arose and said:

Mr. President: I better say a word to. I am not going to be left out in the cold. I have written a few letters, not to Director Johnson, but to his Chief Clerk. It might be that

he is referring to me when he says a man was led by the hand to his office. I did go in one day with a man who had been promised a job by the Mayor, but I didn't lead him by the hand. I took the man to Director Johnston and he said he would do everything he could for him. I didn't lead him by the hand. He is big enough to go alone.

Director Johnston came to us and asked us to be for him. I remember one Sunday night when he called me at my home and asked for our support for his confirmation and I told him we would not.

Mr. Anderson arose and said:

Mr. President: My position is a little different than Councilman Huston's. Mr. Johnston never showed me that courtesy when seeking this job.

When it comes to leading people to his office, I don't think he means me. I have written one letter to the department. As far as leading me by the hand that is out, but they might lead me by the nose if they got a good hold on me.

Before I would say anything about these reports, I would first want to be sure that they are correct. I think a lot of things said in the newspapers are incorrect. The Mayor told Jones that he didn't say what was reported in the newspapers the Mayor said about him. Maybe the Director didn't say these things. I am not questioning the papers who published the reports.

If Councilmen do these things, there is nothing wrong about it. It is a charitable thing to do, knowing someone who has been unemployed for years and knowing he is worthy, to try to help him secure employment. Anyhow, no councilman can get a job unless it be a laboring job. They are being handed out by a clique and I am not a member of it.

Mr. Magee arose and said:

We ought to hear from the Chairman.

The Chair said:

Mr. Demmler and I have nothing to say.

The Chair presented

No. 1305. Resolution authoriz-

ing and directing the Mayor and the Director of the Department of Public Works to employ Press C. Dowler, Registered Architect, to prepare plans, specifications and details, and to have general supervision of the work (including engineering in connection with the heating, ventilating, plumbing and electrical work) of rebuilding and equipment of the North Side Market, and providing for his compensation, and providing for change of plans, etc. due to inability of the City to receive moneys from the United States Government in connection with said reconstruction.

CITY OF PITTSBURGH

Office of the Mayor.

June 20, 1934.

To the President and

Members of Council.

Gentlemen:

I am returning herewith Bill No. 1118, without my approval, for the following reasons:

This ordinance restricts the operation of our restaurants, theatres, dance halls, etc., so much so that the small owner would have to discontinue business. It even permits invasion of the sanctity of our homes. I doubt if most of the business places in the City would pass inspection under such strict provisions as contained in this Bill. In my opinion, if owners were compelled to follow the general sanitary code in effect now, I feel the health of our citizens would be protected.

One of the reasons there is very little building in the City of Pittsburgh is the difficulty encountered by the person who desires to erect an improvement. He is handicapped, not only by City ordinances, but by labor union regulations and this ordinance would not only tend to check new building but would be a serious detriment to our present mercantile establishments.

It appears to me that those who are engaged in the plumbing business probably started the movement from which this ordinance developed by reason of the fact a great deal of extra work will immediately come to the persons engaged in that line of business because of the requirements which I now desire to enumerate.

In Section 2, every drain opening on soda fountain, lunch counter or beer work board must be furnished with a trap which shall be placed as close as possible to the fixture it serves, for which a fee of 50 cents for each fixture must be paid. Within the meaning of this ordinance the term "fixture" is defined to mean bottle cooler, refrigerator, rinsing sinks, glass washers, etc. All such drains must not connect directly with any part of the plumbing system but must discharge over a properly trapped and vented water supplied sink or receptor. Each outlet must be furnished with not less than 1½" trap, with so many fixtures on each size waste pipe. It is specified that a fee of 50 cents for each fixture must be paid, but does not state to whom this money shall be paid. Further, if a place contained all the "fixtures" mentioned in this ordinance, and they were compelled to pay 50 cents for each "fixture", it would create another burden on already over-taxed businesses.

In Section 3, separate toilet rooms shall be provided for each sex in every establishment where both men and women are employed. These shall be clearly designated and no other person shall be permitted to use or frequent a toilet room assigned to the opposite sex. The number of water closets to be provided for each sex shall be in every case based upon the maximum number of persons of that sex employed at any one time on the given floor or floors or in the given building for which such closets are provided, and there shall also be provided one wash stand for each sex. Water closets shall be provided for each sex according to the following table: 1 to 15 persons—1 closet, 16 to 30 persons—2 closets, 31 to 50 persons—3 closets, and for each additional 25 employees at least one additional water closet.

In Section 4, in all such places where both sexes may be assembled, separate toilet rooms for male and female must

be provided and maintained in a sanitary condition. Toilet rooms for males shall be clearly marked "Men" and for females they shall be clearly marked "Women". In places of amusement such as theatres, dance halls, etc., toilet fixtures must be provided for the different sexes as follows: Male toilet rooms must consist of one water closet, one wash stand and one urinal, where not more than fifty patrons may be assembled. For every fraction thereof one additional toilet must be provided, so there may never be more than fifty patrons per closet. Female toilets must consist of one water closet, one wash stand and one sanitary container, where there would not be more than forty assembled. For every fraction thereof one additional toilet must be provided, so there will never be more than forty persons per toilet. Water closet compartments must not have any direct communication with any dining room or kitchen, nor shall any water closet be placed in any dining room or kitchen. Neither shall same have direct communication with a public dining room, restaurant or kitchen or be placed in any room or compartment which has not direct communication to external air, either by window or air shaft of at least four square feet, or some other approved means of ventilation that will change the air in these closet compartments not less than six times per hour. When any window ventilating any water closet compartment opens directly into a vent shaft, no window of any other room except water closet compartment or bath room shall open into such vent shaft.

Under Sections 3 and 4, this will necessitate creating additional space in order to meet these regulations, in many cases impossible, and causing a great deal of expense and will work a further hardship upon and deter the progress of business. In a large number of instances, it will be impossible to meet these requirements and will force the incumbent to close, losing his investment.

It seems to me that these requirements are not matters for legislative action. After all, the people must be satisfied with the present set-up of restaurants, dance halls, etc. If they were not, they would not patronize. It is much better to deal with this situation through the force of public opin-

ion than to try to remedy it by passing a law.

This ordinance carries provisions for its enforcement which would work very great hardships if all the provisions were immediately carried out. The result would be that, as in many other cases, a few individuals would be persecuted and favoritism would be shown on the part of the enforcement officers and a very bad situation developed because it would be impossible to make every place of business comply fully with these strict requirements.

Under Section 10, if all the provisions are not complied with immediately, prosecution could begin at once, there being no time given in which these changes could be effected, and the defendant, upon conviction before a magistrate or alderman, could be fined \$50.00, and in default of payment, be imprisoned for 30 days in the County Jail. In my opinion, this would be too much of an imposition upon a citizen who, because of his limited financial condition, could not make the changes required.

In all, I do not believe it is necessary to create this additional burden upon the taxpayers. If these places were required to keep a sanitary business and clean toilets for both sexes, there would be no cause for alarm concerning the health of our public and it would not be necessary to work a hardship upon the owners in the form of large outlays of money for unnecessary alterations.

I think Council should proceed slowly in placing further burdens on the businesses of the City. They are already over-taxed and so restricted that it is a struggle to carry on. Instead of adding more restrictions to those who want to build homes or carry on restaurant business or amusement places, I would favor the repeal of many of our existing ordinances. I have had experience in building a few houses in our city and it is very difficult to comply with all the requirements, some of them being ridiculous. On one occasion I had ten bricklayers working and, without any notice to me, the building inspector came on the job and sent them all home, causing me to lose all their day's work.

In too many instances ordinances and regulations, such as these, play into the

hands of those who would monopolize the jobs in the building trades and maintain the price paid for such labor at ridiculously high prices. We need thousands of small homes in the City of Pittsburgh and they would be built tomorrow if two things could be accomplished: first, if the builders would have access to desirable building sites at a reasonable price, and, second, if they were allowed to employ men at the wages fixed by the law of supply and demand and were allowed to build their houses in a reasonable way instead of being restricted by ordinances such as these.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read.

Also

Bill No. 1116. An ordinance entitled, "An Ordinance relating to safeguarding public health, prescribing certain rules, regulations and requirements in any building now existing or which may be erected, or altered, to make, or dispense any beverage or prepare any food for consumption on the premises or elsewhere, or in any building where the public may assemble, such as places of amusement, dance halls, theatres, etc., and providing penalties for violation thereof."

Which was read.

Mr. McArdle moved

To reconsider the vote by which the bill was read a second and third times and finally passed.

Which motion prevailed.

And the question recurring, "Shall the bill be read a second and third times and finally passed?"

The motion did not prevail.

Mr. McArdle moved

To amend the bill in Section 1 in the line reading, "The Company shall provide the powder" by striking out the word, "Company", and by inserting in lieu thereof the word, "City".

Which motion prevailed.

And the bill as read a second time and amended was agreed to and laid over for reprinting.

Mr. McArdle moved

That the attention of the Statistician be called to this ordinance, (he having drawn the same) so that mistakes of this kind may not occur in the future.

Which motion prevailed.

Mr. McArdle presented

No. 1332. RESOLVED, That the Department of Public Works be requested to complete the development of the mushball field on the property of the Mutchen Realty Company, in the 18th Ward, near the intersection of Arlington avenue, Salisbury and Foley streets, and to use the rented equipment provided for the development of RWD projects, and that the Department be requested to do the above mentioned work as speedily as possible.

Mr. President:—I wish to be recorded as voting NO on Bill No. 1140. It is my belief that any profits that come from special privileges at the Pittsburgh City Home and Hospitals should go to the institution and not to any private person or persons.

Ayes 8. Noes 1.

placed by the builders of incinerators that there will be no smoke or odor emitted from the stacks of such a building. Surely if there is no odor from the first floor, there is none within miles of where people live. We have a guarantee that that condition has been taken care of. We will also have new equipment to carry the rubbish and garbage through our streets. These vehicles have sliding tops. It is impossible for odor to bother the people in the neighborhood where they pass. All these years, this refuse was taken away in open wagons. We are trying to get away from that condition.

The proposition from the present company that holds the contract is to allow it to build three loading stations. If there is an odor at all, it is from these loading stations. I will venture to say this, that there is more odor from one loading station than all the incineration plants in these United States.

It also requests the City to build an incinerator on the North Side.

So where is the benefit of continuing a contract that has been going on for nearly 40 years.

I think the engineers who have worked for the city and the Director and some of the Council, I don't know how many, have been visiting different sites and saw the incinerators in operation. They have reported back to Council that there is no odor. In fact they go so far as to say that the people are living inside the buildings raising families, and that is a fact because the photographs show such a condition. The wash from these families hanging on lines strung from the same building.

In view of these conditions, surely the Council is not going into this proposition without making a thorough study. It is the Council's duty to please the people who live in the city, and it is also the Council's duty, and I think it is fair for me to quote figures, if the newspapers are quoting figures. It is a saving of \$500,000.00 a year, and say for argument purposes, the life of these incinerators is from 35 to 40 years, surely at the lowest, 30 years, the City will benefit to the tune of \$500,000.00 a year for that length of time.

I have been thoroughly convinced

that there is no odor from these plants. If there were, I would be the last man in this Council to vote for a condition which would in any way interfere with the lives of people in the districts, or which would in any way deprecate the value of their properties.

This property belongs to the City. It costs us nothing. There are no people living near the site, and I cannot for the life of me see where we could do any better than selecting the site back of the park.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

proved by the City Solicitor, for the  
property hereinbefore described, and  
charging the same to Bond Fund 119,  
Incinerator Bonds, 1934.

Which was read.

Mr. McArdle moved

A suspension of the rule to  
allow the second and third readings  
and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended,  
the resolution was read a second time.

The Chair said:

Gentlemen:—Controller Kerr is  
present and desires to say a word.  
There is a question whether the prop-  
erty on the North Side should be pur-  
chased by authorization of an ordi-  
nance or a resolution. The Controller  
doesn't seem to be altogether satisfied  
that Council has taken the right pro-  
cedure. If there are no objections, the  
Controller will be given the privilege  
of the floor.

Dr. James P. Kerr, City Controller, being given the privilege of the floor, said:

Mr. President and Gentlemen of Council:—What I shall say now is in line of a post mortem. The bill is passed.

I want to call your attention to the fact that this bill should not be in the form of a resolution, but in the form of an ordinance.

Mr. Magee arose and said:

What is the ordinance?

Dr. Kerr said:

The purchase of this property on the North Side for an incineration site. It is an expenditure of \$70,000.00 for the purchase of this property. A couple of years ago when we had a short visit up at Butler, Judge Finletter set out clearly and distinctly the difference between an ordinance and a resolution, and stated that an ordinance should be passed for all matters of public improvements or matters of any duration. A resolution was a matter of bridging over a short period of time. That a resolution could be passed for something that would terminate within a short period. The Charter Act of 1901 specifies clearly that a contract cannot be entered into until the Council has passed an ordinance authorizing the same. You also have the ordinance of 1902 which specifies clearly that no contract shall be made with any person for anything except by an ordinance passed by Council.

This is not an ordinance. This doesn't have a title. It doesn't conform to the legal requirements of the law as we see it. There is another thing in the resolution that I think is entirely out of click. When you purchase a piece of property for a term of years, and we take this to be for all time, the property shall be acquired in fee simple. This resolution only requires a general warranty deed. If this property is to be purchased, it should be purchased with a full and clear title. I am of the opinion that this resolution will not stand.

Mr. McArdle arose and said:

Mr. President:—All of the questions that the Controller has raised were raised in committee when the resolution was presented, and Mr. Benner as

the spokesman for the Law Department appeared in person and gave direct affirmative answers to the question as to whether a resolution was sufficient authority to purchase this property.

Now, I direct attention to the fact that that was done after a resolution had been prepared by the Law Department setting forth the description of the property in the first instance erroneously, and it was sent back to the Law Department to be redrafted, and this question was raised, and in spite of that fact, the Law Department again presents it in the form of a resolution and again affirms its conviction that it is in accordance with the law. We are supposed to be guided by the Law Department, and if the Law Department is convinced that this is an error, having misinformed us, they ought to rightfully inform the Mayor before he signs it.

The other point raised by the Controller I think is quite all right. The resolution does provide for a general warranty deed, which according to our understanding, means that the seller will warrant the title in fee simple to us against all claims.

The Chair said:

That is what we all understood.

Mr. Anderson arose and said:

Mr. President:—When the first resolution was drawn, it was called to the attention of the City Solicitor that the description as given in the bill was not correct. The second bill with the proper description came to us in the form of a resolution. Mr. Benner, Assistant City Solicitor, is here, and I would like him to tell the Council whether an ordinance or resolution is required to purchase this property.

Mr. Thomas M. Benner, First Assistant City Solicitor, appeared.

The Chair said:

You didn't hear what the City Controller said.

Mr. Benner said:

No, but the City Controller takes his law from the Law Department.

Dr. Kerr said:

I told the Council that this must be done by an ordinance.

Mr. Benner said:

If you buy property for park

or market house purposes, it would have to be done by an ordinance. As this is a single business transaction, I am satisfied that you can authorize it by a resolution and not by an ordinance.

Dr. Kerr said:

Doesn't this mean entering into a contract?

Mr. Benner said:

It is not the kind of a contract that the contract statute provides for. If you will read the sections in regard to entering into contracts you will find that they are for purchasing materials and supplies, not for something that the contractor agrees to do for the city. This is not that kind of a contract. The law provides that all contracts shall be authorized by ordinance, and it goes on and explains how those contracts shall be let, and bids shall be advertised for if the amounts exceed \$500.00; and, of course, you could not buy property by advertising for bids. We would have to buy it from the owner. That law does not apply to the purchase of a piece of property. In the City Charter Act, there is a long series of powers conferred upon the City, if they so desire, to indicate by ordinance, but none of them relate to the purchase of property for the purpose of an incineration plant, but if we want to purchase property for a park, it would have to be by an ordinance. It doesn't say anything about purchasing property for incineration plants or water plants.

Dr. Kerr said:

I cannot understand why you introduced two ordinances to advertise for contracts for the construction of the incinerators and put in a resolution to purchase the property. Under the law and corporate powers of the City, all property must be purchased by ordinance, and you know it, Mr. Benner.

Mr. Benner said:

I don't know any such thing.

The Chair said:

You and the Controller can argue that out later. If the Controller convinces you that it is right, an ordinance will have to be submitted and passed.

And the resolution was read a third time, and upon final passage the ayes

and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson  
Demmler

Gallagher  
Kane  
McArdle

Noes:—Messrs.

Huston  
Magee

Soost  
Garland, (Pres't)

Ayes 5. Noes 4.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Mr. Kane presented

No. 1386. Report of the Committee on Public Works for June 19, 1934, transmitting an ordinance and a resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1245. An Ordinance entitled, "An Ordinance establishing a Farmers' Market on the Monongahela Wharf, and providing regulations therefor."

Which was read.

Mr. Huston moved

That the bill be recommitted to the Committee on Public Works for a hearing.

Which motion prevailed.

Also

Bill No. 1247. Resolution authorizing the issuing of a warrant in favor of the Iron City Heating Company, 843 Jackson street, North Side, City, in the sum of \$91.00, for additional repairs at Henry W. Oliver Bath House, and charging same to Code Account No. 1906, Repairs, Grounds and Buildings, Bureau of Recreation, Department of Public Works.

Which was read.

Mr. Kane moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And there being two-thirds of the votes of council in the affirmative, the resolution passed finally.

Mr. Demmler presented

No. 1387. Report of the Committee on Public Service and Surveys for June 19, 1934, transmitting sundry ordinances to Council.

No. 1388.

City of Pittsburgh, Pa.,

June 22, 1934.

SUBJECT: Ordinance locating Bigelow Blvd., Strawberry way and Telegraph way.

Robt. Clark, City Clerk,  
City of Pittsburgh.

Dear Sir:—

With respect to three ordinances introduced into Council to provide for the locating of future lines of Bigelow Blvd., in connection with the Post Office ramp, we beg to advise that the Commission believes (1st) that the ordinances as introduced are satisfac-

tory for purpose of discussion and negotiation with Federal Government officials; but (2nd) that, if said negotiations are favorable and the project is to go ahead, the said ordinances should be amended to provide for a revision of the lines of the proposed street in two places. As an alternative to this amendment, it might be that an actual widening ordinance to the proper lines would provide for the corrections indicated above.

This department will check with the Department of Public Works in anticipation of any need to make these corrections.

Yours very truly,

FREDERICK BIGGER,  
Chairman,  
City Planning Commission.

Which was read, received and filed.

#### UNFINISHED BUSINESS

Bill No. 1192. An Ordinance entitled, "An Ordinance supplementing Section 34, Mayview Coal Mine, of an ordinance entitled, 'An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof,' which became a law March 29, 1934, and the various supplements thereto and amendments thereof."

In Council, June 21, 1934, Bill recalled from Mayor without action, Vote reconsidered by which it was read a second and third times and finally passed, and amended by striking out the word "company" in Section 1, and by inserting in lieu thereof the word "City", and as amended agreed to on second reading and laid over for re-printing.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Anderson	Kane
Demmler	Magee
Gallagher	McArdle
Huston	Soost
	Garland, (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 1330. Communication from the Mayor returning, without approval, Bill No. 1116, An Ordinance prescribing certain rules to safeguard the public health in buildings dispensing beverages, foods, etc.

In Council, June 21, 1934, Read and laid over until Monday, June 25, 1934.

Which was read, received and filed.

Also

Bill No. 1116. An Ordinance entitled, "An Ordinance relating to safeguarding public health, prescribing certain rules, regulations and requirements in any building now existing or which may be erected, or altered, to make, or dispense any beverage or prepare any food for consumption on the premises or elsewhere, or in any building where the public may assemble, such as places of amusement, dance halls, theaters, etc., and providing penalties for violation thereof."

In Council, June 21, 1934, Bill returned without Mayor's approval, and laid over until Monday, June 25, 1934.

Which was read.

And on the question, "Shall the bill become a law notwithstanding the objections of the Mayor?"

Mr. Anderson arose and said:

Mr. President:—There isn't much to say about the bill. I presented the bill. The bill pertains particularly to new saloons opened within the last few months, which are not provided with proper sanitary provisions as required by law. Everything in this ordinance has been copied from the State Code.

I talked to the Mayor and he was convinced that the bill is all right. Therefore, I don't wish to criticize him about changing his mind. We all do that.

This ordinance provides that all public places, such as saloons and restaurants, shall provide conveniences for its patrons, and it is merely carrying into effect the sanitary code of the State. It does not interfere with any buildings that are occupied at the present time or are under construction. This bill also compels owners of dance halls and public buildings to provide conveniences for its patrons. It has been called to the attention of the members of Council, that in dance halls where two or three hundred boys and girls gather, there are no toilets. Down on Smithfield street they are selling beer in a public place and it is necessary to go two or three doors away to a toilet. They don't even have wash stands.

This ordinance does not put a hardship upon buildings that are already occupied. It gives the Department of Public Health authority to get quicker action in cases where the tenants or owners refuse to comply with the sanitary code.

And the question recurring, "Shall the bill become a law notwithstanding the objections of the Mayor?"

The ayes and noes were ordered taken agreeably to law, and were:

Ayes:—Messrs.

Anderson	Magee
Gallagher	McArdle
Kane	Soost
	Garland, (Pres't)

Noes:—Messrs.

Demmler	Huston
---------	--------

Ayes 7. Noes 2.

And there being two-thirds of the votes of Council in the affirmative, the bill became a law notwithstanding the objections of the Mayor.

#### MOTIONS AND RESOLUTIONS

Mr. Anderson moved

That the Minutes of Council of Monday, June 18th; Thursday, June 21st, and Friday, June 22nd, 1934, be approved.

City of Pittsburgh, Penna.,

June 27, 1934.

Mr. Robert Clark,  
City Clerk.

Dear Sir:—

With reference to Bill No. 1335, authorizing the purchase of a property from the Pittsburgh Forgings Company, located in the Twenty-first Ward of the City of Pittsburgh, which provides that upon the execution of the contract and delivery of the deed, in the form to be approved by the City Solicitor, the sum of \$70,000.00 shall be paid by a warrant, I beg to advise you that it is not necessary in order to make this Resolution effective, or to authorize payment of the money, that it shall be finally passed by a two-thirds vote of Council. If the majority of Council, to wit: five members have voted for it, and the Mayor has signed it, it is a law; and upon the execution of the deed, and the examination and approval of the same by the City Solicitor, the money can be paid.

Very truly yours,

THOS. M. BENNER,  
First Asst. City Solicitor.

Which were read, received and filed.

No. 1433.

#### DEPARTMENT OF LAW

June 28, 1934.

To the President and Members of the Council:

In Re Bill No. 1417, Resolution Authorizing the Assignment of Tax Lien against Hartje Building to Philadelphia Savings Fund Society.

Gentlemen:—

In re the above Resolution, I beg to say that an Act of Assembly of 1923, P. L. 207, Paragraph 33, authorizes in the following language the assignment of municipal liens:

"Any claim filed, or to be filed, under the provisions of this Act, and any judgment recovered thereon, may be assigned or transferred to a third party, either absolutely or as collateral security; and such assignee may have all the rights of the original holder thereof."

Since this is permissive and since the mortgagee holding the mortgage on the property covered by the lien which the City has against the Hartje property has tendered the amount of the City's taxes and asked for an assignment, it did not seem proper to the Law Department to execute such assignment without the approval of Council.

Very truly yours,

CORNELIUS D. SCULLY,  
City Solicitor.

Which was read, received and filed.

And the resolution was read a third time, and upon final passage, the ayes and noes were taken, and being taken were:

No. 1441.

CITY OF PITTSBURGH

Office of the Mayor

June 28, 1934.

To the President and  
Members of City Council.

Gentlemen:

I am returning herewith Bill No. 1302, without my approval, for the following reasons.

This Bill provides for the sale of half million dollars worth of bonds for relief purposes. For some years we have been treating the relief question in our municipalities as though it were a temporary matter, but the time has come for our communities to begin to consider this more as ordinary routine.

The issuing of bonds for ordinary necessities is not sound practice. If it were a temporary emergency, there would be no objection, but this Winter will probably have the same demands for relief as in the past and some permanent policy ought to be adopted.

In my first message to Council I pointed out that there was a \$2,000,000 difference between the receipts for the coming year and the expenditures and the Budget Director recommended economics in various departments of the City so that this would not occur. Council saw fit to disregard these recommendations and refused to eliminate useless positions and, as a result, our budget is not balanced. As we approach

the next year's budget we will be faced with a similar situation unless we raise the millage. A few years ago the rate of millage on land was \$6.00 a thousand more than the present rate and the rate on buildings was \$3.00 a thousand more. If Council would determine now to go back to the old rate we would have sufficient income next year to provide food, clothing, fuel and shelter for our indigent citizens without the issue of bonds.

We have issued bonds for improving the North Side Market, which is not as necessary as providing relief money. The tenants of the North Side Market cannot pay their rent now and there is no assurance that the North Side Market improvement, if this money is expended, would help the situation any. I would, therefore, recommend that the money set aside for the expenditure on the North Side Market be turned back into the General Sinking Fund and our financial situation would be relieved by just so much.

If we would set up our relief requirements in our budget, there would be more thought given by the taxpayers as to the solution of this question, because they would realize that they would have to meet it by direct tax payments.

At the beginning of my administration, I introduced an ordinance for a ten percent tax on ground rents. These ground rents are now being paid by our people for the use of choice locations made valuable by the social services furnished by the city government. It is only just and equitable that part of this community income be recaptured for the use of the City instead of our going into debt as the present ordinance provides. Some of our downtown corners pay to absentee owners as much as \$1000 a day site rent, because the money expended by the City makes these corners desirable places to do business. The same thing holds true of our industrial sites which are being held at high rentals. All during the depression the advantages offered by Pittsburgh to factories were being capitalized by the owners of factory sites. A good illustration of this is the location for the incinerator plant. Not long ago, because a bridge was erected over that location, it was decided in our courts that the site was valueless and the owner was paid \$85,000 because of

the damages that were inflicted upon the location, making it of no value. He collected that money but today because Pittsburgh does not tax machinery and because it does not tax raw material in finished product, because Pennsylvania corporations can do business here without paying a State tax and many other advantages which our City holds out to factories, because of these advantages the owners of that location can capitalize the annual rental of that site to the tune of \$70,000.

These vast sums that go out of Pittsburgh every year, either through purchase of locations or leasing of locations, are practically free of tax and if the City, either by a raise in the tax on land value or by the method, which I proposed, of a ten percent tax on ground rent, would get back some of this community fund, there would be no need for bond issues such as these.

Respectfully yours,

WM. N. McNAIR,

Mayor.

Which was read, received and filed.

Also

Bill No. 1302. An Ordinance entitled, "An Ordinance authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the sum of Five hundred thousand (\$500,000.00) dollars, and providing for the issue and sale of bonds of said City in said amount to provide funds for the following purposes, viz: Providing food, clothing, fuel and shelter for and otherwise assisting residents of the City of Pittsburgh who are without adequate means of support, and providing for the redemption of said bonds and the payment of interest thereon."

In Council, June 25, 1934, Bill read, rule suspended, read a second and third times and finally passed.

Which was read.

And on the question, "Shall the bill become a law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Kane
Gallagher	Magee
Huston	Soost
	Garland, (Pres't)

Ayes 7. Noes none.

And there being two-thirds of the votes of council in the affirmative, the bill became a law notwithstanding the objections of the Mayor.

The Chair at this time handed several other veto messages to the Clerk for presentation, when Mr. Magee arose and said:

"Mr. President: I think this procedure is wrong and nothing should be received at this meeting except that contained in the call for the meeting.

The Chair stated

That the Law Department had informed him that these veto messages should be received at this meeting.

Mr. Kane arose and said

"Mr. President: The call was for one specific purpose, to take action on one bill, and nothing else should be considered."

Mr. Magee moved

That no other business be transacted except that contained in the call.

Which motion prevailed.

And on motion of Mr. Soost

Council adjourned to meet at the call of the Chair.

#### MOTIONS AND RESOLUTIONS.

The Chair presented

No. 1545.

CITY OF PITTSBURGH

Office of the Mayor.

July 6, 1934.

To the President and

Members of City Council.

Gentlemen:

I have the honor to inform you that I have appointed subject to your approval, Theodore L. Moritz, 517 Collins avenue, as a member of the Traction Conference Board, in place of Charles

A. Finley, removed, and ask for your prompt confirmation of the same.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read.

No. 1546.

CITY OF PITTSBURGH

Office of the Mayor.

July 9, 1934.

To the President and  
Members of City Council.

Gentlemen:

On Friday, July 6, 1934, I removed Charles A. Finley, from the office of Chairman of the Traction Conference Board, representing the City of Pittsburgh, and I now hereby confirm said removal and transmit my reasons for the same as follows:

1. Said Charles A. Finley was originally appointed to represent the interests of the car riders of the City of Pittsburgh. Since the time of his appointment, he has not represented those interests but has antagonized those interests and represented solely the interests of the Pittsburgh Railways Company on said Board.

2. The contest of the car riders of the City of Pittsburgh for better service has been nullified by the continuance of said Finley on the Board. It is my desire to start proceedings for a five cent street car fare and a ten cent bus fare, which cannot be done unless I secure an individual in the place of Mr. Finley who will represent the car riders of the City of Pittsburgh and not the Pittsburgh Railways Company.

3. In violation of the City Charter, said Charles A. Finley has collected from the City of Pittsburgh since January, 1932, a pension of \$125.00 a month as well as receiving as Chairman of the Traction Conference Board the sum of \$1,000.00 a month. If he is to continue to collect his pension, he should not remain on the Traction Conference Board. Action should be taken now to collect the money paid Charles A. Finley as a pensioner of the City of Pittsburgh.

In view of the above, I am certain that the removal of Mr. Finley is for

the best interests of the City of Pittsburgh.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read.

Mr. Magee moved

That the communications be referred to the Committee on Public Service and Surveys.

Which motion prevailed.

Also

No. 1547.

CITY OF PITTSBURGH

Office of the Mayor.

July 6, 1934.

To the President and  
Members of City Council.

Gentlemen:

I have the honor to inform you that I have appointed subject to your approval, the following members of the Board of Property Assessors, at a salary of \$4,500.00 per annum, effective as of this date:

Oscar C. Stoeher, 416 Sandusky street.

Charles L. Brinton, 6236 St. Marie street.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read.

Mr. Magee stated

That the Mayor had not officially removed the other members of the board, and he (Mr. Magee) did not believe any vacancies existed.

Mr. Magee moved

That the communication be referred to the Committee on Finance.

Which motion prevailed.

CITY OF PITTSBURGH

Office of the Mayor.

June 28, 1934.

To the President and  
Members of City Council.

Gentlemen:

I am returning herewith Bill No. 1200,

without my approval, as I am informed by the Budget Controller there was a typewriter in that office and that he is trying to locate the same. When he locates it, there might not be any need of the purchasing of a new typewriter.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

Which was read, received and filed.

Also

Bill No. 1200. Resolution authorizing and directing the City Controller to transfer the sum of \$100.00 from Code Account No. 1121, Salaries, to Code Account No. 1125, Equipment, Art Commission.

In Council, June 25, 1934, Read, rule suspended, read a second and third times and finally passed.

Which was read.

And on the question, "Shall the resolution become a law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Magee
Gallagher	McArdle
Huston	Soost
Kane	Garland, (Pres't)

Ayes 8. Noes none.

And there being two-thirds of the votes of council in the affirmative, the resolution became a law notwithstanding the objections of the Mayor.

Finance Committee of Council.

Gentlemen:

At your meeting held June 22, 1934, you passed a motion that Bill Nos. 1333 and 1334, being two Bills for the letting of contracts for the construction of incineration plants, be "referred to the City Solicitor to be on record as to its requisite form, and adequacy as to form for the purpose it is intended."

These Bills, since they were amended, showing the location of the proposed plants, that the contracts shall

be let to the lowest responsible bidder or bidders, and fixing the amount of the cost thereof, are in proper form.

Very truly yours,

THOS. M. BENNER,  
First Asst. City Solicitor.

Finance Committee of Council.

Gentlemen:

On Bill No. 1335, being a Bill for a Resolution authorizing the purchase from the Pittsburgh Forgings Co. of a tract of land located in the 21st Ward, which was "referred to the City Solicitor to be on record as to its requisite form, and adequacy as to form for the purpose it is intended," I beg to advise you as follows:

In 2 McQuillin on Municipal Corporations, Section 663, it is said:

"As the terms are commonly used in charters, there is a distinction between an ordinance and a resolution. The corporation cannot accomplish by an order or resolution that which, under its charter, can be done only by an ordinance. Whether the particular thing should be done by ordinance or resolution depends upon the proper construction of the charter and the forms observed in doing the act. A resolution deals with matters of a special or temporary character; an ordinance prescribes some permanent rule of conduct or government, to continue in force until the ordinance is repealed, and is distinctively a legislative act. It may be stated broadly that matters upon which the municipal corporation desires to legislate must be put in the form of an ordinance, while all acts that are done in its ministerial capacity and for a temporary purpose may be put in the form of resolutions. Charters contemplate that all legislation creating liability or affecting in any important or material manner the people of the municipality, should be enacted by ordinances, whether the city is acting in its governmental or private capacity. Whenever the controlling law directs the legislative body to do a particular thing in a certain manner the thing must be done in that manner. 'While there are in some

instances and for some purposes, fundamental distinctions between an ordinance and a resolution, there is no such broad distinction between a resolution and other acts of an administrative or quasi legislative board. Almost any one of these acts not required to be by ordinance may be in the form of a resolution."

In the City Charter Act of 1901 it is provided in Article XIX, Section 2, in part, as follows:

"Section 2. Every city of the second class within this Commonwealth is hereby declared to be a body corporate and politic, and shall have perpetual succession, and shall have power:

\* \* \* \* \*

11. To purchase and hold real and personal property for the use of the city."

In the next Section, Section 3, it is provided:

"Section 3. Every city of the second class, in its corporate capacity, is authorized and empowered to enact ordinances for the following purposes, in addition to the other powers granted by this act."

This section confers many powers—enumerated in forty-three separate paragraphs. Item XXVII is, in part, as follows:

"To purchase and own grounds for, and to erect and establish, market houses and market places . . ."

Item XXXI reads as follows:

"To purchase lands and premises for public parks . . ."

There is no specific provision limiting the method under which property to be used for an incineration plant site shall be purchased, and, therefore, under the general principle it can be purchased by a Resolution, and the Bill is in proper form for that purpose. It is the kind of a Resolution, however, that must be presented to the Mayor for his signature.

It has been said that the buying of property is subject to the provisions of Article XV, Section 1, Contracts. This Section provides, among other things,

"All contracts relating to City affairs shall be let to the lowest responsible bidder, after reasonable notice."

The Section then proceeds to give in detail the method to be pursued. The contract must be advertised if above \$500.00, and must be authorized by Ordinance of Council, and must be signed by the Mayor and the head of the proper department, must be signed by the Controller, and if it relates to public improvements it must be based upon an estimate of the whole cost.

The purchasing of a single piece of property is not within the purview of this provision of the statute. The purchase of property is a single transaction and must be consummated with the owner. If he is not willing to sell, the City must condemn. He does not give any bond for performance.

In *Stratton vs. Allegheny County*, 245 Pa., 519, the Supreme Court held that the provision of our statute does not obligate the advertising for bids and the selecting under this provision of the law of attorneys, physicians, engineers, architects and other involving professional skill.

As a careful search has not disclosed any specific statute compelling the purchase of property to be used for an incineration plant to be authorized by an Ordinance, and in the absence of such a statute, as the purchase of property is a single transaction, it can properly be done by a Resolution.

Respectfully yours,

THOS. M. BENNER,

First Asst. City Solicitor.

CITY OF PITTSBURGH

Office of the Mayor.

July 5, 1934.

To the President and

Members of City Council.

Gentlemen:

I am returning Bill No. 1141, without my approval, for the reasons as set forth in the report made to me by the Director of the Department of Public Welfare, which I am attaching hereto.

Respectfully yours,

WM. N. McNAIR,

Mayor.

DEPARTMENT OF PUBLIC WELFARE

July 3, 1934.

Hon. William N. McNair,  
Mayor of Pittsburgh,  
Pittsburgh, Penna.

Dear Mr. McNair:

You have asked me to submit to you my reasons for being opposed to the enactment into law of Council Bill No. 1141, File No. 296, Series 1934, introduced by Mr. P. J. McArdle on June 4, 1934, and, I believe, passed by the Council and submitted for your approval on June 28, 1934.

This bill provides for the passage of an Ordinance, amending Section 32 of an Ordinance entitled:

"An Ordinance to carry into effect in the City of Pittsburgh an Act of Assembly entitled, 'An Act for the government of cities of the second class', approved the 7th day of March, 1901; referring to the qualifications and appointments of the City Recorder; establishing the Department of Public Safety, Public Works, Collector of Delinquent Taxes, Assessors, City Treasurer, City Controller, Law, Charities and Correction, and Sinking Fund Commission; creating and fixing Bureaus and the titles thereof, and subordinate officers and offices; prescribing the mode of their election or appointment, defining the duties and powers of such; fixing the amount of bonds to be given, and allotting the various Bureaus and other officers to the proper Departments", approved January 7, 1902.

As you know, a Charter Ordinance was passed by the Council of the City of Pittsburgh and approved January 7, 1902, carrying into effect the act of March 7, 1901 and amendment thereto approved June 20, A. D. 1901, in which under Section 32, Second Paragraph, there will be found the following:

"Any employes of the Department of Charities and Correction performing service for the City of Pittsburgh, at the City Home and Hospitals at Marshalsea (Mayview), need not be residents of the City of Pittsburgh, any law to the contrary notwithstanding.

It is now proposed on the suggestion of Mr. McArdle which has been concurred in by the majority of Council,

to eliminate this Paragraph 2 in Section 32, providing for the administration of the Department of Public Welfare, City of Pittsburgh.

For reasons which were very well known and clearly appreciated by those in the Legislature of Pennsylvania and in the Council of the City of Pittsburgh when the administration of the several Departments of the City Government were first outlined and established, provision was made to allow for the employment of persons not residents of the City of Pittsburgh at the Pittsburgh City Home and Hospitals at Mayview, Pennsylvania. This law has been in effect now for over 32 years without change and the advisability of the present City Council changing this law seems to me to be very questionable, and I hope that you will concur with this opinion.

When this present Amendment Bill was being considered in the Council, statements were made by members of Council that it should not be necessary to go out of the City limits of Pittsburgh in order to obtain the services of any one who might be desired or required to be employed in the City Home and Hospitals. Generally speaking, I would heartily concur in this opinion, but circumstances do alter cases and occasions do occur in the administration of a group of hospitals such as are being administered at Mayview, when persons with special training and experience are required for the many technical services which are given to the sick and indigent and insane at the Institution, and it is a very wise provision in the City Charter and in the Charter Ordinance, putting that Charter into effect which allows for the employment of such persons when they cannot be found among the residents of the City of Pittsburgh.

Some of the present members of Council during the discussion of this present Amendment Ordinance, made the statement that it was not necessary to go out of Pittsburgh at any time to secure any services which might be required at the City Home and Hospitals. With this opinion I distinctly disagree, having found it next to impossible to secure the services of a physician for a specialized piece of work which is to be done at the Institution,

namely, the appointment of a woman psychiatric physician.

As you may know, the writer was born in Pittsburgh and has lived here his entire life, except during the period of part of his education, and while I may be charged with the administration of the Department of Public Welfare under your direction, I can assure you that no one could be more zealous in the interest of Pittsburgh than myself, and this is clearly shown by the appointments which were made in this Department from January 2, 1934 to June 4, when this bill was introduced in Council, when 36 appointments had been made, all but one of which was a Pittsburgher.

During a discussion of this Amendment measure the opinion was also advanced that while there was so much unemployment in Pittsburgh at the present time we should not go out of the City in order to secure the services of any employees at Mayview. Probably no other department has had the contacts during this present depression with the poor and unemployed citizens of the City than has the Department of Public Welfare, but we have not only had the interest of the citizens as a whole in mind, but also have had the responsibility of the care of some 4,600 patients and 400 employees at the City Home and Hospitals, the largest congested group of citizens under the direct charge of any Department. Since the Charter Ordinance was first passed in 1901, Pittsburgh has already been through two other depressions in business and it was not deemed necessary or advisable during those two depressions to require all employees at Mayview to be residents of the City of Pittsburgh for six months before they could be appointed for service at that Institution.

May I respectfully call to your attention a statement which has frequently been made since I have assumed the direction of this Department, namely, that there have often been persons appointed for services at Mayview who were not only citizens of Pittsburgh, but were citizens of other States, many of them even being from the South. I investigated these cases and find that they involve a principle of administration at the Institution

which is very necessary and helpful to be maintained. In other words, in times of prosperous business in Pittsburgh, it is frequently very difficult and at times almost impossible to secure the services of men and women in Pittsburgh for the ordinary duties at the Institution for the reason, first, of the inaccessibility of the work and secondly, because the wages that have been paid have been so much smaller than the higher wages paid in Pittsburgh, that there has been no incentive or attraction to travel 14 miles from Pittsburgh or to take up permanent residence at Mayview in order to obtain a position there which frequently did not pay as much in a month as could be earned by the same person in the City of a week. We have same valued employees at Mayview now who came to us from other States during times of prosperity when advertisements for employees in the Pittsburgh newspapers produced no answers whatever.

Under the present law, during times of prosperity we are able therefore to secure employees from other districts where business is not booming, when the services at the City Hospitals at Mayview might be seriously curtailed if this provision were not in the law.

The provisions in the charter of the City and the Charter Ordinance permitting employment of persons at the City Home and Hospitals, who have not been residents of the City of Pittsburgh for six months previous to their appointment, was passed on a very wise and sound principle and there is no valid reason, if this principle has worked satisfactorily for 32 years to change it at this time, and I therefore respectfully suggest that you withhold your approval of the Ordinance which might seriously interfere with the care of the City's charges at Mayview.

Respectfully submitted,

SOUTHARD HAY,  
Director.

#### OFFICE OF THE MAYOR

July 5, 1934.

To the President and

Members of City Council.

Gentlemen:

I am returning Bill No. 1140, without my approval, for the following reasons:

I think it is a better practice to have a co-operative store in institutions such as these. This store has been started at Mayview and it should be given a chance to see how successful it will be. This is in accordance with the custom of many other places, as set forth in a

report to me by Director Hay, which I am attaching hereto.

Respectfully yours,

WM. N. McNAIR,  
Mayor.

#### DEPARTMENT OF PUBLIC WELFARE

July 5, 1934.

Hon. William N. McNair,  
Mayor of Pittsburgh,  
Pittsburgh, Pa.

Dear Mr. McNair:

There was introduced in Council on June 4, 1934 by Mr. P. J. McArdle Bill No. 1140, being an Ordinance—

"Authorizing and directing the Mayor and the Director of the Department of Public Welfare to enter into a contract or lease with Margaret J. Harvey for a certain building at Mayview, Pennsylvania, on property of the City of Pittsburgh, and fixing the terms and rentals thereof."

This ordinance was passed by Council on June 25th over my protest and after the Council had received my report on the subject dated June 14, 1934, which they had requested me to make. I am attaching a copy of this report for your information.

You have asked me to advise you of my objections to the approval of this ordinance and I respectfully submit them as follows:

1. On June 2, 1922, during the second term of the Hon. William A. Magee as Mayor, the Council passed an ordinance authorizing a lease with Joseph Kearns for a certain store building on the main grounds of the City Home and Hospitals at Mayview, Pennsylvania. No lease was ever drawn. Joseph Kearns and later his sister, Margaret J. Harvey, have occupied this store building without any lease, merely on the authority of Council and therefore, in my opinion, unlawfully occupying the premises for the past ten years.

2. For a number of reasons which are stated hereafter, I notified Mrs. Margaret J. Harvey on March 27, 1934, that the City of Pittsburgh would exercise its right to terminate her occupancy of the premises on June 1st of this year. I had several

conferences with her attorney and she gave up possession of the property on that date.

3. Council authorized a lease to Mrs. Margaret J. Harvey of these same premises as successor to her brother under date of June 2, 1927. During the period that Mrs. Harvey has been occupying these premises, she has paid the city not more than \$180.00 per year rent, having paid as little as \$150.00 per annum during part of this period. The city of Pittsburgh has been furnishing her light, heat, water, gas and ice during this period, and making repairs to the building at a cost in excess of the amount received as rent, so that during the full period of her lease, it has been a continual financial loss to the City of Pittsburgh; in other words, the Department of Public Welfare has been making an investment for her exclusive benefit simply to furnish a person with political influence a means of livelihood at the City's expense.

4. During the entire period of the occupancy of Mrs. Margaret J. Harvey of this property, I am advised that she has conducted a store which has been unpopular with the patients, with the employees, and with the public who were compelled to trade there as a matter of convenience when visiting the Institution. The Director of the Department of Welfare and the Superintendent of the Institution at Mayview have had no control over her methods of conducting the store and in consequence thereof, it has been maintained with as little thought for the good of the persons who traded there as possible. The authorities at the institution have had no right to have the store and the premises immediately surrounding it kept in a neat and presentable condition. The store has continually, for a great many years, had an uninviting, unkempt exterior. With the great increase in number of persons to be served the store has failed to improve or expand in any manner. It is situated in the very heart of the Institution and often has been surrounded by empty ice cream cans and pop cases and is altogether an unsatisfactory, unfriendly place.

5. There have been for years continual complaints of the charges which Margaret J. Harvey has made for goods she has provided for sale, so that I am advised that only those purchase supplies at the store who are unable to take the time and expense to go to Bridgeville or other adjacent communities for the articles which they require and which she has been furnishing at a cost higher than the same articles can be furnished in any of the adjacent neighborhoods or in the City of Pittsburgh. Many of the supplies which Margaret J. Harvey has been purchasing and selling to patients, employees and visitors at Mayview have been purchased outside of the City of Pittsburgh, so that some of our wholesale merchants have not been able to participate in any way in the business which she has exclusively controlled for this long period on City property and without any lease.

6. It is now proposed by the ordinance introduced in Council on June 4th to maintain this intolerable situation for the period of another five years and with a right for renewal thereof for still an additional five years, so that if the provisions of this ordinance are carried into effect, Margaret J. Harvey will have the right, at her own prices, to sell merchandise to the patients, employees, and visitors at the Mayview Institution until 1944. It is certainly inconsistent in the Council to advocate the leasing of a store at the City Home and Hospitals to Mrs. Margaret J. Harvey when the Department of Public Welfare had better bids on file for the lease and so advised Council.

7. The Margaret J. Harvey referred to in this communication was originally employed at the Pittsburgh City Home and Hospitals as Female Asylum Attendant at a salary of \$49.00 per month and occupied this position until January 1, 1922, at which time she resigned. On January 30, 1923, she was appointed Storekeeper, in charge of the stores which were shipped to the Institution for the maintenance and care of the patients, and occupied that position on books of the Institution

until April 1, 1924, when she resigned. During this period she was in charge of the meats, vegetables, and clothing stores of the patients at the Institution.

The first ordinance, No. 156, Series 1922, authorizing a lease for the conduct of a private store at the City Home and Hospitals, was made to a brother of Mrs. Margaret J. Harvey, Joseph Kearns, by name, and his period of occupancy was from June 2, 1922, until 1927 when his sister, Mrs. Margaret J. Harvey secured the authority from Council to occupy the premises as his successor.

During the period that Margaret J. Harvey was acting as custodian in charge of the stores at the Institution, she went on her regular two weeks vacation to Atlantic City in June, 1923 and should have returned to the Institution within two weeks. Instead of so doing, however, she remained in Atlantic City on her full pay until September 16, 1923, when she was dropped from the payroll "on leave of absence", and formally resigned the position on April 1, 1924.

Practically all of the time that Margaret J. Harvey has been operating this exclusive concession at the Pittsburgh City Home and Hospitals, it has been conducted unsatisfactorily for the reasons above described.

It is the opinion of the Director of the Department of Public Welfare, and those associated with him in the management of the Institution at Mayview, that there should be maintained there a co-operative community store to fill the ordinary wants of the patients, the employes, and their friends in that rather isolated location, and that it should be operated not for the private benefit of a selected individual, but for the accommodation and benefit of the patients, themselves together with those who minister to them and live at the Institution, and their families and friends who visit them, such profits as may be earned to be used to provide recreational facilities for the patients which are not otherwise available or obtainable. It is my purpose to maintain a cooperative store at the Pittsburgh City Home and Hospitals for the sole and exclusive benefit of the patients of the Institution. I am sure

that the citizens of the City will agree with the purposes we have in mind in so doing.

In order to ascertain the customs of other similar institutions in the maintenance of cooperative or other stores for the patients, we have written to a number of them and I am quoting very briefly from the opinions of several:

Philadelphia Hospital for mental diseases, Byberry, Philadelphia, Penna. write: "I would consider it a much better plan to have the store operated entirely by hospital authorities. Situated as we are at Byberry, we could hardly get along without such an arrangement and we have found it to be a very profitable one as we have been able to furnish our patients with many additional pleasures that otherwise they would be denied."

Danville State Hospital, Danville, Penna. write: "Profits of the store are used for the benefit of the patients, through the purchases of recreational equipment and for social functions. Patients who are mentally capable, purchase their own articles, others are purchased by nurses in charge through order on Patients' cash fund."

Allentown State Hospital, Allentown, Penna. write: "The profits of the canteen are used entirely for the benefit of the patients. I shall put forth every obstacle to prevent the income to revert to the general revenue fund. The occupational therapy department has supervision of same. Two patients are in charge and are given a one dollar weekly stipend to encourage their continued interest in the canteen. From personal experience, I am not in sympathy with an outside individual conducting such an undertaking. I had a great deal of criticism on the part of patients contending that they received inferior articles and that they were taken advantage of as regards charges. I do feel that the profits can be very advantageously used for the benefit of our patients upon recreational basis. You know as well as I do that to operate upon a state or municipal budget, we have practically no funds to do the little things which add so much to patients' contentment. I most emphatically believe that it is better hospital management for the canteen to be operated by hospital authorities. Please

do not call it community store but designate it as Patients' Recreational Canteen. The word "patients" as well as "Recreation" enables you to fortify yourself against any attack. It is of course understood that the funds are used conscientiously for this one purpose as stated. Visit Allentown and we will give you all the detailed facts."

The Commonwealth of Massachusetts, Department of Mental Diseases, State House, Boston write: "Patients having funds through their nurses make purchases for the patients. I have personally been connected with this department since 1917 and during this period it has always been the policy to keep out any outside activity."

Binghamton State Hospital, Binghamton, N. Y. write: "Since we took over the store the profits have been used for certain entertainments for patients, and to pay for equipment for the occupational therapy centers. The Superintendent decides how the profits shall be applied. The store account is kept entirely separate from the general hospital or state fund account. I do not believe that it would be advisable to have an outside individual conduct the hospital exchange, as he would naturally be more interested in making a personal profit than consider the interest of the patients. I would consider it much better for the store to be managed by the hospital rather than run by an individual paying a stipulated rent."

Kings Park State Hospital, Kings Park, Long Island, N. Y. write: "Funds are secured to purchase equipment and commodities from the profits of the preceding sales. The profits from the store are used for such as baseball games, picnics, radios and motion picture entertainment, etc. We are of the opinion that an outside individual should not manage the community store, and we consider better hospital management having the store run by hospital authorities."

Department Institutions and Agencies, Trenton, New Jersey write: "Personally, I would not under any condition recommend the operation of such an undertaking by an outside individual. I think it is much sounder practice and better public policy for the management of the institution to oper-

ate such a commissary in the interest of the patients. This can take both the form of reduced costs on items to be sold, and the use of any profit accruing for the general benefit of the patients."

It seems a bad principle to me for City Council to divest the City of the physical control of an integral part of the plant at Mayview and to set up in the midst of that Institution an individual to manage and control a portion of its activities without the Director of the Department or the Superintendent and Medical Director of the Institution having any jurisdiction over its operation.

I am very decidedly of the opinion that the Ordinance first referred to above should not be permitted to become a law as it is not in the best interest of the patients and the Institution itself, and I hope that you may see fit in your good judgment to veto the Ordinance.

Respectfully submitted,

SOUTHARD HAY,

Director.

Which was read, received and filed.

Mr. Magee presented

No. 1583. RESOLVED, That the consent of Council to the removal of Charles A. Finley as a member of the Traction Conference Board as requested by the Mayor in a communication addressed to Council under date of July 9, 1934, be and the same is hereby refused.

Which was read.

Mr. Magee moved

The adoption of the resolution.

Upon which motion the ayes and noes were ordered taken, and being taken were:

Ayes:—Messrs.

Magee	Soost
McArdle	Garland, (Pres't)

Noes:—Messrs.

Demmler	Gallagher
	Huston

Ayes 4. Noes 3.

And a majority of the votes being in the affirmative, the motion prevailed.

Also

No. 1584. RESOLVED, By the Council of the City of Pittsburgh, that the appointment of Theodore L. Moritz of the City of Pittsburgh as a member of the Traction Conference Board, be and the same is hereby approved and confirmed.

Which was read.

Mr. Magee moved

The adoption of the resolution.

Mr. Magee said:

Mr. President: The Mayor has raised a legal question under the Railways Cost-of-Service Agreement. He contends that the City members of the Traction Conference Board are city officers. If he is correct in that, then he has the power of removal and of appointment to fill vacancies.

By a communication he has attempted to exercise his alleged power of removing the Chairman of the Board, and has named a successor for our confirmation. If he is correct in his theory that the City members of the Traction Conference Board are City officers, then the Council must decide on whether it wants Mr. Moritz as Chairman of that Board.

The majority of Council are of the opinion that the City members of that Board are not City officers, but are agents of the City in carrying into effect the terms of an agreement with the Street Railways Corporation.

The majority have just refused to consent to the removal of the Chairman of the Board. Still, it seems to me, that they must meet the Mayor on his own legal ground, in view of the possi-

bility of his being sustained in the position which he takes. If he should be sustained and we don't vote upon Mr. Moritz' nomination today, there would be a claim on the part of his nominee for salary some months hence when the Supreme Court will finally decide on the injunction granted by Judge Gardner.

And the question recurring on the adoption of the resolution, the ayes and noes were ordered taken, and being taken were:

Ayes:—Mr. Demmler

Noes:—Messrs.

Gallagher	McArdle
Huston	Soost
Magee	Garland, (Pres't)

Ayes 1. Noes 6.

And a majority of the votes of council being in the negative, the motion was rejected.

Mr. Magee moved

That when Council adjourns, it shall adjourn to meet on Monday, August 20, 1934.

Mr. Gallagher arose and said:

Mr. President: I am opposed to the motion for the reason that I have made arrangements to take a trip abroad and will not return until after Labor Day. It is impossible for me to cancel these arrangements. When I made these arrangements, I anticipated that Council, when it adjourned today, would adjourn until that time.

Mr. Huston arose and said:

Mr. President: I, too, had arranged to leave with Mr. Gallagher and was under the impression that Council would be in recess during the time we were away.

And on the question, "Shall Council, when it adjourns, adjourn to meet on Monday, August 20, 1934?"

The motion prevailed.

The Chair presented

No. 1585. WHEREAS, a hearing was held July 25, 1934, on the subject of athletic attire in public places or parks; Therefore, be it

RESOLVED, That Council endorses the policy of the Department of Public Works and the Department of Public Safety in this respect, as outlined by

Police Inspector Moore and Park Superintendent Griswold.

Which was read.

Mr. Magee moved

The adoption of the resolution.  
Which motion prevailed.

Mr. McArdle arose and said:

Mr. President: In view of the possibility of a recessed meeting today, at which meeting consideration and favorable action may be taken on the ordinance that was under discussion this morning, granting the consent of the City to the installation of the plaza at the south portal of the Liberty Tubes, I want to arise to a question of

personal privilege, due to the fact that I will not be here when that consideration is given in the committee meeting and at the recessed portion of this meeting, and say that if I were here when action is taken on that ordinance, I would vote in the negative and against giving the city's consent to any improvement that would result in the installation of a toll collection system at the Liberty Tubes.

Mr. Magee moved

That Council recess until 2 o'clock, P. M. (Eastern Standard Time).

Which motion prevailed.

And Council recessed.

Mr. Kane moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Soost arose and said:

Mr. President: I am in favor of any public improvements that are necessary, but I don't feel that any of these

improvements are necessary. This matter of placing a toll on the highways belongs to the ox-cart days, and in approving this ordinance I think is going back to the ox-cart days. Therefore, I am voting against it.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

#### MOTIONS AND RESOLUTIONS.

Mr. Demmler presented

No. 1595. WHEREAS, many complaints in respect of excessive rates charged by public utilities functioning in the City of Pittsburgh have been made to the Mayor and individual members of Council, proper considera-

tion of which would entail the initiation of proceedings before the Public Service Commission for the reduction of rates; and,

WHEREAS, Action on any of said complaints has been deferred upon the assumption that, pursuant to its announced intention, the Public Service Commission of Pennsylvania intended on its own motion to initiate the necessary proceedings to reduce the net earnings of public utilities from seven per cent or in excess thereof to six per cent; and,

WHEREAS, The Public Service Commission has advised the representatives of the City of Pittsburgh and other municipalities that they would not be permitted to be present at hearings at which the Public Service Commission proposed to take up with the various utilities functioning within the City of Pittsburgh and County of Allegheny the subject of their rates; and,

WHEREAS, In the premises the City of Pittsburgh is without the necessary information upon which to predicate action in the interests of its citizens; Therefore, be it

RESOLVED, That the Law Department be instructed immediately to request the Public Service Commission to advise this body whether or not any hearings have been held by it in which hearings utilities operating with the City of Pittsburgh have appeared and at which hearings the question of the reduction of rates has been taken up, and whether or not said utilities have agreed to relieve promptly the situation in respect of rates by the filing of new tariffs of reduced rates to comply with the announced policy of the Public Service Commission that the net returns of utilities upon their investment shall be six per cent, instead of seven per cent and in excess thereof.

Which was read.

Mr. Demmler moved

The adoption of the resolution.

Mr. Magee moved

To amend the resolution by inserting in the resolution, after the word "hearings" wherever it appears, the words "or conferences".

Which motion prevailed.

And the question recurring on the adoption of the resolution, as amended. The motion prevailed.

The Chair presented

No. 1596. WHEREAS, in connection with Ordinance, Bill No. 1455, passed by Council today "giving consent to the Allegheny County Authority the right to enter upon certain city property for the construction of a plaza at the south portals of the Liberty Bridge," a modification of the plans is desired; Therefore, be it

RESOLVED, That the Council request the Allegheny County Authority to make application to the Public Works Administration for such a modification or expansion of its program as shall permit of the accomplishment of a program of improvement in accordance with the present ideas of the representatives of the City of Pittsburgh; and, as an alternative thereto upon the failure to accomplish this with the Public Works Administration, to make a similar request to the Public Works Administration, to make a similar request to the County Commissioners.

Which was read.

Mr. Kane arose and said:

Mr. President: I am opposed to this resolution for the reason that if the Federal Government fails to provide this additional money for the purpose of meeting the plans of the city, the taxpayers of the County will be called upon to carry the expense.

Mr. Magee arose and said:

Mr. President: I have the same apprehension that Mr. Kane has, except more so. I am afraid the Commissioners will come over and ask us to pay half of it.

Also

No. 1597. Communication from Mrs. Helen Ehrenfred, one of a committee of three appointed by the Director of the Department of Public Health, to investigate conditions at Leech Farm, making a statement relative to conditions at said Farm as she found them.

Which was read and referred to the Committee on Health and Sanitation.

Also

No. 1598.

CITY OF PITTSBURGH  
Office of the Mayor

July 26, 1934.

To the President and Members  
of City Council.

Gentlemen:

I have the honor to inform you that I have appointed, subject to your approval, James F. Malone, 3215 Iowa street, as a member of the Traction Conference Board, in place of Charles A. Finley, removed, and ask for your prompt confirmation of the same.

Respectfully yours,

WM. N. McNAIR.

Mayor.

Which was read.

Mr. Kane arose and said:

Mr. President: I want again to state my position in reference to this Traction Conference Board. I don't think it is necessary or useful. This money spent by the Railways Company to maintain the Traction Conference Board could be used to raise employees' wages, to improve service or pay the company's debts.

I don't intend to vote on any more appointments. If the Mayor is sincere in trying to do something for the people let him begin action to abrogate the whole conference agreement.

Mr. Magee arose and said:

Mr. President: Strictly speaking, it is not necessary to pay any attention to this communication because the Council refused today to vote for the removal of Mr. Finley. I don't want to deny to anyone the right to discuss this matter. I assume that for the balance of this session of Council the matter is disposed of by that vote.

In order to further discuss the matter, I move that the communication be referred to the Committee on Public Service and Surveys.

Which motion prevailed.

Mr. Demmler moved

To reconsider the vote by which the motion was adopted to recess until Monday, August 20, 1934.

Which motion prevailed.

---

And the question recurring, "Shall Council recess until Monday, August 20, 1934?"

The motion did not prevail.

Mr. Demmler moved

That Council recess until Mon-

day, August 27, 1934, at 12:30 o'clock, p. m. (Eastern Standard time).

Which motion prevailed.

And there being no further business before the meeting, the Chair declared

Council adjourned.

##### MAYOR'S OFFICE

Pittsburgh, Pa.,

August 13, 1934.

To the President and  
Members of City Council.

Gentlemen:

I desire to call a special meeting of the City Council for Thursday, August 16th, at 1:00 P. M., Daylight Savings Time, due to the following situation:

At present, the office of City Solicitor is vacant. As a temporary measure, I am acting in that capacity without salary, due to the fact that the Controller refuses to pay the salaries of my recess appointments.

I would, therefore, desire at this special meeting to present, for your approval, the name of a new City Solicitor whom, if you will confirm, I can immediately swear in and there would be no question about his salary, as he would not be a recess appointment. Under the Charter, if you fail to confirm, it will be my duty to present other names until the vacancy in the office of City Solicitor will be filled.

Yours sincerely,

WM. N. McNAIR,

Mayor.

Dear Sir:

I read with surprise in this morning's newspaper, that you had transmitted my name to the Council for confirmation as Chairman of the Traction Conference Board.

I cannot understand why you did this without consulting me. You never spoke to me on this subject nor did I discuss it with you.

I insist that you withdraw my name from the Council. I would not accept this position under any circumstance, and just so the record may be clear for the future, I would not accept any other position under the present city government.

Yours truly,

JAS. F. MALONE.

CITY OF PITTSBURGH  
Office of the Mayor

July 26, 1934.

To the President and Members  
of City Council.

Gentlemen:

I received from you a copy of a Resolution in which you set forth that a clerk in the Traffic Court, Walter Stifel, is a non-resident of the City of Pittsburgh and call the attention of myself and the Civil Service Commission to the provisions of the Charter

Ordinance of 1901. You further state that I am directed to fill such position in conformity with the requirements of that ordinance.

To give the proper consideration to that action of your Honorable Body, I proceeded to carry out its direction and dismissed Mr. Stifel. I am informed that certain affidavits were filed with your Body the following day which would indicate, upon their being received by you and no action taken, that you consider the determination of the residence of Mr. Stifel, previously decided by you to be a non-resident, not to have been correct. However, until this Resolution is rescinded, I feel bound by your action, however inconsiderate it may be, and would request that some action be taken upon these affidavits by you, so that if an injustice has been done to Mr. Stifel that injustice can be remedied. But I feel that, until you withdraw the directions to me which were contained in that Resolution, I can take no further action in the matter.

Respectfully yours,

WM. N. McNAIR,

Mayor.

No. 1675.

CITY OF PITTSBURGH  
Office of the Mayor

August 3, 1934.

To the President and Members  
of City Council.

Gentlemen:

I am returning Bill No. 1455, without my approval, for the following reasons:

In taking this action I have to emphatically state that the cost of the Liberty Tunnels Plaza Project, if a satisfactory plan is to be adopted, will exceed the estimates of the Allegheny County Authority by about \$800,000.00.

I have been advised by the Chairman of the City Planning Commission and the Director of the Department of Public Works that, in their opinion, the funds provided according to the estimate of the Allegheny County Authority would be neither sufficient to carry out the plan proposed by the Authority in an adequate manner nor to construct

the plan proposed by the City Planning Commission.

Needless to say, I will never be willing to approve a plan, nor do I think Council would, that would not adequately take care of traffic at this most important focal intersection. I, therefore, wish to go on record to notify the Members of the Allegheny County Authority and the Federal Government that whatever may be the cost, sufficient funds should be provided in whatever manner is deemed best, either by the Federal Government or by the County, or possibly from reserve funds in the Allegheny County Authority to make it possible to carry out this important improvement in an entirely satisfactory way.

Respectfully yours.

WM. N. McNAIR.

Mayor.

Which was read.

Also

Bill No. 1455. An Ordinance entitled, "An Ordinance evidencing the consent by the City of Pittsburgh to the entry upon and use by Allegheny County Authority of such portions of West Liberty avenue and Saw Mill Run boulevard, and such other streets or alleys as may be affected thereby, as may be necessary in connection with the reimprovement of said West Liberty avenue and said Saw Mill Run boulevard, and the construction of a grade separation and plaza at the intersection thereof; authorizing and directing the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, to enter into an agreement with Allegheny County Authority to make such consent effective; prescribing, in substance, the subject matter of such agreement, and providing for the enactment by the City of Pittsburgh of any and all legislation necessary for the fulfillment of the terms thereof."

In Council, July 26, 1934, Bill read and committee amendments agreed to, rule suspended, read a second and third times and finally passed.

No. 1676.

CITY OF PITTSBURGH

Office of the Mayor

July 30, 1934.

To the President and Members  
of City Council.

Gentlemen:

I am returning Bill No. 1555, without my approval, for the following reasons:

This Bill sets up \$5,000.00 for the Police Research Commission expenses. In view of the fact that the City is facing a very grave deficit and that various institutions, like Mayview, Leech Farm and other activities, are greatly hampered by lack of funds, I think that this \$5,000.00 would be a useless expenditure.

Furthermore, I am informed that very serious charges were made against the leading member of this Commission during a discussion at the Henry George Club. Until these charges are answered satisfactorily, I do not think this Commission should receive any of the City's money.

Respectfully yours,

WM. N. McNAIR.

Mayor.

Which was read.

Resolution authorizing and directing the City Controller to transfer the sum of \$5,000.00 from Code Account No. 1012, to Code Account No. 1013, Police Research Commission Expense, City Clerk's Office, for the purpose of providing expenses for the Police Research Commission, said expenses to be approved by the Committee on Finance.

In Council, July 26, 1934, Read, Committee amendments agreed to, Rule sus-

pended, read a second and third times and finally passed.

Which was read.

Mr. Magee moved

The Playground and Vacation School Assn. of Allegheny, Inc.

N. S., Pittsburgh, Pa.

September 1, 1934.

To the President and  
Members of Council.

Gentlemen:

I hereby tender my resignation as General Supervisor of the North Side Playgrounds, effective December 31st, next, inasmuch as a budget for next year's operations will be required, beg to say that I will gladly give any information, details, etc. acquired during my 34 years of service to whoever is selected as my successor. I do not feel that it is incumbent upon me to venture to make up a budget for next year's operations.

I want to take this occasion to thank the members of Council who have been so kind and co-operative with me during the past years.

Sincerely,

MARY J. COWLEY,  
General Supervisor.

Which was read, received and filed, and resignation accepted.

Also

No. 1732. WHEREAS, Mrs. Mary J. Cowley, for thirty-four years head of the North Side Playground Association, has submitted her resignation as General Supervisor of that Association, effective December 31, 1934, after a highly successful career, which is at-

tested by the condition of these playgrounds at the present time; and,

WHEREAS, Mrs. Mary J. Cowley has made this her life's work, having given her time and talents unstintedly to the City, her reward being her gratification in the results accomplished in bettering the welfare of the children of her beloved City. Many of the men and women of today, who were residents of the North Side, can trace their early training to the efforts of Mrs. Mary J. Cowley; therefore, be it

RESOLVED, By the Council of the City of Pittsburgh, that by the resignation of Mrs. Mary J. Cowley, the City has lost an efficient and trustworthy servant. Council deplors this loss, and on behalf of the people of the City of Pittsburgh, extends to Mrs. Mary J. Cowley its heartfelt thanks for her noble efforts and for the results attained by her; and, be it further

RESOLVED, That a copy of this resolution be spread upon the records and an engrossed copy be sent to Mrs. Mary J. Cowley.

The Chair presented

No. 1772.

City of Pittsburgh, Pa.,

July 24, 1934.

President and Members of Council,  
City of Pittsburgh.

Gentlemen:

On June 18, 1934, the Department of City Planning requested Council not to pass the ordinance giving a lease for a part of the Duquesne way waterfront for a period of fifty years for an exposition-exhibition building. Recent newspaper stories state that Council contemplates considering the said ordinance for third reading and final passage.

The City Planning Commission again urges that the said ordinance be not passed. It is a physical impossibility

to build an exposition building in the said location without completely prohibiting the execution of the thoroughfare plans recommended to the City Council by the principal business and civic agencies of Pittsburgh.

If the Council contemplates serious consideration of this ordinance this Commission would like a full and uninterrupted hearing for the presentation of the street plans and the arguments against the exposition building.

Very truly yours,

FREDERICK BIGGER,  
Chairman, City Planning  
Commission.

Which was read, received and filed.

Mr. Magee stated

That the objection raised by the Planning Commission in its communication had been taken care of in the amendment to paragraph (d) which provides that the lease shall be void if, in the judgment of council, the proposed building will interfere with adequate traffic regulations and control.

Mr. Magee moved

To amend the bill by adding a paragraph to be known as (f-2), reading as follows:
